Q28. What additional types of festivals, events, markets, cultural opportunities and visitor attractions would you like to see in Market Drayton to increase visitor numbers? .....	67
Q30. Is there anything you would like to see in addition to the existing facilities? .....	73
Q31. Do you think it would be good for Market Drayton if a marina was built to the North East of the Shropshire Union Canal in the vicinity of Victoria Wharf together with other facilities and possibly some housing? Additional comments .....	77
Q35. What would encourage you to do more of your shopping in Market Drayton? Other, please specify. ....	78
Q38. How might the markets be improved? .....	80
Q39. What employment opportunities would you like to see in Market Drayton area? .....	89
Q43. If you are aware of any potential sites for new business and employment in Market Drayton please give details here. ....	94
Q44. If you have any other comments to make which are not covered in this survey please use the space below. ....	95

## Additional comments about Q1. How often do you use the following services and facilities in Market Drayton?

---

1.001	Market Drayton Tennis Club Sports Club
1.002	Market Drayton tennis club Sports clubs
1.003	Sports Centre should not be funded by council, too far for children
1.004	Tennis club (Greenfields) sports clubs
1.005	Tennis sports clubs
1.006	Tennis sports clubs

## 2. Are there any particular community, sports or recreational facilities that you think should be provided in Market Drayton? Other, please specify:

---

2.001	It would be great if Shropshire Council could provide free swim sessions for over 50's & under 18's - like Telford do. Even if they only allowed say 2 a week
2.002	(Enhance pool/gym facilities) We travel to Telford to use gym Inc. pool Jacuzzi and steam room. MD pool inadequate
2.003	1) Any indoor sports centre/hall where tennis can be played. 2) Bowls green (crown)
2.004	A bar/club
2.005	A climbing wall
2.006	A formal park area
2.007	A lake with ducks, outdoors gym, accessible walking area for families, pushchairs, wheelchairs etc.
2.008	A large park on southern side to walk dogs, children

- 2.009 A multi-purpose, indoor sports facility would be ideal, where tennis can be played undercover all year round (2 courts min.)
- 2.010 A 'real' park with seats and flower beds and trees
- 2.011 A water play area such as that in Telford Town Park
- 2.012 Adult education classes
- 2.013 All weather football pitch also could be used for hockey
- 2.014 All weather needed
- 2.015 All weather pitch - all sports. Boxing gym
- 2.016 All weather pitch at Grove School
- 2.017 All weather running track
- 2.018 An indoor multi-sport facility where indoor tennis can be played - 2 or 3 courts please
- 2.019 An indoor sports facility where indoor tennis (including matches) can be played - minimum 2 tennis courts
- 2.020 An indoor sports centre/hall where tennis can be played
- 2.021 Archery practice facilities.
- 2.022 As many for open spaces for playing, walking and enjoying town and country
- 2.023 Badminton
- 2.024 Badminton Hall
- 2.025 Banked cycle track - (Respondent has drawn an example of velodrome)
- 2.026 Better equipment on playing field for children. More on town park
- 2.027 Better gym facilities
- 2.028 Betton Road Gym.
- 2.029 Bowling green
- 2.030 Bowling green
- 2.031 Bowls club
- 2.032 Climbing wall, ice skating
- 2.033 Commented "All weather" next to 'Hockey pitch'
- 2.034 Communal BBQ area/Picnic area Dog park
- 2.035 Communal sports centre (tennis, badminton etc.)
- 2.036 Community park area for outside sports and recreation i.e. boot camp, tai chi
- 2.037 Complete sports complex
- 2.038 Complete sports facility on one site - like most French towns have. With free parking, and free for motorhomes to encourage outside visitors and generate income.
- 2.039 Covered Tennis courts
- 2.040 Crazy golf and putting green
- 2.041 Cricket, netball
- 2.042 Designated cycle paths
- 2.043 Equestrian
- 2.044 Farm park feeding animals and play area for young children with care facility, Indoor play centre (larger than the gingerbread facility) with cafe.
- 2.045 Fishing the River Tern behind the baths, this was fished by Palethorpes A.S. but stopped by the council when they took over
- 2.046 Football pitch with flood lights, indoor tennis facility
- 2.047 General leisure centre close to town
- 2.048 Gym, cycling, swimming, tennis, badminton etc., boxing, judo type
- 2.049 I am very into table tennis and attend club in Newcastle and play in Potteries/Stone/Shrewsbury Leagues. I am qualified coach as well. I have only lived in MD a couple of years, there are no facilities for TT here, but understand Grove school used to be one of best in the country maybe 20 years ago. Pitty
- 2.050 I would like to swim but because it hasn't got modern steps, not 2 tall handrails at the top of the steps, I can't get out.

- 2.051 Ice skating rink
- 2.052 Indoor climbing wall.
- 2.053 Indoor facilities with minimum to support two tennis courts.
- 2.054 Indoor sports area @ swimming bath to allow for exercise classes
- 2.055 Indoor sports facilities (eg Shrewsbury Sports Village)
- 2.056 Indoor sports facility with multi use
- 2.057 Indoor sports hall where sports such as tennis matches and volleyball can be played
- 2.058 Indoor tennis
- 2.059 Indoor tennis courts for the winter
- 2.060 Indoor/covered tennis courts (at least 2 would be fantastic)
- 2.061 Major park - walking areas
- 2.062 Market Drayton hockey club provides sport in 4 teams and juniors. They need an astro-pitch urgently.
- 2.063 More restaurant and bars are needed - no evening entertainment. Also a hall at the swimming baths is needed for adult dance and fitness classes
- 2.064 N. B. A successful hockey club should not be forced to play home games at Keele Staffs.
- 2.065 Netball Courts.
- 2.066 New bigger skate park
- 2.067 New museum
- 2.068 Outdoor stage venue in town park during summer
- 2.069 Park where dogs are actually allowed to be exercised
- 2.070 Parks
- 2.071 Paths for horse riders.
- 2.072 Playgrounds with a lot more play equipment suitable for all ages of children - teens
- 2.073 Public tennis courts needed
- 2.074 Quad bike facilities
- 2.075 Roller skate rink and bike track
- 2.076 Run/cycle track
- 2.077 Running track
- 2.078 Running Track
- 2.079 Running track. MD holds the best 10K in the county. No facilities for runners. Local running club has over 150 members.
- 2.080 Running track/athletics facilities. Way-marked town running route.
- 2.081 Skate/roller blade facility
- 2.082 Something suitable for older people e.g. Allotments, bowling green
- 2.083 something that will attract older people to exercise regularly accessible within the town boundaries
- 2.084 Spa facilities, i.e. steam room, Jacuzzi, sauna.
- 2.085 Sports building allowing sports all year round including tennis courts and football pitches and cricket nets. My children play all these sports and these clubs have a good following on the sports camps they provide to children in school holidays and we should encourage children into more sports by providing facilities that allow sports to be played all year round. Maurice Chandler is too far out of the way and run down.
- 2.086 Sports centre
- 2.087 Tennis
- 2.088 Tennis court for public use
- 2.089 Tennis courts
- 2.090 Tennis courts
- 2.091 tennis courts (free)
- 2.092 To cater more for young children
- 2.093 Town veg plot - Incredible Edible Allotments. Wild spaces that can be used for walkers

- 2.094 Union flag flown
- 2.095 WARM swimming pool. Existing facilities too cold to use
- 2.096 Youth club
- 2.097 Youth club

### 3a. Your Improvement ideas

---

#### Recreation grounds

- 3a.001 A all-weather football pitch is a must
- 3a.002 Access to Greenfields should be improved. Condition of road is v. poor
- 3a.003 All weather surfaces on all parks. There is a lot of mud at some in the town.
- 3a.004 More to do for families - maybe a lake - boating lake or with ducks, wildlife areas, outdoor gym, nice dog free picnic areas, dog free play areas.
- 3a.005 Assist in the development of youth by providing cricket strips/nets and 5 aside areas with nets for football at the town park, and outdoor facilities for outdoor concerts.
- 3a.006 At Longlands, to refurbish the equipment, add or replace equipment, add more climbing facilities and /or utilise the grassy space with events, area needs vast improvement to encourage children to utilise the area .Neglected currently, sadly.
- 3a.007 Ban all dogs from all areas, especially Buntingsdale recreation ground
- 3a.008 Ban dogs from sports/recreation pitches used by children/adults
- 3a.009 Benches for parents/carers to sit upon
- 3a.010 Better 'play' areas for older children
- 3a.011 Better play equipment at Fairfield's
- 3a.012 Cannot judge as I do not use them
- 3a.013 Checks made to make sure these areas are safe for their use
- 3a.014 Children play areas ' swings, slides etc.', small park, shrubs, flowers, club house for older people
- 3a.015 Children's play area needs to be expanded especially equipment for older children (town park)
- 3a.016 Complete sports facility for general public use, to encourage healthy life-style and reduce the massive obesity related health problems in the town
- 3a.017 Dog walking
- 3a.018 Dog wardens to monitor the area daily
- 3a.019 Dogs to be banned from these areas and enforcement fines used as a deterrent.
- 3a.020 Dogs to be banned from these areas and enforcement fines used as a deterrent.
- 3a.021 Equipment for older children 7 - 12
- 3a.022 Expand to match requisite hectareage for projected population. Also all-weather hockey pitch.
- 3a.023 Expanded and clear up litter and graffiti
- 3a.024 Extra parking & green fields and access
- 3a.025 Football pitches looked after better on parks so young kids can play better and safely
- 3a.026 Greenfields facilities needs improving with better lighting, carpark, etc.
- 3a.027 Greenfields. Improved roads, carpark, lighting etc...
- 3a.028 Have 'trim trail' type fitness equipment in the parks
- 3a.029 Improve access to Greenfields - poor roads - lighting
- 3a.030 Improve landscaping to make areas more attractive
- 3a.031 Improved playground in town park, with adult outdoor pool.t exercise equipment (as in Oswestry) and regular catering van.
- 3a.032 Infrastructure to Greenfields needs improvements - access road, footpaths, lighting, carpark
- 3a.033 Infrastructure to Greenfields needs improving - access road, footpath, lighting, car parking
- 3a.034 Larger for a growing population similar to Shrewsbury's quarry
- 3a.035 Longlands play area should be fenced off so that dogs can't go near play equipment

- 3a.036 Major park - walking areas
- 3a.037 More careful cleaning
- 3a.038 More competition from age 5
- 3a.039 More disabled access/facilities
- 3a.040 More equipment for children of Longlands area
- 3a.041 More equipment for children to play on
- 3a.042 More equipment on them all
- 3a.043 More interesting green space to visit in town. Parks are bland, empty and uninspiring.
- 3a.044 More organised events
- 3a.045 More playing equipment for children
- 3a.046 More recreational areas around the canal - as well as offering facilities for locals it would be a good tourist attraction too
- 3a.047 More sports pitches
- 3a.048 Need more
- 3a.049 New equipment
- 3a.050 Not used therefore no comment
- 3a.051 Open parkland and more managed nature reserves.
- 3a.052 Outdoor performance places, outdoor gym
- 3a.053 Park, - A 'real' park with seats and flower beds and trees
- 3a.054 Parking & access Greenfields
- 3a.055 Playground in the town park needs more equipment for children.
- 3a.056 Prosecute the dog walkers who foul areas.
- 3a.057 Provide a outdoor gym along a run track or in a park
- 3a.058 Refurb toilets/baby change - field by swim baths
- 3a.059 River Tern riverbank walk extended
- 3a.060 Playgrounds with a lot more play equipment suitable for all ages of children - teens"
- 3a.061 Separate the play area from the rest
- 3a.062 Similar to Shrewsbury's quarry is needed by swimming baths
- 3a.063 Somewhere else as one at Priors Lane Chancel Drive has cars parked dangerously
- 3a.064 Sports centre
- 3a.065 Stop people using them for dog toilets!
- 3a.066 The access road, footpaths and street lighting to Greenfields needs a lot of improvements
- 3a.067 The access road, footpaths and street lighting to Greenfields needs a lot of improvements
- 3a.068 The road, footpath and lighting needs improving at Greenfields
- 3a.069 To ban loose dogs and their careless owners from dominating areas with their un leashed dogs
- 3a.070 To that similar to Shrewsbury's quarry
- 3a.071 Walking football, purchase of rugby ground off Shropshire council Nat 3 > 2 > 1?
- 3a.072 We must keep all these facilities for the younger people in the Market Drayton area

## Swimming Baths

- 3b.001 50 metre swimming pool
- 3b.002 A complete review of the current management. It is very poorly run & administered, - provides a poor service to the community with young children who wish to learn to swim. There is only 2 - 3 good instructors the rest are very young inexperienced adults. The administration deters parents from taking their children
- 3b.003 A toddler pool.
- 3b.004 Access via the indoor pool to the outdoor pool to provide year round opening of
- 3b.005 Actually having prices that promote families using. Current prices are ridiculous likewise there are not enough sessions that allow children particularly after school ends.
- 3b.006 Add squash courts
- 3b.007 Air conditioning. Private room for exercise classes

- 3b.008 Be nice to see the outdoor pool open more often in nice weather
- 3b.009 Better advertising
- 3b.010 better CCTV/security
- 3b.011 Better diving facilities- Maybe a wider range of classes?
- 3b.012 Better facilities for disabled
- 3b.013 Better management of outdoor pool
- 3b.014 Better post-swim showers with drains behind the showers, instead of everyone's used water pooling in a central area
- 3b.015 Better quality swimming lessons for children - overcrowded and poor
- 3b.016 Better swimming baths for adults & also cleaner pools
- 3b.017 Bigger gym for more classes
- 3b.018 Bigger gym, more changing rooms and a sauna & steam room
- 3b.019 Cafe and viewing for competitions
- 3b.020 Cheaper and more accessible hours - as timetable is very booked up
- 3b.021 Cheaper, then more people would use
- 3b.022 Cleaner. Very unclean
- 3b.023 Coffee shop
- 3b.024 Could be warmer!
- 3b.025 Dance studios for classes
- 3b.026 Decent changing rooms which are warm - and separate showers for male and female
- 3b.027 Designated area for actual gym classes
- 3b.028 Essential for children health and safety for others
- 3b.029 Excellent facility, water is cold in large pool, reluctant to attend due to this and consideration of more sessions for children under 5 in smaller pool. Consider children's music playing during tots sessions,
- 3b.030 Exercise classes, e.g. Zumba. Cafe facilities
- 3b.031 Expand or build a new pool that can be accessed by anyone anytime (no pool timetable)
- 3b.032 Extended opening times
- 3b.033 Find other funding methods to subsidise the pool to thereby reduce the cost of public swimming.
- 3b.034 Gym
- 3b.035 Have better opening hours that would enable more people to use the facility
- 3b.036 Having slides
- 3b.037 Heated changing rooms
- 3b.038 Hot Jacuzzi tub for one person use, (they have them in Australia outside in the open) but we should have one indoors
- 3b.039 I couldn't book on to swimming lessons with my 1 year old because of lack of available sessions, so more lessons please
- 3b.040 I have a disability and have attended the GP referred aqua classes but have had to stop as the water is too cold - other pools have water a few degrees warmer and it makes all the difference. What about a session for disabled and have the water warmer
- 3b.041 I think the improvements made last year are very good.
- 3b.042 Improve outdoor pool
- 3b.043 Increase pool temperature, expand to include spa facilities.
- 3b.044 Indoor exercise/aerobics room
- 3b.045 Indoor sports area for classes
- 3b.046 Indoor studio to do fitness classes
- 3b.047 Larger outside pool.
- 3b.048 Later opening times. Never have the opportunity to go
- 3b.049 Longer weekend hours, better use of the outdoor pool in the summer.
- 3b.050 Love it the more offered there the better.
- 3b.051 Make it more of a fun pool rather than just a swimming pool.
- 3b.052 More activities for teenagers to get involved in regardless of their swimming ability.
- 3b.053 More activities for teenagers to get involved in regardless of their swimming ability.
- 3b.054 More competition from age 5

- 3b.055 More exercise classes/ more room.
- 3b.056 More family friendly sessions
- 3b.057 More for older population
- 3b.058 More open air pool hours in summer
- 3b.059 more opening times for recreational swimming
- 3b.060 More pools current one is too crowded to use
- 3b.061 More public swim times, at lower prices its far to expensive
- 3b.062 more public swimming not just classes etc - plus outdoor pool open more often in the summer
- 3b.063 More sessions for adults
- 3b.064 Much warmer water
- 3b.065 Need to offer larger gym, Jacuzzi & steam room
- 3b.066 Needs improvement in shower locker and changing rooms - feels dirty
- 3b.067 Needs updating
- 3b.068 Not enough capacity
- 3b.069 Only went once - Water was very cold- warmer water needed.
- 3b.070 Open earlier at a weekend, Discounted 'off peak' prices
- 3b.071 Open the outdoor pool more
- 3b.072 Open the outdoor pool more in the summer
- 3b.073 Outdoor pool
- 3b.074 Outdoor pool open for "wild" swimming as Dearnord Lake is, try water sports
- 3b.075 Outdoor pool open more frequently in warm weather
- 3b.076 Outdoor pool open more often
- 3b.077 Outdoor pool open more often (summer)
- 3b.078 Outdoor pool should open all the summer holidays
- 3b.079 Outside pool open more in summer
- 3b.080 Poor timetable
- 3b.081 Rarely used therefore no comment
- 3b.082 Re introduce free swimming for OAPs
- 3b.083 Reducing entrance fee by using the facility in other ways e.g. gym, indoor
- 3b.084 Refurbishment, looks dated and tired
- 3b.085 Ridiculous timetable, too dear, gym on(?) looking pool
- 3b.086 River alongside, and hedge are disgusting. They spoil our 2nd best facility (Festival Drayton, best)
- 3b.087 Sauna, pamper suites
- 3b.088 Sessions for older people - 60 years
- 3b.089 Shallow steps with hand rails, not step ladder steps with inadequate hand rails.
- 3b.090 Slides, wave pool
- 3b.091 Spinning classes
- 3b.092 Studio needed better utilisation of outside space
- 3b.093 Subsidised swimming for disabled. New bigger pool. open for longer until later in evening
- 3b.094 Swim bath session too expensive to go ... shame Shrop. council can't do it free for over 50's and under 18s like Telford
- 3b.095 Swimming baths are always very crowded
- 3b.096 The gym needs to be extended and a hall for the swimming baths to hold exercise classes would be good
- 3b.097 The pool is too cold
- 3b.098 The weekly programme should be looked at more to suit the general public and cheaper rates for children, disabled and unemployed
- 3b.099 To offer cheaper prices
- 3b.100 Too cold!
- 3b.101 Warmer water, cleaner changing rooms at end of day
- 3b.102 Water temp. warmer, changing rooms warmer
- 3b.103 We must keep all these facilities for the younger people in the Market Drayton area
- 3b.104 Wider range of classes

3b.105 With slide and Jacuzzi, more specific toddler sessions over the weekend

### Other equipped play areas

- 3c.001 5 a side football pitch
- 3c.002 Access to Greenfields needs improving, road needs attention, parking and floodlights on pitches and footpaths to tennis and football
- 3c.003 Checks made to make sure these areas are safe for their use
- 3c.004 Children's play area needs to be expanded especially equipment for older children (town park)
- 3c.005 Clean up dog mess, litter more please. More events at appropriate venues to encourage tourism etc.,
- 3c.006 Could use more facilities for older children.
- 3c.007 Equipment needed for older children at the Hampton Drive/Stuart Way
- 3c.008 Fix baby friendly swing - Buntingsdale park
- 3c.009 Improvement to play area on Stuart way. Not up to the same standard as other recreation grounds in the town and play equipment aimed at toddlers only
- 3c.010 Indoor and outdoor children's playgrounds
- 3c.011 Infrastructure to Greenfields needs improvements - access road, footpaths, lighting, carpark
- 3c.012 Is there a way to provide challenging physical play for young people
- 3c.013 Kids park at swim baths would be nice
- 3c.014 More accessible play areas, with better & more modern equipment.
- 3c.015 More disabled access/facilities
- 3c.016 More equipped play areas by canal for above reasons and this area in Drayton is neglected
- 3c.017 More for older children
- 3c.018 More needed
- 3c.019 More needed
- 3c.020 Need more
- 3c.021 Need to have at least one of the play parks to accommodate ALL ages!
- 3c.022 Need updating
- 3c.023 One near the junior school on Alexandra Road is in good need of repair
- 3c.024 Outdoor gym, dog free play areas, update some parks play equipment (e.g. on quarry bank road)
- 3c.025 Park with walks, shrubs etc.
- 3c.026 Play areas for older children
- 3c.027 Playgrounds with a lot more play equipment suitable for all ages of children - teens
- 3c.028 Skate park covered area
- 3c.029 Somewhere for 13 - 16 year olds!!!
- 3c.030 They need to be looked after, more swings and slides.
- 3c.031 Town park play area to make bigger
- 3c.032 Town park playground needs a complete overhaul given its usage and location
- 3c.033 Tuition at skate park
- 3c.034 We must keep all these facilities for the younger people in the Market Drayton area
- 3c.035 Wheelchair accessible equipment e.g. swing & roundabout
- 3c.036 Why should play areas be just for tots? Why can't we have an adult area with exercise apparatus? It might also be popular with teenagers and stop them vandalising infants play areas.
- 3c.037 Youth club completely underutilised. Wonderful facility - not advertised.

### Sports facilities at schools in Market Drayton

- 3d.001 3g or 4g sports pitches are common at many schools. Its very disappointing that The Grove does not have one. I am sure it could be its on profit centre when costs are covered.
- 3d.002 Access
- 3d.003 Advertise what's on more
- 3d.004 All weather AstroTurf hockey at the grove school.
- 3d.005 All weather football/hockey pitch at Grove School

- 3d.006 All weather football/hockey pitch at the grove
- 3d.007 All weather hockey pitch
- 3d.008 All weather sports facilities. Better access needed to Greenfields as road full of holes, no footpath for children to walk safely, no lighting to get to Greenfields safely walking for evening training in winter, no lighting in car park. This is why I wouldn't let my children do tennis coaching as a female I am not prepared to take them to winter lessons in the dark in such a remote location.
- 3d.009 An AstroTurf facility would provide a sports legacy for all.
- 3d.010 Appalling - the only secondary school without proper facilities - but this is an ongoing saga
- 3d.011 AstroTurf pitch
- 3d.012 Availability for primary & secondary
- 3d.013 Better access at weekends & holidays
- 3d.014 Better football pitches for youth
- 3d.015 Children not in ~Drayton schools
- 3d.016 Could these or are they available for public use during evenings/weekends/holidays
- 3d.017 Designated football areas at the primary schools
- 3d.018 Facilitate e/054 supervision disciplines and health
- 3d.019 Fully developed sports centre with access for all including flood lit pitches for all year usage.
- 3d.020 Grove school has potential for expansion of sports facilities
- 3d.021 Gymnastics
- 3d.022 Hockey pitch at Grove.
- 3d.023 I think there enough areas
- 3d.024 Joint use 'all weather' hockey/sports pitch
- 3d.025 Maximise the use of The Grove generators. The grounds should be opened to the public.
- 3d.026 Mini assault courses
- 3d.027 More after school clubs
- 3d.028 More availability
- 3d.029 More needed- indoor tennis
- 3d.030 More public access allowed outside of school hours
- 3d.031 Need for an all-weather pitch, preferably hockey so league matches can be played
- 3d.032 Need more opportunity/facilities for older people - football, exercise, gym
- 3d.033 Need to ensure all schools have, or have access to, good sports facilities
- 3d.034 Needs an all-weather floodlit running track
- 3d.035 Open for more community use
- 3d.036 Open in the evenings/weekends
- 3d.037 Open to public more often
- 3d.038 Our children go to the small village schools
- 3d.039 Public access to the sports fields out of school hours. This common practice in Australia.
- 3d.040 Running track (permanent)
- 3d.041 Running Track in Grove School open to public with changing facilities
- 3d.042 Schools should be main focus
- 3d.043 Should be locally accessible
- 3d.044 Tartan track at Grove
- 3d.045 The needs of the town and school should be co-ordinated e.g. Hockey pitch at Grove School
- 3d.046 The town desperately needs an outdoor flooded AstroTurf for everyone to use
- 3d.047 Use school fields more using local publicity
- 3d.048 We badly need an Astroturf pitch at the Grove, mainly for hockey but preferably dual purpose for football as well.
- 3d.049 We must keep all these facilities for the younger people in the Market Drayton area
- 3d.050 We need a 21st Century Sports Hall at The Grove. The current facilities are old, and the sports hall too small - other towns have much newer and better facilities - we should not have to drive out of town to access them.
- 3d.051 Winter, M.D. Bowling club summer

## Q4a. What do think about the following types of healthcare provision in Market Drayton?

### Comments

---

#### Medical Services

	Q4. Medical Services	Q4a Medical Services
4a.001	Good	A high quality service, longer opening hours would be helpful
4a.002	Good	Always found satisfactory though you might have to wait a week for an appointment with the doctor you would like
4a.003	Good	An excellent facility but everyone seems over stretched which creates a feeling of not wanting to be a burden
4a.004	Good	Appointments too long
4a.005	Good	Better disabled access for disabled/lighting floor/reduced height counters
4a.006	Good	Brilliant medical centre and wonderful staff
4a.007	Good	BUT we need more because the waiting list for appointments is TOO long
4a.008	Good	Doctors & receptionists are excellent
4a.009	Good	Don not want extended hours opening
4a.010	Good	Excellent
4a.011	Good	Excellent medical centre, but very busy and understaffed.
4a.012	Good	Excellent.
4a.013	Good	Friendly, efficient and overworked
4a.014	Good	Good once you manage to get an appointment
4a.015	Good	Great Medical Services
4a.016	Good	Health Centre over-stretched, hard to get appointments sometimes & hard to get through by phone
4a.017	Good	I am happy with my GP service provided by Ashley surgery, good extended days, and support for children (lunchtime sessions)
4a.018	Good	Longer opening hours
4a.019	Good	Market Drayton Health centre is excellent
4a.020	Good	Needs longer out of hours
4a.021	Good	Our family have never had a problem
4a.022	Good	Speak to people properly and you will be well looked after
4a.023	Good	The Medical Centre appears to be well staffed, efficiently run and is an asset to the town.
4a.024	Good	Think medical centre is good, was initially concerned by large size, but it works efficiently and good facilities.
4a.025	Good	Very difficult to get an appointment - remove people from list that miss several appointments
4a.026	Good	Very difficult to get to see a preferred doctor
4a.027	Good	Very good caring
4a.028	Good	Would like to have more resources/funding available locally but in the present climate the MD Health Centre does a sterling job!
4a.029	Satisfactory	Always full
4a.030	Satisfactory	Appointments?
4a.031	Satisfactory	Can be better
4a.032	Satisfactory	Can take a long time to get an appt. with specific GP
4a.033	Satisfactory	Drop in sessions could be provided, would be helpful to working people
4a.034	Satisfactory	Evening weekend service needed. I struggle to get appointments due to working in Shrewsbury.
4a.035	Satisfactory	Extremely hard to get an appointment to see a doctor
4a.036	Satisfactory	Fully booked - mostly
4a.037	Satisfactory	Hard to get a non-urgent appointment.
4a.038	Satisfactory	I can't wait for weeks to get the doctor I am registered with

4a.039	Satisfactory	I do not use this service very often but when I have I've found it satisfactory
4a.040	Satisfactory	Long-time waiting for appointments if you want to see a particular doctor.
4a.041	Satisfactory	Medical care good but access to appointments difficult
4a.042	Satisfactory	Medical care good but access to appointments difficult
4a.043	Satisfactory	Medical care good but access to appointments difficult
4a.044	Satisfactory	Mostly good but the need to see your doctor within a few days is often not possible.
4a.045	Satisfactory	Need more doctors
4a.046	Satisfactory	Need quicker access for appointments
4a.047	Satisfactory	Need to be able to get appointments sooner
4a.048	Satisfactory	Need to be able to get appointments sooner.
4a.049	Satisfactory	Need to get the appointment system sorted out.
4a.050	Satisfactory	New doctors arrive, so no idea who to see
4a.051	Satisfactory	No complaints with Drs and nurses but service is over stretched and appointments too few to get. Why keep building more houses in town? Not enough to cover the one here already!
4a.052	Satisfactory	Not that easy to get an appointment, usually have to book a month in advance!!
4a.053	Satisfactory	Overloaded. Service is good once you are seen. 3 Weeks wait
4a.054	Satisfactory	Should work a basic shift pattern - everyone else does!
4a.055	Satisfactory	Waiting times too long
4a.056	Satisfactory	Would like to be able to see Doctor of choice in a week.
4a.057	Needs improving	1. Very little feedback 2. Delays in seeing doctors of choice.
4a.058	Needs improving	3 weeks to wait for appointments is excessive. (Current experience - booked 9/11 appt. 30/11.
4a.059	Needs improving	A 3 week wait for a non-urgent appointment is not acceptable
4a.060	Needs improving	A long wait for an appointment to see a doctor - sometimes over a week
4a.061	Needs improving	Almost impossible to see a doctor of your choice when to need to.
4a.062	Needs improving	Always difficult to get an appointment with one doctor
4a.063	Needs improving	Appointments should be more available
4a.064	Needs improving	Appointments very late, is taking nearly a month to have my contraceptive removed. Unhappy
4a.065	Needs improving	As a newcomer - North west surgeries start at 7.30am. Fobbed off a lot/ avoid going! Would like to CHOOSE my doctor*
4a.066	Needs improving	Attempts to cope with change and budgets failing
4a.067	Needs improving	Can be difficult to get a timely appointment
4a.068	Needs improving	Can never get an appointment
4a.069	Needs improving	Can never get an appointment when needed. If you try to get a same day appointment it is impossible to get an appointment with a doctor and you get a triage nurse instead. In the past this had caused several appointments with my daughter who had a throat infection as she was provided the incorrect medication initially which dragged on the illness into 2 weeks. Also once turned up at the medical centre with my daughter covered in rashes. I was asked to go home to phone up to get an appointment. Unbelievable!
4a.070	Needs improving	Can never get into the doctors
4a.071	Needs improving	Can't easily get an appointment with GP of your own choice.
4a.072	Needs improving	Can't get appointments
4a.073	Needs improving	Can't get appointments
4a.074	Needs improving	Can't get doctors' appointments
4a.075	Needs improving	Could do with 1 doctor having open surgery
4a.076	Needs improving	Demoralised bus to underfunding and government diktats (junior Drs especially)
4a.077	Needs improving	Difficult getting more urgent appointments
4a.078	Needs improving	Difficult to get an appointment when required
4a.079	Needs improving	Difficult to get appointments and then asked to check to make sure referrals have been sent
4a.080	Needs improving	Difficulty in getting an appointment (and I have cancer!!)

4a.081	Needs improving	Do not use Market Drayton Health Centre but hear very poor reports
4a.082	Needs improving	Doctors don't listen to patients they just think about £ or just ignore patient needs
4a.083	Needs improving	Ever tried to get an appointment.
4a.084	Needs improving	GP waiting times too long. GP practice too big - 2nd practice need.
4a.085	Needs improving	I am registered at Hodnet Medical Centre, but an elderly friend (92) always seems to have difficulty seeing a doctor at MD Med. Centre when he feels unwell. Appointments are only available several days away.
4a.086	Needs improving	I can only ever see locum doctor
4a.087	Needs improving	It's so hard to get an appointment
4a.088	Needs improving	LESS waiting times
4a.089	Needs improving	Long waiting times
4a.090	Needs improving	Longer opening hours
4a.091	Needs improving	Longer opening hours
4a.092	Needs improving	Main problem waiting times
4a.093	Needs improving	Medical practice has 2 - 3 very good Dr's but you can't get an appointment with them so you're left with very inexperienced doctors. No community support for out of hours assistance
4a.094	Needs improving	More funds for more doctors so you can get an appointment when you need one
4a.095	Needs improving	Needs longer opening hours for working people to be seen
4a.096	Needs improving	Needs to expand number of doctors, types of clinics and opening hours for us that work or change the way the appointment system works so that when you are ill you can get to see the doctor of your choice at the time.t system
4a.097	Needs improving	Never get to see the same doctor twice and appointments are at least two weeks in advance
4a.098	Needs improving	No ataxia medical knowledge. Children/adults die with it. No help.
4a.099	Needs improving	No weekend/evening cover
4a.100	Needs improving	Not enough
4a.101	Needs improving	Not having to travel out to hospital unnecessarily
4a.102	Needs improving	Not having to wait for weeks to see a doctor
4a.103	Needs improving	Patient list too large
4a.104	Needs improving	Problems seem to be due largely to issues within the wider health economy. Aware that Practice is beginning to tackle difficulties. Significant issues with transport for hospital appointments.
4a.105	Needs improving	Quicker appointments
4a.106	Needs improving	Quicker appointments.
4a.107	Needs improving	Receptionist "playing god" over you needing appointment if you can get it
4a.108	Needs improving	Ridiculous address should be town centre
4a.109	Needs improving	Rude receptionists who act way above their pay roll and GPs who actually care, more in the mould of <i>named doctor</i>
4a.110	Needs improving	Saturday/Late night appointments
4a.111	Needs improving	Services at Ashley Surgery are very inefficient and waste a lot of time. Some services are very limited
4a.112	Needs improving	Severe and unacceptable delays in obtaining GP appointments
4a.113	Needs improving	Some of the 'services' at the Doctors are very poor - they need to extend opening hours and NOT close at lunchtime
4a.114	Needs improving	Specific issues of waiting list for over 2 weeks for an appointment. Not acceptable.
4a.115	Needs improving	Takes too long to get an appointment
4a.116	Needs improving	Takes too long to get an appointment. Doctors more concerned with money than health care.
4a.117	Needs improving	Terrible service, appointments take far too long, non-medical staff ask for health details, not open lunchtimes & weekends
4a.118	Needs improving	The last 2 appointments I have had to make I have had to wait 2 weeks for a standard appointment. This is unacceptable and I am currently looking at other practices in the area to swap to.

4a.119	Needs improving	The practice is ruled by inefficient managers who act like gods as to whether you actually get to see a doctor
4a.120	Needs improving	Time between making an appointment and actual date too long
4a.121	Needs improving	To long waiting for appointments.
4a.122	Needs improving	Too long a wait to see a specific doctor
4a.123	Needs improving	Too long to get suitable appointment. Otherwise ok.
4a.124	Needs improving	Too long to wait for appointments
4a.125	Needs improving	Too many phone calls for appointment service, poor
4a.126	Needs improving	Too many residents for the surgery to cope with at surgery needs improving to cope
4a.127	Needs improving	Unacceptable delay for appointments why no service on Saturday?
4a.128	Needs improving	Very hard to get a doctor's appointment.
4a.129	Needs improving	Very inefficient and wastes a lot of time at Ashley. Need to go to other places for treatments.
4a.130	Needs improving	Waiting 3 weeks at a time to see a doctor is ridiculous.
4a.131	Needs improving	Waiting time for appointments
4a.132	Needs improving	Waiting time to see the doctor
4a.133	Needs improving	Waiting time too long for appointments.
4a.134	Needs improving	Waiting times for appointments can be too long
4a.135	Needs improving	Waiting times for appointments is too long
4a.136	Needs improving	Waiting times for appointments too long. Many admin problems
4a.137	Needs improving	Waiting times for appointments with doctors is appalling. You need an appointment when you are ill, not a week later!
4a.138	Needs improving	Waiting times for doctors' appointments should be shorter
4a.139	Needs improving	Waiting times for routine appointments at Drayton Medical Practice are too long. 7 - 10 days for a routine appointment is far too long and suggests that the service does not have enough staff.
4a.140	Needs improving	Waiting times too long to see usual doctor
4a.141	Needs improving	Walk in clinic also Saturday opening
4a.142	Needs improving	Walk in surgery, evening surgery
4a.143	Needs improving	We have a number of vet surgeries, A 2nd surgery competition
4a.144	Needs improving	We need a small A and E to prevent long trips to other towns
4a.145	Needs improving	We need a small A and E to prevent long trips to other towns
4a.146	Needs improving	We need a small A and E to prevent long trips to other towns
4a.147	Needs improving	We need more GP surgeries
4a.148	Needs improving	We use Hodnet medical centre which is very good, but an elderly friend has enormous difficulty getting and appointment at Drayton.
4a.149	Needs improving	We wait too long to see a GP or a nurse
4a.150	Needs improving	Why take half an hour to have a phone call answered. Why not a walk-in surgery.
4a.151	Needs improving	Would like to see a doctor a lot earlier than a fortnight of your choice
4a.152	Needs improving	X-ray would be good, reinstate cottage hospital
4a.153	Needs improving	You need at least 1 weeks' notice to be ill!!
4a.154		Looks good
4a.155		Medical practice is in Hodnet
4a.156		My GP is in Audlem
4a.157		Our GP is in Newport
4a.158		Use Hodnet

## Dental Services

	<b>Q4 Dental Services</b>	<b>Q4a Dental Services</b>
4b.001	Good	Caring and efficient
4b.002	Good	Expensive
4b.003	Good	Go to private. Excellent.

4b.004	Good	My dentist is very good but I do not know about the provision of NHS dentists in Market Drayton
4b.005	Good	No problems
4b.006	Good	Not enough NHS
4b.007	Good	Not much in the way of NHS provision
4b.008	Good	Only 'good' as we have managed to register with NHS dentist
4b.009	Good	Seem good
4b.010	Needs improving	2 years on a waiting list and still no sign of being taken on as a NHS patient. Yet Whitchurch and Newport have spaces which suggests that Market Drayton doesn't have the necessary funding from the Dept. of Health or local dentists are more interested in taking on private patients.
4b.011	Needs improving	Are there any NHS dental facilities?
4b.012	Needs improving	Cannot get NHS treatment
4b.013	Needs improving	Could be much improved
4b.014	Needs improving	Couldn't find an NHS dentist with spaces for new patients
4b.015	Needs improving	Desperately need NHS dentist.
4b.016	Needs improving	Difficult to get an appointment when required
4b.017	Needs improving	Difficult to get an NHS dentist
4b.018	Needs improving	Difficult to get NHS care, dentists want private patients not NHS.
4b.019	Needs improving	Do we have on other than private
4b.020	Needs improving	Ever tried to get an appointment.
4b.021	Needs improving	Far too expensive
4b.022	Needs improving	For NHS patients.
4b.023	Needs improving	Had to go privately NHS far too prolonged
4b.024	Needs improving	Hardly any NHS
4b.025	Needs improving	Have to use a dentist in Newport
4b.026	Needs improving	I can afford to pay privately (I am very fortunate in that regard) but many cannot and I believe NHS spaces are a rarity - this must change!
4b.027	Needs improving	I go to Shrewsbury for NHS.
4b.028	Needs improving	I have to travel to Crewe for NHS care.
4b.029	Needs improving	I have to travel to stoke for my NHS dental care, as no available services closer.
4b.030	Needs improving	I have to travel to Stoke per dental treatment & my daughter to Shrewsbury
4b.031	Needs improving	Impossible to get NHS treatment in Drayton - we have to go to Shrewsbury
4b.032	Needs improving	IN desperate need of more NHS dentists
4b.033	Needs improving	Insufficient clinics to accommodate population NHS
4b.034	Needs improving	It is impossible to get into a NHS dentist in Market Drayton!
4b.035	Needs improving	It seems impossible to get a NHS dentist
4b.036	Needs improving	Limited choice especially for NHS patients
4b.037	Needs improving	More access of accepting NHS patients
4b.038	Needs improving	More dental practices required to reduce waiting times
4b.039	Needs improving	More dentists needed
4b.040	Needs improving	More for people on low funds. NHS
4b.041	Needs improving	More National Health dentists
4b.042	Needs improving	More NHS dentists
4b.043	Needs improving	More NHS dentists required
4b.044	Needs improving	More NHS dentists. I had to wait 2 years
4b.045	Needs improving	More NHS places for adults
4b.046	Needs improving	More NHS provision
4b.047	Needs improving	More NHS provision
4b.048	Needs improving	More NHS services
4b.049	Needs improving	More NHS spaces needed!
4b.050	Needs improving	More provision for NHS dentists.
4b.051	Needs improving	Moved here 41/2 years ago and cannot get to see a national health dentist

4b.052	Needs improving	Moved here in 2014 and cannot get registered at an NHS dentist
4b.053	Needs improving	My (private) dentist is in Nantwich, couldn't find one here when I looked on NHS website. See recently there are a few more listed now, but this diverts spending away from Market Drayton shops as when I go I will also go shopping in Nantwich
4b.054	Needs improving	Need more information
4b.055	Needs improving	Need more NHS dentists in Market Drayton
4b.056	Needs improving	Need more NHS dentists in town who take adults who receive NHS services and children without fee paying adults
4b.057	Needs improving	Need more NHS dentists!
4b.058	Needs improving	Need more NHS dentists.
4b.059	Needs improving	Need more NHS dentists. Can't afford some private treatments
4b.060	Needs improving	Need NHS dentist
4b.061	Needs improving	Need quality improvement NHS access
4b.062	Needs improving	Needs more dentists
4b.063	Needs improving	NHS access needed
4b.064	Needs improving	NHS dentist required
4b.065	Needs improving	NHS dentists
4b.066	Needs improving	NHS is impossible
4b.067	Needs improving	No NHS
4b.068	Needs improving	No NHS
4b.069	Needs improving	No NHS spaces
4b.070	Needs improving	No NS
4b.071	Needs improving	Not able to get a NHS dentist.
4b.072	Needs improving	Not enough
4b.073	Needs improving	Not enough dentists
4b.074	Needs improving	Not enough NHS dentists
4b.075	Needs improving	Not enough NHS places
4b.076	Needs improving	Not enough NHS places available
4b.077	Needs improving	Not enough NHS places available
4b.078	Needs improving	Not enough NHS provision
4b.079	Needs improving	Over a year wait to register
4b.080	Needs improving	Poor NHS coverage
4b.081	Needs improving	Should be more NHS dentists available
4b.082	Needs improving	St Mary's practice rated as poor
4b.083	Needs improving	There are no orthodontic in Market Drayton
4b.084	Needs improving	They do so much and no more
4b.085	Needs improving	Very poor NHS service. We now pay to go to a good private dentist.
4b.086	Needs improving	We need more dentists for adult NHS
4b.087	Needs improving	We need more NHS dentists practice with population explosion.
4b.088	Needs improving	We need more NHS dentists. We have to travel to Nantwich for an NHS dentist.
4b.089	Needs improving	We've been waiting over 12 months to get onto a NHS dentist.
4b.090	Needs improving	When we moved to the area we could not find a National Health dentist in the town and are now registered with one in Wellington.
4b.091	Satisfactory	Can be better
4b.092	Satisfactory	Can take a long time to get an appt. with specific dentist
4b.093	Satisfactory	Getting better
4b.094	Satisfactory	Good service, but now have to wait longer for appointments.
4b.095	Satisfactory	If you can find NHS one taking new patients
4b.096	Satisfactory	More NHS Dentists.
4b.097	Satisfactory	More NHS places would be good
4b.098	Satisfactory	Pay private for dental services
4b.099	Satisfactory	Should be more NHS dentists
4b.100	Satisfactory	Very hard to get on NHS list

4b.101	Satisfactory	Would like to have more NHS dentist
4b.102		Dental practice is in Telford
4b.103		Dentist in Shrewsbury
4b.104		Don't know my dentist is in Trent Vale - Stoke
4b.105		Don't know, we have to go to Wellington
4b.106		Don't use them, attend at Whitchurch
4b.107		Have to go out of town to get a NHS dentist
4b.108		I have been NHS for 65 years & now cannot get one.
4b.109		I have no knowledge or need for these so cannot comment
4b.110		I use private dentist
4b.111		My dentist is in Madeley
4b.112		New to the area
4b.113		No experience yet
4b.114		Not needed
4b.115		Use Newport
4b.116		Use out of town
4b.117		We do not use dental facilities in Drayton

## Chiropody Services

	<b>Q4. Chiropody Services</b>	<b>Q4a. Chiropody Services</b>
4c.001	Good	No problems
4c.002	Good	Not enough NHS
4c.003	Needs improving	As a diabetic I found that National Health chiropody services available to me were very limited compared to those where we lived previously.
4c.004	Needs improving	Daughter had a very long painful wait for an appointment
4c.005	Needs improving	Go private
4c.006	Needs improving	Need more information
4c.007	Needs improving	Need more NHS
4c.008	Needs improving	Needs to open on Saturdays.
4c.009	Needs improving	No NHS
4c.010	Needs improving	Not a lot of choice in town
4c.011	Needs improving	Took ages to get an appt. so ended up going private
4c.012	Satisfactory	Can be better
4c.013	Satisfactory	Cannot comment - as I have no experience - so have marked as satisfactory
4c.014	Satisfactory	Looks like there are enough, but again I do not know about NHS services.
4c.015	Satisfactory	More awareness
4c.016	Satisfactory	Never used
4c.017	Satisfactory	Private provision is more accessible. NHS ok (ish)
4c.018		Good
4c.019		I have no knowledge or need for these so cannot comment

## Chiropractor Services

	<b>Q4. Chiropractor Services</b>	<b>Q4a. Chiropractor Services</b>
4d.001	Needs improving	Are there any NHS ones?
4d.002	Needs improving	Did not know we had one always had to go private
4d.003	Needs improving	long waiting times 12 weeks +
4d.004	Needs improving	More NHS services
4d.005	Needs improving	Need more NHS
4d.006	Needs improving	waiting time for treatment too long

4d.007	Satisfactory	Can be better
4d.008	Satisfactory	Cannot comment - as I have no experience - so have marked as satisfactory
4d.009	Satisfactory	Expensive
4d.010	Satisfactory	More awareness
4d.011	Satisfactory	Never used
4d.012	Satisfactory	Seems to be enough
4d.013		Osteopathy service very good
4d.014		Too many scooters, they are a danger
4d.015		Use out of town

## Mobility services

	<b>Q4. Mobility Services</b>	<b>Q4a. Mobility Services</b>
4e.001	Good	Terrific services when I need a special bed.
4e.002	Needs improving	Don't know haven't had to use them yet.
4e.003	Needs improving	More information about what is available
4e.004	Needs improving	Need walkers, crutches etc available on the NHS
4e.005	Needs improving	Not enough
4e.006		Nothing available when needed except from red Cross in Whitchurch Hard to find out about it
4e.007	Needs improving	Only available if you have the money to pay for it
4e.008	Needs improving	Shop mobility as Shrewsbury, Telford
4e.009	Needs improving	Surfaces needs auditing due to unlevel
4e.010	Needs improving	There is one?
4e.011	Needs improving	What mobility services????
4e.012	Satisfactory	Cannot comment - as I have no experience - so have marked as satisfactory

## Homecare Services

	<b>Q4. Mobility Services</b>	<b>Q4a. Mobility Services</b>
4f.001	Needs improving	Don't know haven't had to use them yet.
4f.002	Needs improving	Have not the knowledge Ataxia. Ataxia have specialised hospitals which person sent straight away North Staffs have no knowledge children die/adult/they go blind overnight on web Ataxia UK
4f.003	Needs improving	More NHS services at a higher standard
4f.004	Needs improving	More providers
4f.005	Needs improving	Never good enough
4f.006	Needs improving	Not enough
4f.007	Needs improving	Not enough carers
4f.008	Needs improving	Not enough time allocated to each person
4f.009	Needs improving	Not enough time allocated to each person
4f.010	Needs improving	Training standards for care staff with some companies fall below good
4f.011	Needs improving	Under resourced
4f.012	Needs improving	Very limited
4f.013	Satisfactory	But improvements needed for young women members of staff to be more caring and aware of older people's needs
4f.014	Satisfactory	Cannot comment - as I have no experience - so have marked as satisfactory
4f.015	Satisfactory	Not used
4f.016	Satisfactory	Salopian/DHC/Direct Health, RADIS some good some not
4f.017	Satisfactory	We must keep this service in Market Drayton. Not having to go elsewhere

## Other

	Q4. Other	Q4. Other Services - Please specify	Q4a. Comment
4g.001	Good	Breastfeeding support	More support for breastfeeding mums, e.g. Breastfeeding cafes and infant feeding teams.
4g.002	Good	Hearing	Very good
4g.003	Good	Physiotherapy	Very good
4g.004	Good	Pharmacy	Pharmacy - excellent services
4g.005	Good	Physiotherapy	
4g.006	Good		Free disabled parking in town car parks please
4g.007	Good		Optometry - always forgotten
4g.008	Needs improving		Care of the elderly
4g.009	Needs improving		Health visitors need to be visiting more often, especially those with young children on low income
4g.010	Needs improving		Raven House should be acquired as a community asset and as an interim measure parking by able bodied council staff in disabled spaces should be a disciplinary offence.
4g.011	Needs improving		Where I live there are none of the above local facilities - more and more houses built but NO facilities or transport!
4g.012	Needs improving		Access to hospitals need to be improved, suitable transport available to get to Telford or Shrewsbury.
4g.013	Needs improving		Healthcare only offered to confirmed British citizens
4g.014	Needs improving		Market Drayton needs an improved and more centralised Ambulance Station, staffed by professional clinicians, NOT community first aid volunteers.
4g.015	Needs improving		Mental health support
4g.016	Needs improving		Physiotherapy - Why is this so difficult to get into?
4g.017	Needs improving		Preventative medicine
4g.018	Needs improving		Some or all these services should occupy the medical practice and Raven House
4g.019	Satisfactory		More access of accepting NHS patients
4g.020			Better transport services/ voluntary drivers etc. for shopping , appointments
4g.021			Only just moved into area, found it extremely easy and efficient to register and use.
4g.022			Other than medical centre and dentistry I do not have enough experience of the other services to make a judgement
4g.023			Population is increasing way beyond current capacity with proposed houses going up everywhere
4g.024			The actual services provided are good however the problem is an issue with appointment times and often the situation has deteriorated by the time appointment is held
4g.025			Way too long to get a routine appointment with specific GP, even over 80's who are supposed to have their own GP. Appointments can be be more that 3 or 4 weeks away. Sometimes GP's are so booked up that future dates haven't even been released.
4g.026			Need 'walk in' surgery - perhaps once a week
4g.027			Need 'walk in' surgery - perhaps once a week
4g.028			Need 'walk in' surgery - perhaps once a week
4g.029			Overall services not bad but doctors.
4g.030			Physiotherapy services would be good
4g.031			Re dentist. The only NHS dentist has a closed list (refuses to let me go on waiting list) so I have to go 25 miles to my old one!

**5. Would you support the sale of part or the whole of the Greenfields sports site in order to provide enhanced sports facilities elsewhere, (e.g. on Betton Road or at Longford Turning), to be accessed without crossing the A53 Market Drayton bypass. Add any comments here...**

---

	<b>Q5.</b>	<b>Q5a. Add any comments here...</b>
5.001	No	1. Just improve the access road 2. Use the old 'Buildbase' site.
5.002	No	Already very very good
5.003	No	As once Greenfields sites start to be sold, then it is a down ward slope, and we would end up losing too many greenfield sites.
5.004	No	Betton Rd unsuitable for expansion
5.005	No	Betton Rd. would need drainage by its appearance.
5.006	No	Definitely not, needs to be kept & facilities improved
5.007	No	Definitely no. If these facilities are taken out of the town it hugely discriminates against children or families who do not drive. They would not be able to use anything. This would also have a knock on effect on other businesses as people go into town after football/tennis to use cafe's or bars.
5.008	No	Definitely would NOT support sale of Greenfields.
5.009	No	Development of this site is pretty silly it is fairly waterlogged and the un-adopted road is potholed - why no requirement to adopt - charge to developer when existing estate planned. Men's shed tennis football walking. Football are family jewels and should be registered as community assets to protect from development. Sell to clubs on site at present not speculative prices.
5.010	No	Efforts should be made to keep facilities within the local bus route
5.011	No	Enhance what we already have!
5.012	No	Especially if the site were to be used for more housing. Off should be retained.
5.013	No	Facilities need to be in town for safety reasons so that children can walk there easily
5.014	No	Further facilities need to be in addition to
5.015	No	Greenfield is an excellent facility and is in a good central position
5.016	No	Greenfields already provides this easy access! What kind of a question is that? Turning and Betton Rd. would both have to be on the other side of the A53 as there is no room on either road this side of the bypass.
5.017	No	Greenfields has been built up over the years and is situated in a good area within the town, there is also more space there to include an all-weather football pitch
5.018	No	Greenfields is a better site, well situated and sale for housing is not needed - no shortage of housing sites.
5.019	No	Greenfields is an asset.
5.020	No	Greenfields is better located than other sites considered for access from the town. It just needs redevelopment.
5.021	No	Greenfields is very well used and established it is also handy for all.
5.022	No	Greenfields is within walking distance of the town. On the bypass you would have to use the vehicles.
5.023	No	Greenfields sports site is in the ideal position why change? Longford Turning and Betton Road are more out of the way.
5.024	No	Greenfields works well - leave it alone!
5.025	No	Greenfields works well. It is pie in the sky to think of providing enhanced facilities no money - also everyone can walk to Greenfields.
5.026	No	Hugely under hectareage for current population let alone increasing population. Greenfields site needs expanding - close to town centre, flat land good quality. Much land

		off by pass is prone to flooding. Sports council directories 'like for like or better' if facilities to ultimately more.
5.027	No	I don't think Belton road or Longford Turning is good idea. I think it would be dangerous for children to get to them on their own. It would put some children off going.
5.028	No	In the 70s when our son was playing football pitches were very difficult to find. Greenfields is a very well established site and should be kept. A lot of time and money has been given to get it as good as it is.
5.029	No	It is ideal where it is now
5.030	No	It would be a huge shame for Greenfield to be all or partly sold after all the hard work put into developing what is already there! Seems silly and a waste of money to move it!
5.031	No	Leave green fields alone
5.032	No	Market Drayton needs a park
5.033	No	Money would only get wasted
5.034	No	More investment needed to improve facilities
5.035	No	Need more information to really make an informed decision.
5.036	No	Needs to be as close to the town centre as possible. Parents need to be able to know their children can walk, cycle safely in close proximity to their homes.
5.037	No	New facilities need planning and complete building before asset stripping. The way questions are asked here in survey are biased.
5.038	No	NIMBY
5.039	No	No because it's current location is good and it provides a broad spectrum of facilities in one area.
5.040	No	Not sure
5.041	No	Nothing wrong with Greenfields
5.042	No	Once playing fields are lost they tend not to be improved elsewhere.
5.043	No	People living adjacent to Greenfields knew about it when they moved in. It should not be 'foisted' onto other parts of the town. 'Enhance' the current site.
5.044	No	Selling part of green fields is narrow minded and not caring for the future!
5.045	No	Sports and open space should always be retained unless part of a redevelopment that includes greater amenity and sports facilities.
5.046	No	the 2 proposed areas don't offer sufficient additional space to compensate for the loss of Greenfields
5.047	No	The 2 proposed areas don't offer sufficient additional space to compensate for the loss of Greenfields
5.048	No	The emphasis of any future development should be based on established access to town facilities.
5.049	No	The facilities are more accessible in the town
5.050	No	The more wide spread the facilities, the more people can access particularly for children allowing access without the need for the use of a car.
5.051	No	The sale of Greenfields would only encourage building of houses and, given current policy, it is likely that such houses would add extra burden to existing facilities such as medical provision without any additional infrastructure being provided. There is an emerging imbalance between the provision of infrastructure facilities, including medical provision and the as yet absent cottage hospital. In short, you can't just build houses without building the other things the people who live in those houses will actually need.
5.052	No	This area would just become a sea of housing. Housing needs to be broken up with more green spaces
5.053	No	We have enough new building schemes in the town without building on the Greenfields
5.054	No	What is the guarantee of better facilities for young people. Greenfields is easily accessible independently unlike Maurice Chand Centre.
5.055	No	Why do we need more sports facilities at Longford Turning with the attendant problems it would create re. Parking etc.?
5.056	No	Why not improve what is there already rather than more services
5.057	No	Why spend money to acquire this when there is already a facility at Greenfields that could be improved at a fraction of the cost of creating a new one.

5.058	No	Why would we want to move from Greenfields? It's an excellent centre for sport and accessible
5.059	No opinion	Access to and from the site is difficult (when they were younger my children played tennis there. But it's no use moving sports facilities for ease of access and then building a housing estate with the same problems.
5.060	No opinion	Accessibility important.
5.061	No opinion	Any location that would be a good location for a multi-complex site.
5.062	No opinion	Didn't realise where the Greenfields sports site was until just.
5.063	No opinion	Do not use sports facilities
5.064	No opinion	I do not know enough about the proposals to comment e.g. what the improvements would be. To move away from the town centre would need a strong justification.
5.065	No opinion	Only and only if facilities are improved and none are lost
5.066	No opinion	Would depend on the detail of the proposal
5.067	Yes	A centre similar to that of Prees that could support football, hockey, rugby, tennis & even cricket would become self-funding through time. Ideally 2 4g pitches for kids' development & adult exercise would be used very regularly in my opinion.
5.068	Yes	As listed, we need combined sports facilities at, e.g. the Grove - an AstroTurf pitch for both hockey and soccer.
5.069	Yes	As long as all current clubs at greenfield are catered for on one site
5.070	Yes	As long as enhanced tennis facilities are provided and all sports clubs are consulted
5.071	Yes	As long as new sports facilities were provided locally
5.072	Yes	As long as the right thing and area for the town without worrying on how to access it.
5.073	Yes	Betton Road yes, Longford Turning no. Betton Road could link with Grove School and both be central and ease of access - unlike Maurice Chandler
5.074	Yes	But enhanced tennis facilities should be provided and all sports clubs should be consulted with
5.075	Yes	But enhanced tennis facilities should be provided and all sports clubs should be consulted with.
5.076	Yes	But not if it means more social housing. There's hardly anywhere in Market Drayton where you can get away from it. Every time anything is sold off it always means more housing - Market Drayton facilities are not big enough to cope with more.
5.077	Yes	But only if the new facilities are protected before the Greenfields site is closed and a sports centre is included in the plans.
5.078	Yes	Great idea
5.079	Yes	I also support access crossing the A53
5.080	Yes	I would agree to this, but, only if the new facilities would be built first and that the sale of Greenfields covers the full cost of the new facilities.
5.081	Yes	I would only support a partial sale of the site not the whole site.
5.082	Yes	I would, but it would be better not to sacrifice any pitches on Greenfields. For me , the URGENT need is for high quality indoor facilities (with a hall big enough for all activities - the Grove hall is dated and too small), PLUS a multiuse AstroTurf to accommodate both hockey and football. In an ideal world, 2-4 outside 5-a-side pitches in addition to the above would be great. I believe better sports facilities will attract more people to the town as well as giving Drayton people the facilities they deserve. We have some great sports clubs, particularly football, rugby and cricket and we need good facilities to encourage participation and to nurture Drayton talent
5.083	Yes	If new facilities done first and number of pitches was same or greater
5.084	Yes	If that is what participants of green fields want
5.085	Yes	If the enhance sports facilities were appropriate. for the town's needs
5.086	Yes	Look at other areas
5.087	Yes	Market Drayton need to enhance its sport facilities. It is very important for health and fitness
5.088	Yes	More facilities for youth/teenagers
5.089	Yes	Need more sports facilities for our younger community

5.090	Yes	Needs development to accommodate increasing population business interest and additional people into community
5.091	Yes	Not for housing
5.092	Yes	ONLY if enhanced provided as above!
5.093	Yes	Only if improvement on existing
5.094	Yes	Parking and access to parking. Sometimes there are dozens of cars arriving and leaving at same time
5.095	Yes	Part sale only to provide more facilities
5.096	Yes	Provided the access to new proposed sites is considered with due regard for residents
5.097	Yes	Provided the redevelopment occurred prior to, or in tandem with, the sale of Greenfields.
5.098	Yes	Providing it was replaced with improved facilities within the town.
5.099	Yes	Providing tennis facilities are provided
5.100	Yes	Put funds into the Grove school. Maximise the use of that valuable asset fence it and develop it.
5.101	Yes	quality is out of date
5.102	Yes	Respondent has crossed out 'or the whole' from the question
5.103	Yes	Something is required to encourage older children to leave play parks alone.
5.104	Yes	Space needs to be adequate to cover all requirements including changing /rest areas
5.105	Yes	Strongly agree
5.106	Yes	The committee of Market Drayton Tennis Club support the sale of part or the whole of Greenfields as long as enhanced tennis facilities are provided that the tennis club and all other sports clubs are consulted every step of the way   Comment Q1 commented "(Market Drayton Tennis Club)" next to 'Sports Clubs'
5.107	Yes	The sports clubs have to leave the past behind & move forward. Hockey lacks facilities & all weather football for youngsters
5.108	Yes	The town is growing & needs more sports provision for all ages to be able to participate
5.109	Yes	Yes - but enhanced tennis facilities should be provided and the tennis club and all other sports clubs should be consulted at early/inception stage and every step of the way
5.110	Yes	Yes as long as an improved/enhanced facility was provided which catered for ALL sports currently at Greenfields and more. Sports clubs should be consulted re. Wish lists, early on in the process and throughout.
5.111	Yes	Yes but only if the new facilities is built first and is better than current facilities
5.112	Yes	Yes it would be better for access, better club house etc., also indoor or all weather pitch. Better parking could be provided
5.113	Yes	Yes! If there was a better/equal replacement
5.114	Yes	Yes, but the facilities need to improve or be enhanced. The Tennis Club and other clubs appreciate if they are kept informed and consulted throughout the process and of any plans as it will no doubt impact on our facilities and its future.
5.115	Yes	Yes, IF better facilities are required!
5.116		As long as it's not a 'cheap' job like Safeway/swimming pool....
5.117		Definitely not sale of whole site, perhaps sale of part of it.
5.118		Depends on type of facilities, an extra slide or swing is not enough
5.119		If this means that even more housing is built on the Greenfields site without extra provision for schools, doctors etc. then I do not agree. But enhanced facilities at Greenfields would be a good idea.
5.120		It depends what "enhanced sports facilities" are then I would make a decision on support
5.121		It would depend on what was going to be developed on the site - i.e. housing /supermarket /industry etc.
5.122		Not familiar with this area
5.123		Not if this area is already in use by other clubs etc.
5.124		Not sure that 'enhanced' sports facilities would actually equate/replace what would be best.
5.125		Not sure what is meant by this question. If it means selling it for housing or a supermarket... then no.

- 5.126 The more sports facilities the better, keep people in the town instead of having to go elsewhere.
- 5.127 Where??

**Q7. If you have answered Yes to the above question, what transport difficulties do you have getting around Market Drayton? Against Q6. Presently do you have any transport difficulties getting around any part of Market Drayton?**

---

	<b>Q6.</b>	<b>Q7. If you have answered Yes to the above question, what transport difficulties do you have getting around Market Drayton?</b>
7.001	Yes	Bollards between Main Street and Queen Street prevent pushchairs getting through - Parking hard with 2 children - no parent and baby spaces so regularly get blocked in as can't get child car seat back in until cars return
7.002	Yes	1. Congestion can be a problem 2. Parking on a Wednesday can be very difficult
7.003	Yes	2 blackspots, both due to parked cars restricting main road to one way at a time 1. Shrewsbury Road from Victoria Road exit to close to Methodist chapel. 2. Newcastle Road from mini roundabout close to Asda to Great Hales St. (Bus stop outside council flats allows some 2 way flow but only partially resolves situation.
7.004	Yes	A lack of 'wide' disabled parking so you don't have to get into a wheelchair (driver) in the line of traffic e.g. outside Boots, outside P.O.
7.005	Yes	Access to local bus services from Red Barn Road Abbots Gate. The development was built with no thought for the elderly or disabled being able to get a bus.
7.006	Yes	Alexandra road to and up to Adderley road before the bridge over the old railway line. This road is in bad condition and needs resurfacing. In winter it also needs gritting especially early before 6.00am as it becomes a skate park of vehicles.
7.007	Yes	Although the authorities don't seem to understand, the greatest negative aspect to the improved success of Drayton is the car parking hassle. Two factors: 1 Nowhere enough parking places 2 Parking fees It's not the cost of parking - it's finding the right coinage - locking and unlocking the car 4 times - in the rain/snow and wind. Put a couple of quid on the rates for everyone and make it free. O.K. you don't use a car - but I don't use the Library.
7.008	Yes	As a bike is my only personal form of transport the state of the roads are appalling tipping a shovel full of black ramming is not a repair. It's purely cosmetic. Thank goodness for the town circular Bus- Long may it last.
7.009	Yes	As parents of twins, many pavements too narrow, in particular hill down to leisure centre.
7.010	Yes	Audlum Road closed
7.011	Yes	Bus service along the A529 is catch 22 Not used because does not get passengers because it is not suitable to get people to work and back. Use of school buses as service buses, once routing was ignored by drivers. I.e. you flagged them down. They did not stop, advertise, enforce. Come back 'Blakey' on the buses still is fortune.
7.012	Yes	Bus service to & from Norton -in-Hales
7.013	Yes	Bus timetables have been cut making it very difficult to get to different villages etc. The direct route loss to Telford was such a bad move for the town
7.014	Yes	Buses do not run on Sundays. Improvement of bus timetables especially Market Drayton to Wellington needs to be every hour Mon - Sat.
7.015	Yes	Cycling - need more cycle paths
7.016	Yes	Difficulty parking near pedestrianised area makes my access difficult
7.017	Yes	Disabled parking
7.018	Yes	Do not drive 2hr bus service from Stoke on Tern
7.019	Yes	Getting from Norton to Market Drayton with no buses, no car, and on benefits means £8 per way in 2 taxis is too much and walking for 1hr 45 mins with a 1 year old is out of the question.

7.020	Yes	Great Hales Street needs to be one way along the entire length of it, or the walls need to be re-built on the residential side and the footpaths on the school side re-sited on the other side of the Grove school wall which also needs knocking down and rebuilding or replacing by a fence.
7.021	Yes	I am not quite answering the same question. My own problem is getting to Crewe railway station. No bus service to Crewe at all. Taxis are horrendously expensive for this journey.
7.022	Yes	I am not sure if this is relevant to this question ... but I really think there should be buses to Drayton from Chipnall, Hales, Doley, Soudley & Cheswardine. If only 3 or 4 a day. Also I would love the train service to return - Drayton to Stoke & Drayton to Crewe maybe.... (Then you could change trains..) and get to loads of places - easily - from Drayton
7.023	Yes	I am registered disabled. I cannot use the local bus service as it doesn't come near my home and I can't walk up the hill to where it does stop (1/4 mile) if I lived alone I couldn't go out.
7.024	Yes	I cannot use the town service bus to get to the Maer Lane Medical centre, without going 2 times around the top end of town first, and I would be on the bus for around 55 minutes. Why can't the bus do alternate runs, Dalelands, Rowan Road, like it did in the beginning. We pay the same taxes as the top end of town, but only get one bus an hour.
7.025	Yes	I can't get to Market Drayton without a car as there is no bus service
7.026	Yes	I normally drive, without a car it would be a long walk up Wordsworth drive and Buntingsdale road to catch a bus on the main road. Dalelands gets a bus service; with the rates that we pay a mini-bus a couple of times a day even for a school run would help. We have no railway station and a very poor Sunday bus service. I can't walk far and to be able to park in the town easily would help.
7.027	Yes	I think there should be more service for just outside Drayton for people to use who need it.
7.028	Yes	If I need to take a parcel to the post office. I will NOT use the post office car park
7.029	Yes	If you have to go to doctors or Morrisons you would have to have a taxi as no bus service from where I live, or walk from the bus rank
7.030	Yes	It has become increasingly difficult to walk around the town centre because of the number of 'A' boards and other street clutter. Driving around the town is much easier then walking and the solution is simple.
7.031	Yes	It is very difficult not having a train station in the town
7.032	Yes	Lack of buses and taxis on Sundays
7.033	Yes	Lack of pavements and too narrow for wheelchair/mobility scooter users in some areas. Some pavements in poor condition. Insufficient dropped kerbs for wheelchair/mobility scooter
7.034	Yes	Limited bus services
7.035	Yes	Links to other towns /railway stations are appalling.
7.036	Yes	Living in Lockley Wood, there are little or no transport links to Market Drayton. If you do not have a car you have to walk
7.037	Yes	Local bus service does not take in sheltered housing
7.038	Yes	More bus services, as taxi's overcharge to and from Ashley to Market Drayton, or Market Drayton to Newcastle Town centre.
7.039	Yes	my husband uses a wheelchair full time and the pavements are terrible people parking on the pavements you have to go on the road to get round. Pavements dug up by contractors not replace correctly so causing difficulty to get round.
7.040	Yes	Need more ramps to get in and out of shops, cafes etc. (wheelchair use)
7.041	Yes	Need to rely on family to get to doctors Live close enough to walk to town centre when well
7.042	Yes	Need to rely on family to get to doctors Live close enough to walk to town centre when well
7.043	Yes	Need to rely on family to get to doctors Live close enough to walk to town centre when well
7.044	Yes	No 51 bus service anymore
7.045	Yes	No bus service at Abbots gate
7.046	Yes	No bus service form Knighton (to anywhere)

7.047	Yes	No bus service in Longslow Road/Abbots Gate.
7.048	Yes	No bus service other than schools, but a bus pass!
7.049	Yes	No bus service to Morrisons door No bus service to Health Centre in Maer Lane Should be priority for elderly
7.050	Yes	No buses into town via our estate, have to walk a long way to nearest bus stop.
7.051	Yes	No Car. Can't walk very far due to illnesses. Stones. Bladder. Diabetes - very high blood sugar. Serious prostate problems.
7.052	Yes	No local bus service - totally reliant on a car.
7.053	Yes	No public transport into town therefore rarely go into town
7.054	Yes	No regular buses from Adderley
7.055	Yes	No rural connections or options to travel to town from TF9 3RN if my car is out of service. If it was regular and cheap I would use this service daily
7.056	Yes	No transport from where I live! Some footpaths put in from Pipe Gate BUT to use them you have to cross the road many times! As a disabled person this is more dangerous than walking at the side of the road.
7.057	Yes	None provided except once or twice per week no public services use own car.
7.058	Yes	Not reliable or disabled friendly bus service Comment Q8 "Wheelchair users to be considered"
7.059	Yes	Nothing after about 6.0.clock in the evening.
7.060	Yes	Own vehicle
7.061	Yes	Parking
7.062	Yes	Parking close to shops as I have two children under 4.
7.063	Yes	Parking in Stafford Street opposite the bus stop creates a huge bottleneck at peak times.
7.064	Yes	Parking is not easy. I am waiting for a blue badge - in the meantime it is difficult. It seems it is not possible to use the local shops - not that there are many of them.
7.065	Yes	Parking on Great Hales Street
7.066	Yes	Parking own car
7.067	Yes	Parking:- There are not enough short term free spaces. There are now two pedestrian crossings within 50 yds. of one another by Festival Centre??
7.068	Yes	PLEASE improve bus transport from Audlem - Market Drayton One service on a Wednesday is totally inadequate. We have a regular service to Whitchurch BUT impossible to get to Market Drayton
7.069	Yes	Poor bus route especially late evening/night
7.070	Yes	Public transport in and out of Drayton is not frequent enough. Makes it difficult to get work especially with no work available in town.
7.071	Yes	Returning to Drayton after eye drops etc. in Shrewsbury etc.
7.072	Yes	Rush hour times N - S bus services esp. to Telford
7.073	Yes	Some of the main road are in need of repair
7.074	Yes	Some roads too congested with parked cars; need free parking for disabled badge holders; too much dog mess on paths; paths and roads in poor condition with trip hazards; some paths too narrow resulting in pedestrians walking on roads.
7.075	Yes	The burgage is a nightmare. Cars parked on pavements and both sides of the road. There should be a very cheap car park for working people in Drayton.
7.076	Yes	The local bus service does a good job however pleas review the accessibility of the Health Centre /GP surgery to the local bus stops - can it be routed nearer
7.077	Yes	The local bus service to come along Adderley Road/ at the top of Hampton Drive - Milton Drive
7.078	Yes	The Market Drayton town bus does not come down/around Hampton Drive area so you have to walk to & from town with shopping to this estate
7.079	Yes	The Morrison junction and getting to the doctors needs to be improved there is always congestion there.
7.080	Yes	The one-way street between the Peacocks shop & @37 café is always busy and the one-way street heading from Red Lion to Grove School is at peak times impassable. There isn't a safe way for pedestrians to cross the A53 bypass: If I needed to get from the town to the Gingerbread Man pub or the estate behind I'd have to cross the A53 at the dangerous

		roundabout and risk my life. I've done this before with my toddler sister and it was terrifying, surely some provision could be provided... a subway or footbridge wouldn't be hard. The A53 can also get particularly busy and it has often been noted that the road should be dualled to allow for the lorry traffic to get to Müller and allow cars to bypass the town safely. If the town wants to expand, and particularly as the new industrial estate has been opened opposite the Longford Turning roundabout, it'd be necessary to dual the carriageway to allow for the extra traffic.
7.081	Yes	The parked cars opposite Raven Court has made an accident very likely. Road rage is now a daily problem. Take three foot off the pavement to create a chance for two way traffic. It's a common 'moan' in the pubs about how difficult it is to get closer to the town and Asda.
7.082	Yes	The present circular bus route covers most general areas but might be improved by extension to include upper Newcastle Road. And for more infirm residents a stop between Prospect and Morrisons/Medical Centre
7.083	Yes	The town circular bus route needs to include other areas not just the outer areas.
7.084	Yes	There is no bus route through Audlem village.
7.085	Yes	There is no transport for children attending The Grove from the other side of town. Children should not have to leave home at 7.30 am to get to school unaccompanied.
7.086	Yes	Too much congestion, too many speeders and rude drivers when driving own vehicle. Motorists not observing the code when pedestrians are about to use zebra crossings. Incorrect procedures when taking 3rd exit at roundabouts
7.087	Yes	Town centre parking is hit or miss for a quick shop, and Wednesdays are manic
7.088	Yes	Traffic flow in town centre is ridiculous - Cheshire Street/Shropshire street/St Hales Street. The current system was predicated on completion of the ring road! We seemed to lose the ring road while the council was asleep. What a mess.
7.089	Yes	Trying to find free parking when I am working as its too much to pay every day of the week in the pay and display car parks.
7.090	Yes	Very poor pavements making journey in wheelchair impossible. Prospect road very bad. Cars parking on pavement outside infant school and green Plam area.
7.091	Yes	Walking into town with a pushchair can be difficult and dangerous as pavements can be narrow or non-existent. This is walking from Summerhill gardens towards the town past the swimming baths and the brewery.
7.092	Yes	We need a train station as I can barely get OUT of Market Drayton.
7.093	Yes	We need MORE BUSES, e.g. 1.Direct to Shrewsbury Hospital 2. To Newport Many local children go to school in Newport, but there is no service - I would like to shop there.
7.094	Yes	Well, I was never a fan of the one way system and still dislike it. I also dislike paying for short term parking - 20 minutes should be free
7.095	No	Although I have a car and can get about I have a good many elderly neighbours who no longer drive and have to rely on neighbours or taxis to get about.
7.096	No	Better bus service from canal moorings into town.
7.097	No	Bus access difficult for elderly with mobility problems, infrequent buses to peripheral areas
7.098	No	Bus service good taxis good especially Dawn's
7.099	No	Bus service has no signage/timetables or proper stops. Just seems to be very random
7.100	No	Bus service is poor at Ternhill and does not serve the retirement Park on Warrand Road. One every 2 hours!
7.101	No	Buses to get out of Drayton are horrendous. Need more buses to Newport, Whitchurch & Wellington/Telford
7.102	No	Examination of locations of OAPs possible relocation to move to suitable and attractive locations with the provision of suitable transport to town centre and other local attractions
7.103	No	I live in Norton in Haley. No buses into Drayton
7.104	No	I'm fortunate I have a car - others who don't won't find it so easy
7.105	No	It is NOT getting AROUND Market Drayton, it is getting TO Market Drayton. We have one bus on a Weds. Which you have to ring to book a seat. Taxis cost £16 there & back home. I do not drive. I have to use the health centre often for certain things health wise

7.106	No	Late night buses - when coming from Festival Drayton
7.107	No	No difficulty in Market Drayton as have electric bike - but better public transport to larger towns is needed for those who are unable to drive e.g. Whitchurch, Telford. Service to Telford to the Princess Royal Hospital is abysmal.
7.108	No	Only when the one way streets are closed. It was a nightmare when Stafford Street and High St were closed
7.109	No	Public transport is so poor we always drive everywhere like most people we know.
7.110	No	Some pavements are very dangerous e.g. Methodist Church to Goosefields on right hand side (Shrewsbury road.)
7.111	No	The town service buses need changing. They run too late at night and start too early. No one on the buses at these early and late times. The route needs extending. Up to Longford turning roundabout to serve houses there as a lot of elderly and young families with children, Also down to Millfield drive and Grove Gardens would be a good idea. Even if they did a trial 6 months. Perhaps once an hour to cover extended route.
7.112	No	Transport to Market Drayton from Wistanswick
7.113		At present we are able to get around most places. However car parking is not always adequate, and as we are unable to walk any distance, particularly carrying shopping bags e.g. we find the walk from Tower car park to, say, the banks or WH Smiths, Wilkos etc. Too demanding. For the future, if we are not able to drive then we would be stuck out in the 'sticks' 3 miles from town centre.
7.114		I drive. No bus near me
7.115		I would like to point out the zebra crossing by the festival centre is dangerous. I have seen a handful of near misses where somebody has been pulling out of the car park and nearly ran over a pedestrian crossing the road. Also opposite Peacocks the bend there is awful for pedestrians - maybe a crossing there?!
7.116		Loggerheads badly needs full transport. Teenagers cannot access part time jobs on weekends to help their studies whilst getting back at late evening is bad too. NO transport through to Eccleshall/Stafford Newport
7.117		Need own car to enable shopping
7.118		Put parking bays back outside the Leek Building like there was years ago!
7.119		No bus service to access Drayton from Hinstock.
7.120		Should not pay for disabled parking

#### Q8. In the case of new developments, should consideration be given to building footpaths, cycleways and wildlife corridors as part of the design? Additional comments

---

8.001	A nice to have but not a priority
8.002	And also no leeway for lack of affordable housing - build the council houses lost to right-to-buy bad not allowed to be replaced - thanks
8.003	Cycleways - Because these lessen the rights of cyclists to be on the road
8.004	Especially for children
8.005	Especially for children
8.006	Especially for children
8.007	Essential in design and layout
8.008	Keep pavements useable
8.009	So long as they are not on the pavement.

#### Q9. Presently what forms of transport do you typically use on the public roads within Market Drayton? Additional comments

---

9.001	Need public even if it's only every 2 hrs for Shrewsbury and Castle Hanley
9.002	No public transport

- 9.003 Public transport - none available
- 9.004 Taxi - 'Monthly', 'Occasionally' and 'Never' and Family members care - 'Occasionally'
- 9.005 Taxi - 'Monthly', 'Occasionally' and 'Never' and Family members care - 'Occasionally'
- 9.006 Taxi - 'Monthly', 'Occasionally' and 'Never' and Family members care - '
- 9.007 There is no bus service to Hinstock. If there was I would use it in preference to own transport.
- 9.008 Would use public transport if the local bus came round Abbots Gate estate

#### Q10. What is your experience of the following local service provision?

---

- 10.001 Berrisford Close
- 10.002 Depends on network
- 10.003 Only get 0.2mb. Hopeless!!
- 10.004 Poor is not strong enough comment!!
- 10.005 Terrible Broadband speed
- 10.006 Where I live its good but not when I am in town centre

#### Q11. If more allotments were available would you rent one?

---

- 11.001 But it is an excellent idea, I use my garden
- 11.002 Have large garden
- 11.003 Have own large garden
- 11.004 I don't need an allotment due to a large garden, however I do know town centre gardens are smaller and they would appreciate the opportunity and I believe there is a waiting list
- 11.005 I have one now
- 11.006 If I were fit!
- 11.007 Maybe
- 11.008 Maybe
- 11.009 No but only because I/we are too old
- 11.010 No I have a large garden
- 11.011 OAP
- 11.012 Too incapacitated to work allotment
- 11.013 Too old
- 11.014 Would not personally rent one but think more allotments good idea
- 11.015 Would not personally rent one but think more allotments good idea
- 11.016 Would not personally rent one but think more allotments good idea

#### Q12. Please list any green spaces in Market Drayton which you think should be protected.

---

- 12.001 All
- 12.002 All
- 12.003 All
- 12.004 ALL
- 12.005 All
- 12.006 All
- 12.007 All

12.008	All
12.009	All
12.010	All
12.011	All
12.012	All
12.013	All
12.014	All
12.015	All allotment areas Town Park
12.016	All allotment sites we already have.
12.017	All allotments Betton Road All schools sports areas Greenfields
12.018	All allotments All existing green spaces
12.019	All areas used by children at play
12.020	ALL current green spaces but especially parks, gardens, allotments and the canal area... north and south of the bridges.
12.021	All existing green spaces should be protected
12.022	All existing spaces
12.023	All footpaths & bridleways.
12.024	All green belt
12.025	All green belt on edges of town. All parks & play areas. Walkmill Nature reserve
12.026	All green public places e.g. parks, playing fields. But not fields!
12.027	All green spaces - Attractive for area - good to attract residents - basis of living in area Amenity space adds town attraction
12.028	All green spaces need protection particularly if more building (houses especially) takes place
12.029	All green spaces should be preserved
12.030	All green spaces should be protected
12.031	All green spaces should be protected.
12.032	All green spaces that sit amongst houses should be protected.
12.033	All green spaces within Market Drayton should be protected!
12.034	All green spaces.
12.035	All greenbelt. There is NO housing problem but only an immigration problem
12.036	All of them
12.037	All of them
12.038	All of them
12.039	All of them
12.040	ALL OF THEM
12.041	All of them
12.042	All of them
12.043	All of them
12.044	All of them
12.045	All of them - especially parks
12.046	All of them - Greenfields, Newtown (adjacent to swimming pool, old school (behind Frogmere road) playing areas, squash club, Grove school
12.047	All of them for future generations.
12.048	All of 'them' in Market Drayton
12.049	All of them!
12.050	All of them!
12.051	All of them.
12.052	All of them.
12.053	All of them. It is a rural town, so you have a responsibility to protect that.
12.054	All of them. We shouldn't have any more development of any green spaces
12.055	All parks (recreational ground).
12.056	All parks should be protected, all woodlands should be protected and trees should be planted

- 12.057 All present parks and recreation grounds. Fields adjacent to the River Tern. Nature reserve near the sewage works.
- 12.058 All recreational areas/parks
- 12.059 All should be protected
- 12.060 All should be protected
- 12.061 All should be protected! Or loose the character of Market Drayton!
- 12.062 All spaces
- 12.063 All spaces already identified
- 12.064 All sport fields i.e. Greenfields
- 12.065 All that are at present all need protection
- 12.066 All the green space should be protected. As a former city dweller find the green spaces in close proximity to the developed areas very refreshing. There is no need to develop any of the green spaces, as there appears to be lots of under developed/utilised land and buildings that could be developed to provide additional housing or commercial development.
- 12.067 All the green spaces in the town should be protected
- 12.068 All unless a reliable/ researched reason for change
- 12.069 ALL- use brown field sites for development
- 12.070 All!
- 12.071 All.
- 12.072 All. Climate change, obesity of the population, green spaces are vital.
- 12.073 Alongside Market Drayton swimming centre Sandy Lane area (back of golf course)
- 12.074 All green space should be protected- use only brown sites!
- 12.075 Any established conservation areas. Green spaces that have been designated as conservation land or SSSI within town boundaries should be potected.
- 12.076 ANY green space should be preserved. Build on brown field.
- 12.077 Any school playing fields Greenfields
- 12.078 Any that supports wildlife.
- 12.079 Anywhere with substantial wildlife such as walkmill meadows. Anywhere with nice walking/cycling routes & decent playground areas.
- 12.080 Are there any in Market Drayton? all on the edges/outskirts
- 12.081 Area surrounding Rush Lane
- 12.082 Areas around the canal area could be enhanced & provide excellent walks & cycle tracks.
- 12.083 Areas near the river.
- 12.084 As many as possible
- 12.085 Betton Road Fairfields
- 12.086 Bottom Lane - for pedestrians & dog walkers (off Buntingsdale Rd) - Parkland adjacent swimming baths
- 12.087 Bottom Lane and the picnic area by the baths
- 12.088 Broomfield. Active campaign to purchase protected and redistribute as a community asset.
- 12.089 Buntingsdale
- 12.090 Buntingsdale area, Bottom Lane, Walkmill meadows.
- 12.091 Buntingsdale ground. Greenfields sports ground. Town park.
- 12.092 Buntingsdale park and play area. There are no others nearby apart from farm land.
- 12.093 Buntingsdale Park, Walkmill Meadow and Town Park
- 12.094 Buntingsdale Rec, Greenfields, Betton Lane & surrounding paths & walkways
- 12.095 Buntingsdale Recreation Area Walkmill Meadows and Bottom lane Town Park Canal Tow Path Fairfields Recreation Ground Oakfields Drive playing field
- 12.096 Buntingsdale Recreational Ground Walkmill Meadows
- 12.097 Buntingsdale Road
- 12.098 Buntingsdale Road park Market Drayton town park
- 12.099 Buntingsdale Road park and allotments
- 12.100 Buntingsdale Road recreation field
- 12.101 Buntingsdale,.
- 12.102 Canal side Walkmill

- 12.103 Cricket ground Town Park By swimming pool
- 12.104 Current parks/allotments and green areas in town should be left, but areas on outskirts build on and ensure green areas/trees are left.
- 12.105 Every green space in the Market Drayton town boundary.
- 12.106 Everything outside the A53 by-pass. There has already been too much encroachment. Before we know it we will need another by-pass (just what happened in Shrewsbury)
- 12.107 Existing recreational grounds Tern Valley Belt of trees behind Lime Grove/Sherwood Crescent backing on to new industrial estate
- 12.108 Field around the swimming pool, all places where there are children's play areas Little Drayton play park Market Drayton Park, Fairfields play area.
- 12.109 Field opposite Longford turning all the way down to the river Tern
- 12.110 Fields along Greenfields Lane We need public recreation area at the Greenfields side of Market Drayton
- 12.111 Fields along Greenfields Lane We need public recreation area at the Greenfields side of Market Drayton
- 12.112 Fields along Walkmill road all fields along Tern Valley, Bunting Dale recreation field, town park, Tern valley below Millers form Bunting Dale and water board
- 12.113 Green area at entrance to Milton Drive
- 12.114 Green Fields
- 12.115 Green fields
- 12.116 Green space around the canal as I like going for walks down there and it is very peaceful
- 12.117 Greenfield Playing fields - handy for all in town & very well used. Town Park
- 12.118 Greenfields
- 12.119 Greenfields
- 12.120 Greenfields
- 12.121 Greenfields
- 12.122 Greenfields Dutton Close
- 12.123 Greenfields Lane
- 12.124 Greenfields play area
- 12.125 Greenfields sports facility
- 12.126 Greenfields sports fields All school fields M.D. town park
- 12.127 Greenfields sports ground Buntingsdale recreation ground Town Park
- 12.128 Greenfields sports ground should never be sold/built on, this is an integral part of the local community. Hundreds of families use this facility every week.
- 12.129 Greenfields sports site. Town park. Buntingsdale Recreation Ground.
- 12.130 Greenfields UNLESS a new improved centre were built.
- 12.131 Greenfields. Town Park.
- 12.132 I think the parks advert promotes a relaxing area. Standing room only for relaxation. Read a book standing up. Take a photo of the seat. The park is terrible. It has only one chair and one flower bed but the seat is nowhere near the flowers. Get the schools to make the flower beds and raise money for seats. Thus to get an artistic/ healthy recreation and respect for their own efforts.
- 12.133 Little Drayton recreation ground
- 12.134 Little Drayton recreational ground Any school playing fields
- 12.135 Longslow Road Park Down by the baths
- 12.136 Lower Grove Site, Longlands playing fields, Greenfields, Little Drayton play area, Buntingdales recreation ground, Grove school field, Walkmill nature reserve, Newtown Park ( across bridge from swimming baths car park).
- 12.137 Muller end of town/ Brookfields/ Longford
- 12.138 Muller fields Buntingsdale Around the river Tern (Tern valley)
- 12.139 Nature reserve \*Sandy Lane \*Rush Lane \* Buntingsdale \*school fields \*Greenfields Lane \*along the river \*Park land \*cemetery + church yard \*picnic area \*play areas \*along the canal \*area around Ford Hall Farm
- 12.140 Nature reserve at walkmill requires major improvements and face lift to attract more people are
- 12.141 New town/swimming pool area near the river Tern The Tern valley
- 12.142 No green spaces should be sacrificed
- 12.143 Not local enough to town to give an opinion

- 12.144 Not sure of all locations
- 12.145 Only seen - swimming pool area
- 12.146 Park
- 12.147 Parks. Nature Reserve.
- 12.148 Parks/woods/sport pitches
- 12.149 Paths improved to give pedestrian access to Tern river.
- 12.150 Pheonix bank & land adjacent to Walkmill Road + River Tern embankment in same locale and other significant landmarks within the current MD boundary
- 12.151 Picnic area by swimming centre
- 12.152 Picnic area.
- 12.153 Public parks
- 12.154 River Bank Area. Town Park Swimming Pool Greenfields.
- 12.155 Rush lane
- 12.156 Rush Lane
- 12.157 Rush Lane
- 12.158 Rush lane
- 12.159 Rush Lane bridle path.
- 12.160 Rush Lane/Croftway
- 12.161 Sewage works Buntingsdale walking area
- 12.162 Shropshire Union Canal and tow path. All perimeters to the South & West sides of the town
- 12.163 Swimming baths. Other side of the A53 shopping Müller to build, the town should stay one side of the A53.
- 12.164 Swimming pool area. Greenfields. Buntingsdale park.
- 12.165 Tern valley
- 12.166 Tern Valley
- 12.167 Tern valley "Green Hill" above Walkmill road grassy areas along the bypass
- 12.168 Tern Valley Fields surrounding Walkmill Road.
- 12.169 Tern Valley Walkmill New walks created around industrial units off Sherwood Crescent Area around swimming pool Buntingsdale recreation ground
- 12.170 Tern valley, school playing fields
- 12.171 Tern Valley.
- 12.172 Ternvalley
- 12.173 The area along the river.
- 12.174 The area around the fish farm (Stafford street) The area around Ford Hall farm The area from Walkmill to A53 by the river
- 12.175 The area off Buntingsdale road where the public footpath goes to the river. The actual public footpath ends and people walk the path by the river even though it is not public land. I think that the actual public footpath here should be extended.
- 12.176 The areas on the boundaries of the bypass so that the outer areas are left as countryside and not developed from agricultural land
- 12.177 The Canals Views, Buntingsdale Road Park's field
- 12.178 The cricket field on Betton Rd
- 12.179 The green spaces around the Muller development needs to be protected
- 12.180 The Grove school playing fields Recreation ground opposite Christ Church Recreation ground in Betton Road All green space on the other side of A53 bypass
- 12.181 The Grove School, Town Park.
- 12.182 The natural green space Conservation Area land and adjoining green space bordering Walkmill Road, sometimes referred to as Banky Field & Orchard Field. The land overlooked by The Mount at the head of Love Lane is included within the Conservation Area. The immediacy of the rural area is an important characteristic of the Market Drayton Conservation Areas demonstrated by the drama of the combination of distant views & townscape around Love Lane and Mount Lane steps.
- 12.183 The nature place near the skate park down on Newport Rd.
- 12.184 The old railway line

- 12.185 The old wildlife area by walkmill which has been completely neglected and abandoned by local councillors and Severn Trent
- 12.186 The park
- 12.187 The park Tene valley The canal
- 12.188 The park by swim pool
- 12.189 The park in town centre
- 12.190 The parks
- 12.191 The steep sloping site on Walkmill Road referred to as SHLAA site MD022 under SamDev proposals plus the adjacent green space in the Conservation area.
- 12.192 The Tern Valley from Walkmill Meadows to Fordhall Farm. This is a natural corridor which improves the natural environment or the town - a big asset. Policy statement should be made that no development will be allowed.
- 12.193 The Tern Valley should be left as green spaces and never built on, especially in Walkmill Road
- 12.194 The Town Park Buntingsdale Recreation Ground Greenfields sports area
- 12.195 The Town Park, Manor Gardens Buntingsdale Recreation Ground
- 12.196 The wildlife area near walkmill which has been neglected and abandoned by local councillors and Severn Trent
- 12.197 Three acres in Waterside drive Town Park Betton road cricket etc. ground I'd like to see the war memorial area at the junction of Cheshire St and Queen St become a friendly usable sitting area on the park side of the library.
- 12.198 Town park
- 12.199 Town park
- 12.200 Town park
- 12.201 Town park
- 12.202 Town park A53 corridor Grove school playing fields
- 12.203 Town park Area by the swimming pool Green spaces by the 'bus station' Area in front of the library Car park near old post office
- 12.204 Town Park Area near the swimming pool Little Drayton recreation ground
- 12.205 Town park Buntingsdale Field.
- 12.206 Town park Butingsdale road recreation ground (Little Drayton)
- 12.207 Town park Canal area
- 12.208 Town park Greenfields School playing fields Buntingsdale recreational ground Westland road recreational ground
- 12.209 Town Park land by swimming pools
- 12.210 Town park Railway cutting restored where possible.
- 12.211 Town park River and canal side areas
- 12.212 Town Park & Buntingsdale Park & allotments.
- 12.213 Town park and playgrounds
- 12.214 Town park and recreation grounds but in favour of housing development on the Drayton side of the bypass. To be recreation areas with any housing development. No development on the other side of the bypass
- 12.215 Town park in centre of town
- 12.216 Town park Walkmill Road Picnic space Bottom Lane
- 12.217 Town park, all of them!
- 12.218 Town Park, Buntingsdale Forest, the woodland area beside Salisbury hill
- 12.219 Town Park, Buntingsdale Rec, sports ground, schools sports grounds including extended grove - canal side paths and walk ways etc.
- 12.220 Town park, Buntingsdale recreation ground, Grove playing fields
- 12.221 Town park, Buntingsdale Recreational Ground, Footpath alongside Tern Business Park (Muller)
- 12.222 Town Park, Buntingsdale Road park and ground, green space Hampton Drive/ Stuart Way, cricket field
- 12.223 Town park, swimming pool fields, all designated children's play areas. Tern Valley
- 12.224 Town park, Tern Valley, Pell Wall, Walkman Road. In fact all green spaces
- 12.225 Town park.
- 12.226 Town park. Greenfields sports fields Buntingdale road play area.

- 12.227 Town Park. Such a pity the old Railway Line was not retained
- 12.228 Very few left within the town
- 12.229 Walk by the river. If it is still there. I have not been able to walk that far for a long time
- 12.230 Walkmill and Tern valley
- 12.231 Walkmill Meadows
- 12.232 Walkmill meadows Duckow Valley
- 12.233 Walkmill Meadows Town Park
- 12.234 Walkmill Meadows Town Park Buntinsdale Park Swimming baths field Fields down Tern Fisheries Grove Field Cricket club - Betton Road
- 12.235 Walkmill Meadows definitely needs protecting and requires a lot of work doing, especially near the Bottom Lane end where there's been an attempt at a boardwalk, and the bit that's been built is fantastic, but it stops short of a very muddy patch where water frequently flows on and so the path is very marshy. Also there's a section of Walkmill Meadows on the other side of the Tern that has been forgotten, it needs a lot of attention but with a bit of work would look beautiful and definitely attract people to the area. Moreover at the end of Bottom Lane, at the junction with Buntingsdale Road, there's an idyllic forested area that is often frequented by walkers, it contains a beautiful confluence, this is an area the town could monopolise. If this area was protected, a visitor centre could be set up and it would bring a lot of business & tourism to the town. Just think how successful the Shropshire Hills centre has been...
- 12.236 Walkmill Meadows, Walkmill Marsh, Fordhall Farm
- 12.237 Walkmill meadows, Walkmill marsh, swimming pool area, canal side, Tain park, school playgrounds, cemetery, hedges around parks
- 12.238 Walkmill Meadows. Town parks. Remaining part of old dismantled railway
- 12.239 Walkmill reserve
- 12.240 Walkmill, Longslow (too late now I suppose!) Bottom Lane/Rush Lane
- 12.241 Waterside Drive, Berrisford road, Town park, Betton Road and sports area.
- 12.242 Where are they?
- 12.243 Wooded area behind Sherwood Crescent and now commercial park before miller, and the grass fields with walk through.
- 12.244 Woodlands and park between Sherwood Cres. & Mullers

**Q14. If you have expressed concern about any of the above please comment in the box below against Q13. With respect to this future housing development in Market Drayton have you concerns about any of the following?**

	<b>Impact on views of the entrances and exits</b>	<b>Houses fitting in visually</b>	<b>Pressure on existing parking</b>	<b>Access problems traffic &amp; congestion</b>	<b>Pressure on community services &amp; facilities</b>	<b>Pressure on infrastructure (roads, water, etc.)</b>	<b>Comment</b>
14.001		Concerns me	Concerns me	Concerns me	Concerns me		(Comment 'neutral' written against first and last option) I would hate for Drayton to be littered with 1000's of ugly new builds - with no space or front gardens all crammed together -- also I don't want lovely quiet low population Drayton to end up like a busy town - with traffic congestion & over population --- and it would put pressure on local services - & spoil our little town. But a few 100 - maybe up to 500 - is ok - spacious with big gardens/garage. (for rent pref.)
14.002	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	1. Little parking as it is already 2. More people would mean more Drs/nurses etc. 3. Potholes don't get sorted now let alone more damage caused by more traffic!
14.003	Concerns me		Concerns me	Concerns me	Concerns me	Concerns me	1. What looked bright and inviting is fast becoming blocked by private house building 2. Most new home buildings look more like prison windows 3. Not enough parking areas 4. Too much traffic and lack of enough parking disrupt access to many smaller shops 5. Expanding population is stretching these to the limit 6.Extra traffic is helping to crack/erode roads, too many potholes and badly drained
14.004	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	A general worry about increased population not being matched by services/infrastructure.
14.005	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	A sympathetic approach. Not bung up and worry afterwards
14.006	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Additional housing should only be considered when services are improved i.e. Doctors/parking
14.007	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All above should be assessed prior to giving consent for new housing Comment Q15 "A balanced mix of all the above taking into account local needs" Q17 "We already do maintain green spaces that we do not own!"
14.008	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All above should be assessed prior to giving consent for new housing Comment Q15 "A balanced mix of all the above taking into account local needs" Q17 "We already do maintain green space that we do not own!"
14.009	Does not concern me	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	All my concerns need improving.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.010	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All need to be considered carefully - especially as park barely adequate often Traffic and related problem on main path.
14.011	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All of the above concern me because nobody gives consideration to them!
14.012	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All of the above should be an integral part of planning.
14.013	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All of these require careful assessment
14.014	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All proposed new housing should be varied in terms of design to avoid monotony. Roads to access new building should be carefully tied in to existing road network. Serious concerns ref: healthcare provision: currently overstretched and health centre apparently unable to recruit GPs.
14.015	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	ALL should be carefully assessed for safety/overpopulation/scenic. It is RURAL area with pleasant canals & timber aged building with history
14.016	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	All the above questions would make a difference to Market Drayton & would need serious consideration.
14.017	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Am particularly worried about pressure on medical provision as the medical centre already seems to be working to capacity & it can take too long to see a doctor
14.018	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	An expanding population needs more services, we can't stop that happening.
14.019	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Any development needs to fit in with the existing infrastructure and environment. More family housing needs increased support in community facilities and education
14.020	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Any expansion and increased population should be done sympathetically and make MD a better place to live NOT make it worse.
14.021	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Any extra housing would naturally put pressure on existing services and this should be considered in the planning detail.
14.022	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Any further developments being planned should take into account the impact on all of the above points.
14.023	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Any new developments should not use existing access routes to/from/through other housing estates - they should have their own vehicular access. Pedestrian access routes would be beneficial though.
14.024	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Any new housing over 50units should be permitted only if there is a substantial monetary contribution to infrastructure

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.025	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Appearance of the town and housing should be appealing. Public won't visit town if traffic is a problem Infrastructure should be up to date and suitable for the future
14.026	Does not concern me	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	As a pedestrian I am fed up with having to get off pavements to get around cars that are parked on them, preventing my safety in certain areas as you have to step onto busy roads.
14.027	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	As noted previously in this survey, the problem is that at the moment none of the above "concerns" are adequately balanced with the number of houses being proposed or built. There is further an inadequate element of social housing, which should not be segregated in little ghettos but should instead be mixed in with the other housing being built to create a more cohesive and balanced community. This includes mixing in provision for houses suitable for family occupation, single adult occupation and the elderly, rather than giving those groups apart. A healthy community needs provision for people of all ages and should facilitate the mingling of those people as well as supporting appropriate medical needs for all ages and allowing older members of the community to remain living independently for as long as possible.
14.028	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Before any planning permission is given, all above points should be carefully weighed.
14.029	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Does not concern me	Building more houses will invite more people which will put pressure on services such as the doctors practice
14.030	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	But not if it means more social housing. There's hardly anywhere in Market Drayton where you can get away from it. Every time anything is sold off it always means more housing - Market Drayton facilities are not big enough to cope with more.
14.031	Does not concern me	Concerns me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Can existing facilities cope with expanding population?
14.032	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Can Market Drayton, a delightful little town, support any more housing? Do we really need it?
14.033	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Can we continue building in Market Drayton and still service the increase with the present 'services' - 'sewers' - 'schooling' - medical needs'
14.034	Does not concern me	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	Car parking at Poynton House Dental practice is very difficult, sometimes impossible

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.035	Does not concern me	Does not concern me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Car parking is sometimes a problem
14.036	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Does not concern me	Community services and facilities not able to cope with new development i.e. school, doctors
14.037	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Current facilities with Market Drayton are sufficient for the current population but there would be too much strain on the town with an increase. I would only support an increase in building on brownfield sites and not green spaces, but I do not think there is enough of these in the area to increase housing & facilities substantially
14.038	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Dental & Medical care.
14.039	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Depending on the amount of houses built. Small amounts are ok if huge amounts it puts pressure on healthcare, schools etc.
14.040	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Design/design/design Will future generations thank us for what we have done to our own immediate environment. Holistic approach required and open mind and imagination-time for change
14.041	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Development is a good thing, but should not be at the expense of current residents.
14.042	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Development of new housing estates - i.e. North of bypass should be reflected with improvements and enlargement of health facilities and transport needs with improved bus services to Telford, Whitchurch and Shrewsbury.
14.043	Does not concern me	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Development should be high quality and look good. Town centre to benefit from new housing needs additional (free) parking
14.044	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Does not concern me	Developments on Shrewsbury Road for example have made things difficult
14.045	Concerns me		Concerns me	Concerns me		Concerns me	Developments will always happen, but developers never care about the effect on local society (as highlighted above). We still have services installed by the Victorians and these costs of updating are never borne by the developer.
14.046					Concerns me	Concerns me	Difficult to get doctors' appointments now Drains struggle to cope now in certain parts for the town
14.047	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Difficulties getting appointments at Health Centre now - increased population would further this problem. Building controls should keep a check on the impact of new housing

	<b>Impact on views of the entrances and exits</b>	<b>Houses fitting in visually</b>	<b>Pressure on existing parking</b>	<b>Access problems traffic &amp; congestion</b>	<b>Pressure on community services &amp; facilities</b>	<b>Pressure on infrastructure (roads, water, etc.)</b>	<b>Comment</b>
14.048	Does not concern me	Concerns me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Dislike appearance of roof mounted solar panels - consider medical centre would be under pressure in event of significant housing development
14.049			Concerns me		Concerns me		Doctors- Difficult to get appointment always.
14.050	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Doctor's surgery would not be able to cope with increased numbers unless more doctors could be recruited (very hard at the moment). Schools would not be able to cope with increased numbers without more buildings Community services and facilities would need to expand Market Drayton would become grid locked unless the new population worked out of town which would not benefit the town very much.
14.051	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Doctors surgery/NHS dentist/school provision already stretched
14.052	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Doctor's waiting list!!!!
14.053					Concerns me	Concerns me	Doctors, schools etc. are already struggling to keep up with current numbers. Roads are in a bad state throughout the town and not sure sewage etc. can cope with more users
14.054	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Concerns me	Doctors, schools, sewage etc.
14.055	Concerns me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Does the infrastructure have the capacity for extra houses e.g. sewerage, storm waters etc.
14.056	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Drainage needs looking at
14.057	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Drainage needs looking at
14.058	Does not concern me	Concerns me	Does not concern me	Does not concern me	Concerns me	Concerns me	Drainage needs looking at
14.059	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Drayton has grown rapidly over the last decade or two. Medical centres are heavily overloaded and town centre parking is a nightmare at peak times - See Q7

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.060	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Due to the increase of people in this area, roads need improving, parking, access to and from Drayton. When houses are built the roads never change to allow for this. Also community services etc. have great pressure due to increase of populations (immigration)
14.061	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Entrance to a town should achieve a standard, and the present character of Market Drayton be preserved in future development. Pressures on parking, services and infrastructure do increase especially at certain times and should be reviewed.
14.062	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Entrances and exits to and from the town should be marked, perhaps as at Whitchurch, and without any sponsorship or reliance on gingerbread-type marketing. There is already pressure on infrastructure and more housing would affect power/roads/water and drainage. Pressure on health centre, schools etc. will inevitably lead to longer waiting times and perhaps to inadequate numbers of school places.
14.063	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Entrances need to look cared for and so do roadsides. Waiting time for Drs and nurses is a fortnight and over. Worried infrastructure will not take extra housing or has not been updated.
14.064	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Entrances to Market Drayton are not very attractive. Parking should be free.
14.065	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Existing pressure is high. Our present infrastructure cannot possibly cope without a huge improvement.
14.066	Concerns me	Concerns me			Concerns me	Concerns me	Extending property's
14.067	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Extra homes equals added pressure to the health centre and dentist etc. Parking in town will be congested also.
14.068	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Extra houses and residents will obviously put a strain on facilities in particular Health services and employment.
14.069	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Far too many permissions to build being granted before infrastructure is improved and without any increase in facilities/shops/leisure/parking for local residents.
14.070	Does not concern me	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Finding a parking space with disabled places is poor, there's not enough disabled spaces as it is. More vehicles on these already tired roads will cost more in road repairs every year.
14.071	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	First impressions are most important. The view that visitors get must be a clean, tidy, well maintained town. Daffodil planting over past few years provides great welcome in spring. More attention needed for rest of year. The number of advertising signs at islands and trading estates is detrimental. They need to be removed.
14.072	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Free parking should be re-introduced to increase both traffic flow and small business growth within the hub of the town.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.073	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Frogmore road can do with a zebra crossing due to cars not stopping with the people crossing the road
14.074	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Full consideration of all of the above should be taken into account with regard to all new housing developments
14.075	Concerns me	Concerns me		Does not concern me	Concerns me	Concerns me	Further housing needs to be sympathetic and fitting in. Especially any infilling in the town centre.
14.076	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Future development is always a concern. I do not have enough information that any of the above problems have been satisfactorily addressed
14.077	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Future development must always consider the impact on existing services surely?
14.078	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Future development of any size must consider the impact on existing infrastructure
14.079	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Future housing should take into account the infrastructure of the town
14.080	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	General concerns only. Needs planning so that services are not overburdened or stretched.
14.081	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	GPs, dentists, school places need to be increased according to increase in population.
14.082	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Greenfields lane not suitable for development - Hampton drive could not deal with the traffic - traffic parking on modern estates in MD v bad anyway. Medical facilities stretched now. Council have not even adopted roads on Hampton drive/Stuart way etc .... yet!
14.083	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	High density housing quickly becomes unsightly & parking is a real issue leading to increased risk to traffic & pedestrians The medical services are over stretched and there are pressures on schools - come on - get real. We are big enough!
14.084	Does not concern me	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	House must be in Keeping with their surroundings near and in the town centre. Parking is a real problem at the moment. A lot more needs to be provided now, let alone, new housing.
14.085	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Houses are being built without parking. A lot of homes now have 2 cars needing to be parked and have to be on the road. There is great pressure on the health service in town and on the sewage system.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.086	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Houses look better in the community when they are fairly uniform. Parking on the side of the road is usually done poorly and creates traffic build up and looks terrible. The library is important, but over-used by children watching videos and younger people on Facebook
14.087		Concerns me			Concerns me	Concerns me	Houses need to be built which suit the existing style of the town. We need additional community services if more housing is coming - take Audlem as an example, they have superb community events
14.088	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Houses need to fit the environment and new estates need green spaces/parks. Roads need to be properly planned with enough parking areas for 2 cars min per house
14.089	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Houses tend to get built with no concern for parking access to an already over-stretched doctors, schools!
14.090	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Housing development should be sympathetic, not mini boxes that are cheap and nasty. Nowhere enough parking. To have to walk from the bus station car park is too far for older people. The roads at peak periods are way overcrowded. The medical centre car park is being used as extra parking on market days. The main roads were built for stagecoaches not HGVs.
14.091	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Housing development should not eat up the green space
14.092	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Housing expansion would require more GP facilities
14.093	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Housing should be in keeping. Parking is difficult already. Traffic is often an issue Doctors are already very busy apparently. Roads around Loggerheads are particularly bad.
14.094	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Housing should be located to services and economy so planned for community access - schools - policing security recreation - amenity - suitable walking routes - screening and privacy.
14.095	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I am all for improving the town but do so with care for all the surroundings and facilities should be improved as well.
14.096	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I am aware of the need for integrated planning i.e. also considering school provision, drainage/sewage etc.
14.097	Does not concern me	Concerns me	Does not concern me	Does not concern me	Concerns me	Concerns me	I am concerned about all the housing developments given planning permission in the small villages
14.098	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I am concerned about the access and road increase in traffic to Longlsow Road infant school. There needs to be a think about use of some of the Town Park, or the road of Manor Gardens, for off road parking/pick up from school, and through traffic, one way, to

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
							the ring road at Frogmore Road. There could be a roundabout there, at the junction, and traffic calming measures!
14.099	Does not concern me	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	I am concerned about the new housing which has been permitted on green land near Tyrley Locks/4 alls pub. Because of increased traffic, overspill from town eventually housing all the way out to Umstock?? Spoils the countryside.
14.100	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I am concerned that properties in the town centre are empty yet homes may be built on the fringes of the town. Retail outlets should be concentrated in Cheshire Street near car parks and redundant retail units converted to housing or offices. This would improve the atmosphere of the town and make it seem busy and alive
14.101	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I am not against further housing, but we need to check the above, also health and education first.
14.102	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	I am sure that all of the above need work on them. However since I am virtually house bound I am not aware of the current circumstances
14.103	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I don't know how able the pipes and sewer are at coping with new homes, but it concerns me that builders come in and build homes at a profit then leave the locals who lived here suddenly have to find the money to improve these services. The homes on the by-pass all look the same - builders can make homes in Lawley Telford (Ironstone) which look a bit more varied than the ones along the by-pass. I don't quite get how there is not work, especially full-time long lasting work so where will people word to pay for these new houses - the roads buses and cars will begin to wear out services - I would like to see a serious consideration for re-opening the railway from MD to Telford and Crewe, that would help.
14.104	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I don't think the infrastructure will be able to cope with much more. Also doctors and dental practices it's hard enough to get appointments, If we keep getting hundreds more people to live here they will never cope. Neither would the sewage or water.
14.105	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I don't want more housing but importantly housing e.g. bungalows for private sector there is enough social housing
14.106	Does not concern me	Concerns me	Does not concern me	Does not concern me	Concerns me	Does not concern me	I feel tall apartment blocks would be inappropriate as they would not blend in with rest of the buildings. Pressure on the medical practice and schools should be considered.
14.107	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I have a cynical view of the proposed developments. It seems like the Market Drayton TC and their control of any proposed developments is always over-ridden by the powers that be at NSDC - we don't ever seem to get the financial or social benefits we are promised. Doctors/Healthcare professionals, Schools and community services do a fabulous job (in the financial climate) but extra burdens will put enormous strain on them - they will not

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
							be able to support the increased demand. We also don't want to lose the character of our lovely sleepy little market town!
14.108	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I think that an increase in housing could cause real problems on the community services, as they are already overstretched as they are
14.109	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	I would be concerned about development that is not sympathetic with the surroundings. There are too many small developments where developers/house builders are only interested in making profit then moving on without due regard to sustainability.
14.110	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I would not support any further development due to the above. The Government/councils need to consider the availability of empty houses needing development and the number of buy to let properties nationally before building more houses. Current housing stock is built with insufficient internal and external space.
14.111	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	If all of the above were talked and considered by developers in Drayton it would be ideal.
14.112	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	If further developments take place please ensure all of the above is considered. Lots of houses with no shops/public transport, health facilities, etc. in rural areas is hopeless and does not help to develop rural communities, just creates "commute" areas to towns!
14.113	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Ill thought out ideas can ruin lives. Well thought out ideas, well implemented can make a great town.
14.114	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	I'm all for new shops and businesses in Market Drayton but I don't think that the little town of Market Drayton could cope with an influx of more residence, too much pressure on doctors, schools, dentists etc.
14.115	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	Impact on schools and medical services needs to be dealt with before further building
14.116	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Inadequate infrastructure
14.117		Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Increase in population requires commensurate increase in parking provision, community services and general infrastructure.
14.118	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Increased housing will boost population and all of the above will need to withstand this.
14.119	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Increased pressure on GP services Difficulties in recruiting GPs to help meet population increase in town due to national shortages Loss of countryside and green spaces to housing developments
14.120	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Increasing population will always have a detrimental effect on services and access

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.121	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Infrastructure must be improved in line with new housing development
14.122	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Infrastructure needs to be in place before building Design of housing needs to be modern and not the same old bland designs we currently see. Green spaces, transport and road etc. doctors surgeries and soon need improving firstly
14.123	Concerns me	Concerns me	Does not concern me	Does not concern me	Concerns me	Concerns me	Infrastructure should be upgraded/put in place as part of a housing development project, also any development will impact on the community's services so these should be reviewed at least annually and have the adequate funds to upgrade when required.
14.124	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Infrastructure will not cope with more houses, needs massive updating at present not enough spaces in schools for existing children.
14.125	Does not concern me	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Innovation happens and I think i would give the presumption that yes should be the answer.
14.126	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Instead of housing why not concentrate on more shops - a different variety etc. Cater for the amount of houses that are here already!
14.127	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Insufficient doctors/ pressure on sewerage system/ youth facilities/
14.128	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	It already takes over a week to see a GP unless it is classed as an emergency. No NHS dentists available Parking can be difficult particularly on market day
14.129	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	It is common knowledge that the town's streets are very busy, we're a 21st century town living (coping) with 19th century infrastructure, there's only so much the road network can take before it needs modernising. I'm an outsider to the town, coming from a city, I've lived here 3 years and the first thing I noticed is how busy & convoluted the road network is. Moreover, the bypass is full of lorries and is often very busy & unsafe, the roads in the town doesn't fare much better.
14.130	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	It is important to maintain the character of the town centre and its immediate area without denying residents necessary improvements. Local needs must be considered first
14.131	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	It is not realistic to expect homes in Drayton (particularly family homes) to restrict themselves to one or two cars. This is a rural area so imposing urban planning guidelines does not work and simply causes more parking problems.
14.132	Concerns me	Concerns me	Concerns me	Concerns me		Concerns me	It is very sad to see permission has been granted to build on green belt land.
14.133	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	It is vitally important that the infrastructure, facilities and services are expanded to meet any major increases in town population due to building programmes. It is also important

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
							that the initial impression on entering/ exiting the town is a good positive impression and not a negative one.
14.134	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	It's already a problem for all these. Try getting a doctor's appointment in under 1 week.
14.135	Concerns me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Just not sure where would be a suitable development site for housing?! We have beautiful country side and i fear that this will be ruined.
14.136	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Keen to maintain and enhance the historic sites and buildings in the town. Hope that any new developments are small in nature i.e. spread the new sites as opposed to one huge estate. Consider the design and construction materials used in any new development ie refer to the vernacular architecture of the area. Consider the skyline impact. Tall pitched rooves amongst low rise bungalows is NOT good.
14.137	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Keep the town attractive, & protect green space
14.138	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Lack of consideration for existing home owners.
14.139	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Lack of Drs re APPOINTMENTS. Lack of school places. The town's infrastructure is already over stretched! Why keep building more and more houses? Drs and school issues NEED to be sorted out NOW!!
14.140	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Limited parking already especially on Market Day - limited supermarket choice too & empty shop premises.
14.141	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Does not concern me	Limited parking spaces
14.142	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Limited short term free parking in town centre. If unable to park likely to shop elsewhere. A53 can have congestion issues School places are a concern.
14.143	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Local services need funding increases in line with new buildings
14.144	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Many roads around housing estates in shocking state of disrepair and potholes
14.145		Concerns me	Concerns me	Concerns me	Concerns me		Market Drayton has a sufficient development to make it a comfortable town for people to live in- particularly for the aged- further "pressures" will simply spoil the town.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.146	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Market Drayton is a pretty town, it would be even more agreeable to the eye, if, the people who owned the buildings in the centre of town, kept them in good order. Parking is a problem on market day and at weekends, Access to new builds has not been thought out properly, there are some very dangerous access problems in the offing, We need more community services now and in the future, All infrastructure needs updating to cope with the impending housing developments.
14.147	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Market Drayton will not be able to cope with any more development. It is already getting a lot of pressure. It is a unique place. Please do not spoil it.
14.148	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	Market Drayton, whilst it is hardly "Chocolate Box" pretty is never the less an attractive little town and any future development should not detract from that.
14.149	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Medical - sewage - schools need to grow with housing
14.150	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Medical / dental services need to be upgraded in line with any more developments.
14.151		Concerns me			Concerns me		Medical services already struggling to give appointments
14.152	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Medical services over-stretched
14.153	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Mole holes more people will definitely have an impact on all of the above.
14.154	Does not concern me	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	More houses brings more cars, parking in Drayton on a busy day (Wed and Sat) is poor anyway, ask anyone who lives down the Burgage and Smithfield road.
14.155	Does not concern me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	More housing is needed and what has been provided so far adds to the town in many ways. Compared to most of the many other towns I travel to Market Drayton does not have a traffic congestion problem. Extra funding would need to be found for medical/ education provision. Larger population would lead to an ever more vibrant town.
14.156	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	More thought should be given to new builds in small area i.e. peoples back garden when there is no real need for them the parking on some of the small roads is not good now and letting new builds appear were access is difficult is not common sense especially for the people who have to live with the problem.
14.157	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Mostly concerned about the last 2 for schools, doctors etc. and the dreadful condition of our roads, especially Tern View which is like a cobbled road due to too much patching
14.158	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Moved here because of too rapid expansion of previous address, and inherent problems it caused.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.159	Concerns me	Concerns me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Muller bridge - eyesore!
14.160	Does not concern me	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	My concerns are Drayton has too many one way streets and big lorries block them up and when the streets are closed it's a nightmare Adderly Road?
14.161	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	My main concern is traffic & parking management. I don't think M.D. has a particular character to preserve but I wouldn't like to see high rise flats put in either. But modern buildings like those by Festival Drayton work well.
14.162	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	My mother has been resident in Market Drayton for 10 years and the traffic has increased significantly in that time. She is 85 and still mobile, but is becoming increasingly concerned about going out on her own due to the volume of traffic and finds that road noise is starting to be a concern at home. I am also facing problems getting out of her drive onto the road more and more these days due to increased traffic density. There also seems to be much more pressure on the Market Drayton surgery which have always provided excellent health care, but we worry this will diminish if more housing is built.
14.163	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	My view is, another car park is wanted taking cars off the shopping St. No parking in Cheshire St.
14.164	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Need another supermarket
14.165	Does not concern me	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Need facilities e.g. Shops to improve in line with increased population.
14.166	Does not concern me	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	Needs thoughtful planning to avoid problems
14.167	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Never enough parking space with new developments so people clog up roads and pavements. Doctors and schools already under a huge amount of pressure.
14.168	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	New houses and developments = more cars = more hazards round schools = angry neighbours near to schools
14.169	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	New houses only have parking for one car! Our roads were not made for so much traffic. Our schools are at full capacity. Our doc's surgery can't cope

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.170	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	New houses should be given architectural treatment to suit their environment and street scene - they should not be a collection of brick 'boxes'. Where possible only brown sites and infill sites should be used.
14.171	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Newport road - Phoenix bank particularly beautiful
14.172	Does not concern me	Concerns me	Does not concern me	Concerns me	Does not concern me	Does not concern me	No comments needed - self explanatory
14.173	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	No parking facilities on Shropshire street causing blockages by a certain restaurant which will eventually cause a accident also the pressure on sewerage facilities
14.174	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	No services or infrastructure grow at the same rate as the Market Drayton area e.g. there is no free parking the roads are the same as 40 years ago
14.175	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Not a problem at the moment but could be in the future.
14.176	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Not enough capacity in local schools and medical centre.
14.177	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Not enough parking on new estates, especially the 3 storey properties with a footprint very small
14.178	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Obviously with increased housing there is an impact on all services
14.179	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	On general principle these are matters that I think should concern one about any developments
14.180	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	On street/ pavement parking has become the norm due to police not enforcing the law. Doctors/ schools are at capacity now. Roads are worn out pot holed etc. Pavement bad often.
14.181	Concerns me	Concerns me	Concerns me	Concerns me			Only one entrance to Drayton does not pass through or beside industrial development - does this encourage people to come to live here?
14.182	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Only one health centre. Ambulances already stretching

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.183	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Does not concern me	Our GP services, already very full
14.184	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Our roads are a disgrace now, so more building, more road usage, we have to think more, keep what we have not build more of any houses, until we get it right!!!
14.185	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Over development would be a concern
14.186	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	Does not concern me	Parking - issue with on-street parking of cars particularly in Stafford Street opposite the flats. Pressure on doctor's surgery - already heavily used.
14.187	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Does not concern me	Parking by the town hall is always busy, but don't know about other car parks. My gym can often get very busy. Traffic around the town may be affected at peak times.
14.188	Does not concern me	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Parking for residents in town centre areas has always been an issue however the difficulties created by vehicles being parked for long periods in side streets i.e. The Burgage have definitely increased since car park charges were implemented. More properties will only increase this issue, OR remove car park charges - you'll never notice parking issues then!!
14.189	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking for the town is terrible. To encourage shoppers, to encourage visitors and thus generate interest and wealth in the community parking for the town needs to be accessible and FREE.
14.190	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking hard enough with disabled wheelchair dependent. Congestion due to increase in volume of cars hard enough getting doctor's appointment now without adding more people
14.191	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking in Longslow Road near the infant school frequently obstructs access to our property and those of our neighbours
14.192	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Parking in Market Drayton is often difficult unless you want to pay. Joining MD (on from Mullers) with Tern Hill makes sense to me. There is a major road, open space & minimal impact on existing housing & infrastructure.
14.193	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking in some areas is a problem, infrastructure and services cannot cope
14.194	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking in some side roads is now at capacity e.g. Victoria Road, Longslow Road, difficult for emergency vehicles to access.
14.195	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking is a big concern Pressure on schools and doctors

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.196	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Parking is a problem. I use M.D. rarely as I have to pay using the post office is extortion
14.197	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Parking is already restricted and adding to the population would increase those problems. It is difficult to get a doctor's appointment now. Roads into the town are too narrow to increase the traffic further. Parking in Stafford Street and Shropshire Street causes traffic queues.
14.198	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking is an issue particularly by Longslow Road Infants School and Alexander Road school, nightmare sometimes as no-one uses the car parks, they don't want to pay. I think if new properties are built, they should have sufficient off road parking for more than one car. A large majority of households have more than one car so make the developers build appropriate houses (2/3 bedrooms with parking for at least two cars). Are 4 bed executive houses the way forward, probably not? Doctors, children support services all need increasing, currently difficult to use as its generally tough to get a doctor's appointment within 48 hours so increasing the local population will cause further problems, it needs addressing.
14.199	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Parking is an issue. More people living in Market Drayton and facilities not meeting the needs of community.
14.200	Concerns me		Concerns me	Concerns me	Concerns me	Concerns me	Parking on roads
14.201	Does not concern me	Does not concern me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Parking terrible
14.202	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Parking.....parking.....parking.....Lack of parking is paramount. New dwellings should not be allowed without adequate parking spaces. More all day parking needed for workers in the town. Knock down the tatty looking car showroom or whatever it is, next to ASDA.....big area for parking there. Sort out the land at the end of Great Hales St. next to 'Musicland' and make a car park. Land bought for the inner ring road that never was...use for parking. Possible parking behind Barbers auction rooms in Maer Lane.
14.203	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Planning ahead for medical facilities and community services is an issue
14.204	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Concerns me	Concerns me	Planning approval in and around Market Drayton will impact already stretched services, in particular medical centre, community support, out of hours provision, sports facilities

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.205	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me		Planning permission is usually granted with little thought of surrounding properties and quite often is not in keeping.
14.206	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Pressure on community services and facilities' above - Respondent has marked 'concerns me' box with three ticks. Schools and medical services are full due to the amount of people who live in Market Drayton. Look at these services before building more houses.
14.207	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Pressure on community services is mitigated by providing increased capacity as part of the planning provision
14.208	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Pressure on education services & particularly the Health Centre. We need another doctor's practise so we can CHOOSE.
14.209	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Pressure on existing medical services would be increased if more houses are built in Market Drayton
14.210	Concerns me	Does not concern me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Pressure on existing parking - houses built backing fronting onto existing estates where occupants will use latter as overflow Impacts onto views entrances/exits Market Drayton - we should look at ensuring Market Drayton looks welcoming, not like a dormitory town with no soul
14.211	Does not concern me	Concerns me	Does not concern me	Does not concern me	Concerns me	Concerns me	Pressure on local services including NHS, ambulance & police. Local schools and road network
14.212	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Does not concern me	Pressure on Medical Centre with more new patients coming. Junction getting out of Morrisons needs improvement. No pavement on one side of Alderley Rd. Over old railway bridge.
14.213	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Pressure on medical services and schools Parking for Festival Drayton
14.214	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Pressure on schools and medical services as both are important
14.215	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Public transport - Poor. Access to local hospitals for non-drivers. Not enough rooms to hire for events. Not enough nursery provision.
14.216	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Recently moved to area as love the surroundings and views. Commute far for work so disruption of route would have big impact
14.217	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Roads already become congested and residential parking is already limited

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.218	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Roads already in bad state so extra traffic due to future housing would not be welcome
14.219	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Roads are in a poor state of repair particularly on estates. Existing parking prices when parking for up to 1 hour are expensive on the centre near parks
14.220	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Schools Doctors
14.221	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Schools are overcrowded - impact of Dr's surgery appointments - dental services - nothing for young people to do - lots of empty houses and shops may be turned into housing before building new ones.
14.222	Concerns me		Concerns me	Concerns me	Concerns me	Concerns me	School's not enough Doctors too busy already - takes 1 month for an appointment, speaks for itself
14.223	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Self-explanatory
14.224	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Services - such as medical are already under pressure
14.225	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Services, infrastructure, roads, schools etc. etc. need to be sorted first, not wait until there is a problem
14.226	Does not concern me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Does not concern me	Several years ago a high density development of four three-storey apartment blocks was proposed to be built on cricket club land. This went to appeal & thankfully was rejected. I should not like to see developments like this amongst ordinary houses
14.227	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Sewage needs upgrading - electricity needs looking at. Doctors, schools, dentist, cannot cope now any more development these need to be addressed first
14.228	Concerns me		Concerns me	Concerns me	Concerns me	Concerns me	Sewerage system needs overhauling if more and more houses are to be built.
14.229	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	Does not concern me	Should not like to see more entrances and exits being a cause to bring more large vehicles into the town. Houses need not to be high rise Better car parks provided
14.230	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Since road laid in 1968 (ish) it has deteriorated, it has half-heartedly been patched but desperately requires re-surfacing (Melrose Crescent)
14.231					Concerns me	Concerns me	Small towns like M. D. can't keep absorbing more & more people without it impacting on the existing services i.e. water/sewers - state of some roads, potholes etc. & then, when a repair is eventually done, at times it is inferior workmanship which ultimately causes the same job to be done again. Medical services obviously come under pressure which effects level of care.

	<b>Impact on views of the entrances and exits</b>	<b>Houses fitting in visually</b>	<b>Pressure on existing parking</b>	<b>Access problems traffic &amp; congestion</b>	<b>Pressure on community services &amp; facilities</b>	<b>Pressure on infrastructure (roads, water, etc.)</b>	<b>Comment</b>
14.232	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Smithfield road gets a lot of heavy traffic (tractors, lorry etc.) that could enter Drayton through the bypass, but choose to cut through, I can only see this getting worse.
14.233	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Some houses have no parking facilities and park on the main road (e.g. Shrewsbury Road) - road leading directly into town
14.234	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Some public highways already pose access issues due to residents parking on one side leaving space for one vehicle in or out of town. This at times means driver behaviour is an issue. Double yellow lines are needed - Newcastle Road (Asda)
14.235	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Streets around town parking is difficult as people living in areas with no off road parking need to park outside their houses, can never access doctors so they must be stretched. A lot of roads need resurfacing so that must be too much traffic. Water board at bottom of Walkmill Road often backs sewage and smells, must be under streets.
14.236	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Struggle to get doctor's appointment and struggle to park especially with no wide parent spaces
14.237	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	The 400 house development to the north cannot do anything other than put all of the above under pressure
14.238	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The above all represent features that should be taken into account in all planning/development applications as a matter of course.
14.239	Concerns me		Concerns me		Concerns me		The approach to Market Drayton from the south west (Hinstock Road) is perhaps the best rural approach to Market Drayton and River Tern and should be protected from development expansion
14.240	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The character of this rural town should be preserved and protected. Parking is becoming difficult, more free parking would help with more relaxed and profitable shopping. More development puts great pressure on medical and educational services.
14.241	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The facilities are already stretched and the roads are a disgrace
14.242	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	The ginger bread man is a disgrace and should be removed and replaced with a new and more relevant town sign
14.243	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The government for more housing of the correct type is correct. The planning department has failed in past in many areas of Q13. I have no confidence they will properly address Q13 in future.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.244	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	The health centre already struggles with the number of people in town as do the schools and other local facilities and services without providing better services what's the point in encouraging more people to live here? Plus some of the roads are atrocious and need fixing badly (excluding the new road surfaces put down recently)
14.245	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The impact of more traffic, schools, doctors, not able to cope with numbers at present, never mind more pressure on them. Will need more schools building, more doctors, dentists, cottage hospital re-opened. Car parking in town would be harder
14.246	Does not concern me	Does not concern me	Concerns me		Concerns me	Concerns me	The increase in population a lot of facilities must be considered more deeply, including, schools, medical services, and the infrastructure system, such as sewage, water and parking for more vehicles.
14.247	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The infrastructure needs improving first
14.248					Concerns me		The lack of bus services to outlying places
14.249	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The market Drayton infrastructure is poor and cannot cope
14.250	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	The mini roundabouts in town are often gridlock as all access roads are full & priority is difficult to establish.
14.251	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The new developments on Newcastle Road - where are the new owners likely to park - seeing as most households seem to have at least two cars.
14.252	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The obvious problems are those of the state of the roads and with more housing which I know is necessary it would probably mean more dog owners and there are enough irresponsible ones in the town already
14.253	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The parking will be a problem also on community services etc., on roads, water etc.
14.254	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The pressure on community services and facilities needs to keep up with the amount of houses that have already been built (too many)
14.255	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The schools seem stretched at the moment and also our medical facilities
14.256	Does not concern me	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	The services are struggling already
14.257	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The services we have now cannot cope. So any more is only asking for trouble. Doctors sewage rainwater where is going to go?
14.258	Does not concern me	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	The three I've ticked concern people currently living the area - we should not be effected. Any future developments should take into account the impact on the area and contingencies made.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.259	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The town and local area will lose its character forever if we don't resist!
14.260	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The town centre is becoming densely populated as pockets of land are sold for housing and existing businesses are converted into homes. This impacts on the above.
14.261	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The town centre needs to be improved and attract more shops.
14.262	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The town is a small market town and this should be protected. The doctors already can't see all patients in good time, an increase in population will make this situation worse. A lot of our roads are narrow, rural lanes not suitable for a large volume of traffic. Widening these roads would mean losing the rural aspect of our area.
14.263	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The town is struggling to cope with all of the above not. Any expansion would cause severe problems unless action is taken to improve all of the above.
14.264	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	The town was a small market town and is starting to lose the character.
14.265	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	There are many buildings in Drayton which reflect its past as a thriving market town and add to its appeal. However there are others in the town centre that are an eyesore e.g. The steel clad building next to Lloyds bank. Also infrastructure and amenities should be in place before housing development and not the other way around.
14.266	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	There are not enough jobs in the town and public transport links are poor
14.267	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	There are only limited facilities in MD, most of which could not be improved to a level capable of supporting a vast increase in population without a major total redevelopment of the town and its environs.
14.268	Does not concern me	Does not concern me	Concerns me	Concerns me	Does not concern me	Does not concern me	There is a lack of suitable affordable family homes. Some streets like Elm Drive have severe parking problems at night time that mean pedestrians have to walk on the road. Any new houses must have adequate parking for the residents to avoid this.
14.269	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	There is a problem in parking now. You need to pay or walk further. The medical practice is already stretched and so are the pharmacies. We think the GP'S should fine non-attendees
14.270			Concerns me		Concerns me	Concerns me	There is very little town parking
14.271	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	There seems to be little 'joined up thinking' when new planning applications are being considered

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.272	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	There should be adequate parking facilities off road
14.273	Does not concern me	Does not concern me	Concerns me		Concerns me	Concerns me	There's too many empty shops and failing small businesses to support more build. Emphasis should be on making this once great market town marketable again. It would be amazing if people from out of town actually came to our town to shop and spend time, as opposed to us travelling to the likes of Telford, Shrewsbury, Audlum, Nantwich, Newcastle. Support businesses, Market Drayton attractive to new business, encouraging growth then support new builds.
14.274	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	These things should concern us all and should be taken into account when planning developments anywhere. Plenty of provision should be made for off road parking as most households have more than one vehicle and as children are living with parents longer these are often 3 or more vehicles at some properties. The medical centre, dentist, library etc. will need to be expanded to provide services for all new populations. The roads are currently such a mess that attention needs to be given to them to make them fit for purpose.
14.275	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	Does not concern me	To attract people, tourists and possibly businesses, a town needs to look inviting and welcoming. Austere, bland buildings with little character are NOT attractive.
14.276	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	To protect the attractiveness of a small town situated in the Shropshire countryside. If spoilt people will decide to move out & live elsewhere, and shops will not be viable.
14.277		Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Too many cars. Too many people.
14.278	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Too many houses- not enough countryside left.
14.279	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Too many people now living in town, facilities have not been updated to accommodate them all. Less money available to improve them.
14.280	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	too much housing will spoil the feel of the town
14.281	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Tower Lawn car parks should be free to reduce on-street parking, on-street parking by the Festival Centre and Shrewsbury Road by Shepleys should be removed to increase traffic flow.
14.282	Concerns me	Concerns me	Does not concern me	Does not concern me	Concerns me	Concerns me	Town "entrance" statements a good idea Good aesthetic architectural design to complement/blend with the vernacular is essential for new housing. Design for future heritage. Improvements to infrastructure should accompany developments of 10 plus houses.

	Impact on views of the entrances and exits	Houses fitting in visually	Pressure on existing parking	Access problems traffic & congestion	Pressure on community services & facilities	Pressure on infrastructure (roads, water, etc.)	Comment
14.283	Does not concern me	Does not concern me	Concerns me	Concerns me	Does not concern me	Does not concern me	Town centre parking Near Abbots Gate is already a 'rat run'. Concerned for children walking to school (especially with the decrease in street lighting)
14.284	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Traffic is a problem joining/leaving A53. Not enough community services for population now, let alone more people. Houses for social housing not looked after by tenants, goes rough looking far to soon.
14.285	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Understand the need for expansion but should be carefully considered and tough requirements on builders to provide facilities
14.286	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Unless you approach town via the A529, it is a very unappealing site. The modern builds we see around the edges are of varying styles already, again unattractive. Traffic is on the increase and getting from the main car park to the shops is becoming more dangerous. Community services and facilities are under more pressure, so need more funding. There is already effluent in the streets when there is normal rainfall, evidence that drainage doesn't cope with the number of existing houses.
14.287	Does not concern me	Concerns me	Concerns me	Does not concern me	Concerns me	Concerns me	Very concerned about the existing services, doctors, police, refuse collection and the impact additional homes & residents will make
14.288	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Very concerned that community services & facilities now do not need to be taken into account *before* development goes ahead. Infrastructure already stretched. Poor public transport puts pressure on parking.
14.289	Does not concern me	Concerns me	Does not concern me	Concerns me	Concerns me	Concerns me	Very concerned that further development will have an impact on medical services ( already <illegible>) as schools (can't be many more available places without over-<illegible> class size)
14.290	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	We are a small lively town. Too many homes, how do schools and medical centre cope?
14.291	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	We already seem to be pushed to the limit
14.292	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	We can't cope with what's here now
14.293	Concerns me	Concerns me	Concerns me	Concerns me	Does not concern me	Concerns me	We need a long term plan of development to address the awareness of points above and maintenance of green spaces. The council should not be influenced by NIMBYS who can afford to buy pretty banners to stop building work because it might affect the price of their property - moves stress to someone else!
14.294	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	We seem to be filling in existing spaces to the eventual detriment of the town

	<b>Impact on views of the entrances and exits</b>	<b>Houses fitting in visually</b>	<b>Pressure on existing parking</b>	<b>Access problems traffic &amp; congestion</b>	<b>Pressure on community services &amp; facilities</b>	<b>Pressure on infrastructure (roads, water, etc.)</b>	<b>Comment</b>
14.295	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	What affect it will have on doctors, schools, traffic.
14.296	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	When new housing estates are built there does not seem to be enough attention given to the town facilities i.e. doctors, schools, sewerage, etc.
14.297	Does not concern me	Does not concern me	Concerns me	Concerns me	Does not concern me	Does not concern me	Where residents are forced to park vehicles on the road, there is risk of accidents.
14.298	Does not concern me	Does not concern me	Concerns me	Concerns me	Concerns me	Concerns me	Whilst nationally there is a need for more housing, wherever they are built there is an inevitable increase of pressure on local services. Therefore needs to be an approach to planning and housing development which seeks to keep both aspects in balance. New homes and therefore more people, need to be catered for with expanded facilities.
14.299	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Concerns me	Why are houses built before infra structure is considered - schools, medical services are vital to any population:- already schools are oversubscribed - it is vital to organize a logical order of development.

## Q15. What type of housing should be built in Market Drayton up to 2026? Additional comments

---

- 15.001 As long as the infrastructure is also updated
- 15.002 But encourage tenants to look after their social housing
- 15.003 Flats - Not skyscrapers though
- 15.004 Keep starter home sales AWAY from the greedy 'buy to let' people!!! Let people who need them buy them!!!
- 15.005 Not many executive homes
- 15.006 On: Well-designed houses/flats/bungalows etc."
- 15.007 Social housing - there should be minimal social housing, people should be in work and earn a living with the exception of disabled people who require assistance and support.
- 15.008 Special housing locations to attract financial entrepreneurs and industrialists to invest in the town - care needed.

## Q16. If you are interested in becoming a future resident in any new development, what amenities would you like to form part of that development? (Tick all the boxes that apply) Other (please specify)

---

- 16.001 A small library / community hub.
- 16.002 Ability to park within own property!
- 16.003 Access to transport into town
- 16.004 Ample parking
- 16.005 Area to allow dog to run free
- 16.006 Better public transport links
- 16.007 Better sports facilities and local transport
- 16.008 Character design
- 16.009 Communal parking
- 16.010 Community centres, central points for gathering
- 16.011 community garden
- 16.012 Community meeting places
- 16.013 Cycle path, recycling facilities.
- 16.014 Cycle paths
- 16.015 Decent parking - too many new developments are too tightly packed together with insufficient parking so the roads become difficult to get around
- 16.016 Easy access to the town, footpaths, cycle lanes and quick bus routes.
- 16.017 Enough space for parking 2 cars per house.
- 16.018 Footpaths to break up density
- 16.019 For the elderly'
- 16.020 Having children's sessions such as boogie babies, jiggle tots, more sessions for children at the library such as twice weekly poems and singing, more street entertainment ,better toilets and on other areas too
- 16.021 Houses have to look attractive and not like a row of boxes.
- 16.022 Larger gardens
- 16.023 Local convenience i.e. Co-op
- 16.024 Local shop
- 16.025 Local shops
- 16.026 Low speed road layout with off road parking. Respondent has also written in 'green open space' row "with tree planting.
- 16.027 More buses please

- 16.028 More car parking than is provided at present. More variety in design and façade, why do they all have to look like mock Tudor and so close together
- 16.029 Newsagents
- 16.030 No building at all.
- 16.031 Off road parking, homes for buy to live in not for buy to rent.
- 16.032 Open space environment plus views
- 16.033 Outdoor gym, gym trails, ping pong tables etc.
- 16.034 Parking for more than one car, so that cars are not all on the roads
- 16.035 Parking spaces/clear boundaries
- 16.036 Parking. Some new development of an executive type
- 16.037 Plenty of room between buildings to allow the community to mix and not be isolated
- 16.038 Plenty of space to park. Roads not too narrow
- 16.039 Plenty parking spaces at the property to keep cars off the road from parking there
- 16.040 Public transport, safe walking areas
- 16.041 Safe green walkways
- 16.042 Safe pavements to walk into town stopping areas in all streets
- 16.043 Safe walking paths
- 16.044 Safe walking routes to school
- 16.045 Small industrial units
- 16.046 Speed limits on roads
- 16.047 Sufficient parking - wide enough road to allow delivery/rescue services
- 16.048 Sustainable energy features including PV, combined heat and power (CHP) and glazing to meet or exceed Passivhaus standards. Housing that is constructed to these high standards would minimise or eliminate space heating bills and dramatically reduce the carbon footprint of individuals and the entire community. Community garden/allotment/food growing areas including (possibly) space in a community greenhouse.
- 16.049 Walking/wildlife areas
- 16.050 Well-lit and planned walking access
- 16.051 Wild life flower with benches on the way
- 16.052 Wildlife corridor

#### **Q17. If you have answered yes to any of the above, would you be prepared to contribute to their upkeep? Additional comments**

---

- 17.001 Because unfortunately you can't restrict access and some people will be disrespectful to areas.
- 17.002 Depends on cost
- 17.003 Fund through ground rent/service charge on new estates
- 17.004 I have said yes to this question but not sure whether it refers to monetary upkeep or manual work (as in the green areas).
- 17.005 It should accounted for.
- 17.006 Maybe
- 17.007 Only out of council tax
- 17.008 Part of LA budget and C/L
- 17.009 Presumably the inflated price of housing/rates would suffice
- 17.010 Should be covered by council tax
- 17.011 Should be funded through community charge, it is not only residents of the estate that use the facilities non-residents do too
- 17.012 This should be down to the council - it's what we pay our rates for.
- 17.013 We already pay for green space!!

**Q18. What type of housing is needed in Market Drayton for new housing? And Q19. If you think there should be affordable housing to rent, who should this be for?**

---

- 18.001 Affordable home for local people
- 18.002 Affordable homes - Yes, if cannot be occupied by Market Drayton people as overflow available
- 18.003 Carefully examine affordable homes etc.'
- 18.004 For elderly but better class of property
- 18.005 Low cost homes for sale - Do not let buy to let people have these!
- 18.006 Not for a landlord to make a killing and push low cost houses ever higher.
- 18.007 Possibly what is the point to buying

**Q22. If you have children living with you of primary school age, where do they go to school? And Q23. If you have children living with you of secondary school age, where do they go to school?**

	Q22a. Name or names of primary schools	
	In Market Drayton	Outside Market Drayton
22a.001	Adderley	Hinstock primary school
22a.002	Hinstock Primary	Hodnet
22a.003	Hugo Meynell	Hodnet
22a.004	Longlands	Hodnet
22a.005	Longslow nursery from jan 16	Hodnet Primary School
22a.006	Market Daryton Infants	Hong Kong
22a.007	Market Drayton infant and nursery school	Hugo Maynell
22a.008	Market Drayton Infant School	Hugo Meynell
22a.009	Market Drayton infants	Hugo Meynell Primary school
22a.010	Market Drayton Infants, Market Drayton Juniors	Hugo Meynell School
22a.011	Market Drayton Junior	
22a.012	Market Drayton Junior school	Merryfields School
22a.013	Market Drayton Junior School	Moreton Say
22a.014	Market Drayton Junior school	Moreton Say
22a.015	Market Drayton Junior School	Norton in Haies
22a.016	Market Drayton Juniors	Norton in Hales
22a.017	Market Drayton Juniors	Packwood Haugh
22a.018	MD Infants MD juniors	Severndale Specialist Academy
22a.019	MDJS	St Mary's primary , Mucklestone
22a.020	Moreton Say	St. Mary's Mucklestone
22a.021	Stoke on Tern	St. Peters and Pauls Catholic school
22a.022	The Croft	Tibberton C of E
22a.023		Whitehouse
22a.024		Woore

	Q23a. Name or names of secondary schools	
	In Market Drayton (Grove School)	Outside Market Drayton
23a.001	Grave school	Adams' Grammar
23a.002	Grove	Adams Grammar School
23a.003	Grove	Adams' Grammar school
23a.004	Grove	Adams Grammer Newport
23a.005	Grove college	Burton borough
23a.006	Grove School	Madeley High school
23a.007	Grove school	Manchester University
23a.008	Grove School	Newcastle
23a.009	Grove School	Newcastle-under-Lyme
23a.010	Grove school	Newport Girl's High
23a.011	Grove school	The Coppice Academy
23a.012	Grove School	Thistley Hough Academy
23a.013	Grove school	Thomas Adams
23a.014	Grove school	Thomas Adams Wem
23a.015	Grove School	Thomas Adams Wem
23a.016	Grove School	Thomas adams wem
23a.017	Grove school	Thomas Adams, Wem
23a.018	Grove School	Thomas Adams, Wem
23a.019	Grove school	Walton Hall academy
23a.020	The Grove	

## Q26. If No, where do you actually go and where would you go if you had the choice?

	Actual	Preferred
26.001	Any other than Drayton	Any other than Drayton
26.002	Attended Whitchurch a few years ago	More local - festival centre
26.003	Birmingham/Stafford	Telford or Shrewsbury or Market Drayton
26.004	Clive community Hall	Closer
26.005	Courses at Shirehall, Wem etc	Council offices in town
26.006	Crewe and soon to University	
26.007	Crewe, Stafford	Market Drayton or Newport
26.008	Distance Learning and Shrewsbury	
26.009	Do not	Telford
26.010	Don't attend any form of education	Options for vocational training within the town
26.011	Don't go as currently no facilities covering what I need	Local facilities offering practical training ie welding, bricklaying, plastering.
26.012	Ellsmere	Market Drayton
26.013	Facility provided at work.	
26.014	Grove College	Stoke-on-Trent Sixth Form College
26.015	Have to travel by private car out of town	
26.016	Home study or Telford/Shrewsbury Birmingham/Wolverhampton	Shrewsbury
26.017	I am a statistical programmer, so universities with stats departments	
26.018	I don't go anywhere at present	Market Drayton of course
26.019	I don't go anywhere because of transport issues.	
26.020	I went to Cauldon College, Stoke.	
26.021	If I was to attend evening classes would have to go to Telford - impossible as I don't drive.	Market Drayton
26.022	Internet	Internet
26.023	Keele Uni.	
26.024	Keele University	
26.025	Keele, Manchester or Birmingham	
26.026	Keele, Shrewsbury, Open University	Local - Grove School
26.027	London	Birmingham
26.028	London	Shrewsbury
26.029	Manchester	Market Drayton
26.030	More choice at newcastle college	
26.031	N/A	Grove
26.032	Newcastle-under-Lyme	Market Drayton
26.033	Newcastle	M. Drayton
26.034	Newcastle	
26.035	Newcastle college	Market Drayton
26.036	Newcastle under lyme	Drayton
26.037	Newcastle-under-lyme	Market Drayton
26.038	Newcastle-under-Lyme	
26.039	No current training/education	
26.040	none available	
26.041	Nowhere	Grove College. Phoned up but were not interested in taking me on as a student

	<b>Actual</b>	<b>Preferred</b>
26.042	Oawestry;Shrewsbury	Drayton
26.043	Online	At the Grove School
26.044	Online	Shrewsbury/Local
26.045	Online university	
26.046	Open university / home study	Open university / home study
26.047	Oswestry	Shrewsbury
26.048	Reaseheath College.	?
26.049	SCAT	MD
26.050	Shrewsbury	Grove
26.051	Shrewsbury	Local
26.052	Shrewsbury	Local
26.053	Shrewsbury	Market Drayton
26.054	Shrewsbury	Market Drayton
26.055	Shrewsbury	Market Drayton
26.056	Shrewsbury	Market Drayton
26.057	Shrewsbury	Market Drayton
26.058	Shrewsbury	Market Drayton
26.059	Shrewsbury	Market Drayton, Shrewsbury or Keele
26.060	Shrewsbury	MD
26.061	Shrewsbury	More local please
26.062	Shrewsbury	
26.063	Shrewsbury	
26.064	Shrewsbury College Arts & Tec	locally
26.065	Shrewsbury College	MD
26.066	Shrewsbury or Telford	Market Drayton
26.067	Shrewsbury/ Stoke on Trent	Market Drayton
26.068	Shrewsbury/Stoke on Trent	Market Drayton
26.069	Shrewsbury/Telford	M. Drayton
26.070	Somerset	Local
26.071	South Cheshire college	
26.072	Specialist Institutions and open learning online courses	As above
26.073	Stafford	
26.074	Stafford	
26.075	Staffordshire uni	
26.076	Staffordshire University	
26.077	Staffordshire University	
26.078	Stoke on trent	Closer to home
26.079	Stoke/Hanley	Market Drayton
26.080	Stoke-on-Trent	Online and Grove School and Festival Drayton centre.
26.081	Swansea	Landodr
26.082	TCAT	
26.083	Telford	Local
26.084	Telford	Market Drayton
26.085	Telford	
26.086	Telford and Shrewsbury	Market drayton
26.087	Telford and Wrekin	Not fussed
26.088	Telford College	somewhere nearer
26.089	Telford college of arts and technology	The Grove
26.090	Telford or Crewe	Market Drayton

	<b>Actual</b>	<b>Preferred</b>
26.091	Telford, Stafford, Shrewsbury, Birmingham, Manchester.	Telford , Shrewsbury or Market Drayton.
26.092	Telford/Shrewsbury	
26.093	The chance has not been given	
26.094	The Open University	The Open University, for "academic" professional development, coupled with an enhanced range of vocational short courses that would be provided at appropriate local venues such as schools or community halls et cetera.
26.095	Through employment in Telford	Local (vocational)
26.096	Various. Arranged through work.	Wherever suitable training is taking in place.
26.097	Walford college	Local
26.098	Warwickshire	Anywhere nearer!
26.099	Wem	Wem
26.100	Whitchurch	Market Drayton
26.101	Whitchurch	Market Drayton
26.102	Whitchurch	
26.103	Wolverhampton open University	
26.104	Wolverhampton, Telford and Alsager.	Market Drayton ( We need more adult learning opportunities at evening classes)
26.105		A university
26.106		Arts college
26.107		Chester
26.108		Crewe
26.109		Grove School
26.110		Here
26.111		Market Drayton
26.112		Market Drayton
26.113		Oswestry
26.114		Shrewsbury
26.115		Shrewsbury/Newcastle
26.116		Stafford
26.117		The Grove evening courses/ FDR day courses.
26.118		I wanted to learn Italian - Closest place was Whitchurch and they were full with a waiting list.
26.119		Yes but I would like more vocational training

## **Q28. What additional types of festivals, events, markets, cultural opportunities and visitor attractions would you like to see in Market Drayton to increase visitor numbers?**

*Please note comments in italics have been anonymised.*

- 28.001 Canal festival could be substantially expanded
- 28.002 A celebration of local produce (as in Ludlow) Demonstrations of vintage farming techniques Vintage vehicle displays & rallies
- 28.003 A Centre Parks type venue would be supported nationally. We have the space!
- 28.004 A circular horse riding route with accommodation for overnight stops.
- 28.005 A cycle run to match the MD10K
- 28.006 A fair with a variety of good rides and stalls. Like in Audlem but in Drayton.
- 28.007 A festival for children Something linked to the canal (folk festival?)
- 28.008 A gingerbread celebration day

- 28.009 A good range exists now - the important factor is to nurture and support them to ensure their continued existence.
- 28.010 A guided history walk
- 28.011 A market on Saturdays
- 28.012 A realistic plan to encourage local business here i.e. affordable rates!!!
- 28.013 A really good Christmas market and an improved weekly market
- 28.014 A summer food and drink festival with some music. A combined choir event bringing children and adults together singing popular music for the community
- 28.015 A walking festival or a canal festival.
- 28.016 A well organised carnival
- 28.017 All ok that is done
- 28.018 All types - the half marathon is a good example, as is the market, the fireworks and the excellent sports/recreation facilities in the town.
- 28.019 Amore eclectic programme at the Festival Centre.
- 28.020 An arts, local food & local crafts festival.
- 28.021 Antique Markets - Collectors and Flea Market - Car boot sale
- 28.022 Antiques fairs, Auctions, Car boot sales
- 28.023 Any
- 28.024 Any
- 28.025 Any
- 28.026 Any
- 28.027 Any addition would be a benefit to the town. Would especially like to see more 'good' places to eat and art and craft facilities
- 28.028 Any event must be well organized, attractive, well publicised - Drayton fest is starting this - the library also. Follow their lead. Improve appearance of shop fronts and waste spaces e.g. back of Bargain Booze and Chris Fennels. The gardens are brilliant.
- 28.029 Any that help boost local business profits. Not corporate like Argos & Costa etc.!!!
- 28.030 Anything that furthers local interests and growth
- 28.031 Anything... as long as it's well organised and well publicised to bring the visitors in.
- 28.032 Art/ craft fair at least quarterly , developing to monthly
- 28.033 Arts festival needs more art e.g. painting, photography, drawing etc. and be held in summer months.
- 28.034 Attract businesses to fill empty shops!
- 28.035 Beef festivals, more music festivals
- 28.036 Better advertising of Museum
- 28.037 Better farmers markets and outdoor music events
- 28.038 Better museum with local history.
- 28.039 Boat & Folk Festival Maybe use the town park for some events
- 28.040 Boat festival link to brewery - marina needs improving & marketing
- 28.041 But public transport must be improved form Cheshire
- 28.042 Canal attractions
- 28.043 Canal based
- 28.044 Canal boat trips along the canal
- 28.045 Canal needs to be promoted further with pedestrians directed from canal to town via Great Hales Street rather than Stafford Street/Rowan Road (both drab and poor impression of town to visitors). Great Hales Street much more attractive.
- 28.046 Car boot or/+ Bric-a-brac/collectors market
- 28.047 Car boot sales
- 28.048 Carnival
- 28.049 Carnival Better shops!!
- 28.050 Carnival back
- 28.051 Carnival back please
- 28.052 Carnival back? Horse fair? Maypole dancing on May Day?
- 28.053 Carnival parade. Good Christmas market over a weekend.
- 28.054 Carnival, food festivals, spring fairs

- 28.055 Carry on improving the existing ones (no other areas have done i.e. Audlem/Whitchurch).
- 28.056 Cheshire street closed to traffic on Saturdays so more stalls can set up
- 28.057 Chinese new year celebrated in town with a China town feel. Diwali is important too.
- 28.058 Christmas fairs Nature walks
- 28.059 Christmas markets Expand the Wednesday market
- 28.060 Community events create a heart to the area
- 28.061 Concentrate on local history and historical tours. be a smaller version of York with street entertainment etc.
- 28.062 Continental Markets
- 28.063 Continuation and improvement of the events that are, or have been, already organised.
- 28.064 Corralled regatta to raise funds to improve towpath, Woodlawn cutting on canal boardwalk needed. Cycles, doorway, horses unlikely.
- 28.065 Craft events and music for older people
- 28.066 Craft fairs
- 28.067 Craft fairs, food markets, Clive of India celebration. Gingerbread festival plus extras
- 28.068 Craft fairs, special events outsourced and bought into town
- 28.069 Cycle challenge, duathlon, Market Drayton half marathon, food festival.
- 28.070 Develop markets
- 28.071 Development of Saturday Market
- 28.072 Difficult question the town should look towards Nantwich and Newport for ideas the problem is getting local people involved in organising events we need more community spirit.
- 28.073 Do not let *named individual* organise another debacle like the Medieval Festival, shocking and have video evidence to prove it.
- 28.074 Enhancement and better support of existing
- 28.075 Events that emphasise healthy eating and/or exercise Events that showcase local talents/skills
- 28.076 Expand the shops & business in town
- 28.077 Extra stalls on a Saturday would be nice
- 28.078 Farmers market
- 28.079 Farmers market and or/ food fairs.
- 28.080 Farmers market regularly Classical concerts
- 28.081 Farmers market, festivals, arts festivals, foreign markets, cycling, walking groups
- 28.082 Farmers market.
- 28.083 Farmers market. Town carnival
- 28.084 Farmers markets
- 28.085 Farmers markets, car boot sales, agricultural shows, sports activities
- 28.086 Festivals/celebrations incl./Armistice most important Query return of carnival for hospitals
- 28.087 Folk festival. Jazz festival.
- 28.088 Folk music festival. Blues music festival. Comment you, non-competitive cycling events.
- 28.089 Food fair - Make the most of MD as a 'food' town - local produce , local firms
- 28.090 Food fair. Canal Festival. Countryside and country sports
- 28.091 Food fairs \*Historical festivals - Damson fair (but run properly!) \*Continental markets \* Dance events of different types \*Farmers markets \*Art festival with things for everyone to do \*More music of different types
- 28.092 Food fairs, craft fairs, specialised markets and a fair (with rides) in the holidays
- 28.093 Food Fayres of local produce & Christmas market. Carnival re-instated
- 28.094 Food festival e.g. Nantwich Town festival e.g. Eccleshall Not all medieval, more mixed cultural events
- 28.095 Food festival similar to what Taste of the Town did
- 28.096 Food festival, fairs, events
- 28.097 Food festivals, farmers markets as in Whitchurch?
- 28.098 Food festivals.
- 28.099 Football/cricket fixtures More concerts/theatre events
- 28.100 Free beer day?
- 28.101 FREE car parking in Frogmore Rd outside information at festival Drayton of current art exhibitions

- 28.102 Free parking. Bring back the carnival and get the empty house and shops tidied up and put to good use by reducing rent and rates. Also charity shop should not be allowed to sell any new product as they get an unfair advantage with reduced rent and rate and they don't pay for stock.
- 28.103 Free parking. Centre town closure at weekends. A place to stop over whilst on route to other towns
- 28.104 Fundraising Summer Fair
- 28.105 Generally North Shropshire is weak on promoting itself as a holiday/short break location with good access to places like Shrewsbury, Chester, the Potteries and parts of N. Wales. Market Drayton is no exception to this and it would be good to see it raise its profile in this respect.
- 28.106 Good current range, but poorly advertised/promoted outside of immediate town area.
- 28.107 Good Market at moment
- 28.108 Good Market at moment
- 28.109 Good Market at moment
- 28.110 Have a look at Whitchurch - well organised & very well supported
- 28.111 Having children's sessions such as boogie babies, jiggle tots, more sessions for children at the library such as twice weekly poems and singing, more street entertainment, better toilets and on other areas across town. Street entertainment at weekends, book fairs, antique fairs, care boot sales, brass bands, more utilisation of Drayton festival centre in the daytime for the above. More mums with pre-school children would utilise the centre with daytime fun activities for children. Children's ride on train events.
- 28.112 Historical guided walks
- 28.113 History, music festivals, sporting events
- 28.114 Hobby show - this could bring not only people of the town but also outsiders together of all ages i.e. knitting/sewing/golf/football/model railways/family tree etc.
- 28.115 I don't think it's as easy as this. Supporting new ideas. There are a number of music festivals, look at how you can grow these year on year. Things like Nantwich food show/ jazz festival weren't born overnight, need to evolve what we have.
- 28.116 I think DRAYTON has adequate provision for the above
- 28.117 I think that there are sufficient
- 28.118 I think the variety is good.
- 28.119 I think we already have quite a few. I would like to see all high street shops filled. Maybe Marks and Spencer? I am old sorry about writing.
- 28.120 I think we have a good variations of events. Very good.
- 28.121 I think we have enough - there is already a wide variety
- 28.122 I would like to see a bus company to take day trips out , like Jones coach ways and Butters Buses used to or week long trips to the seaside, it would be a great asset
- 28.123 If possible, more themed street events i.e. on the High street, pageants etc.
- 28.124 Improve cleanliness of footpaths, walkways and open spaces.
- 28.125 Improved wharf side facilities on canal - café, shops. Improved weekly market and with a wider variety of stalls Christmas market/frost fair on swimming baths grounds Car boot sale on swimming bath grounds
- 28.126 Improvement in shops
- 28.127 Inland waterways festival
- 28.128 It's nice to see actual times of events taking place at Christmas lights being turned on in your magazine
- 28.129 It's very important that we promote Market Drayton in all aspects, either on websites, we have a lot of history in the area, we should do all we can to set tourism, with festivals or anything else.
- 28.130 Jazz, football, rugby and other sports - singing groups
- 28.131 Just extend on the ones we have to make them better.
- 28.132 Larger museum that is open daily with local history on canals, farming, the area, the people, Shropshire's history etc. walking festival - something to celebrate the beautiful surrounding countryside that we have here Canal festival?
- 28.133 Larger scale events that could attract regional attention i.e. a larger music festival, car shows, concerts/live performances, more nightlife
- 28.134 Less charity shops/closed shops/bookies
- 28.135 Local produce market A carnival like it used to be!
- 28.136 Longer profile of canal
- 28.137 Maintain and improve what we have.

- 28.138 Make more of gingerbread Make more of canal Market group tours to attractions in area
- 28.139 Make more of the ones we have
- 28.140 Make more use of town park. Create an outdoor stage in the summer months for outdoor theatre productions!!
- 28.141 Make the museum better advertised and more central in town.
- 28.142 Many of the reasons we chose to move here - all very valuable to a community.
- 28.143 Market charter day? Perhaps.
- 28.144 Market Drayton has a good selection already however more could be done to promote and then facilitate these i.e. FREE PARKING
- 28.145 Market Drayton is not a tourist attraction stop wasting time and resources trying to pretend it is
- 28.146 Market Drayton is not a tourist spot
- 28.147 Market research needs to be done to answer the above.
- 28.148 Markets on Saturday (Street market)
- 28.149 Markets. If events - then anything - just make it better than the last couple - i.e. the Medieval Event was appalling and I was truly embarrassed by taking friends to it.
- 28.150 Markets-special occasions, festival events. 10k run days and Rock and Bowl very good for town
- 28.151 Maybe a proper cinema & train station reopened & train links re-established - maybe plays put on - & and a theatre group started up - things like Oktoberfest & Winterfest & summer fayres & carnivals etc.
- 28.152 More artisan food markets
- 28.153 More canal boats. Spaces + a caravan park
- 28.154 More cultural events run locally. More enthusiasm encouraged
- 28.155 More events centred around the canal, but this would be an issue because of poor parking/no toilets and poor access other than by water or pedestrian.
- 28.156 More events down by the canal
- 28.157 More farmers markets
- 28.158 More farmers markets Rejuvenate the Weds market, use to be better.
- 28.159 More frequent farmers markets Craft fairs Café alongside canal
- 28.160 More hotel to attract visitors
- 28.161 More like the Christmas lights event.
- 28.162 More live music/ theatre events. An annual cycle run.
- 28.163 More live performances at Festival Drayton, rather than films/videos. There should be a designated Tourist Information Centre, and a more informative website for visitors
- 28.164 More market stalls on Market Drayton, more for the young people to do, so they don't cause nuisance.
- 28.165 More markets
- 28.166 More markets focusing on local practises. Food festivals to showcase local restaurants.
- 28.167 More multi-cultural markets & summer carnival
- 28.168 More music events of all kinds. MD already has an excellent annual Rock 'n' Bowl festival for contemporary music and the new arts festival has successfully offered music events of several kinds. More of this throughout the year, please, to heighten awareness of Drayton within the region and beyond.
- 28.169 More pop concerts for young Cycling day shutting off major roads
- 28.170 More shops for every age
- 28.171 More shows, dog, horse, cars etc.
- 28.172 More to promote the history of the town, and to promote the lovely canal walks
- 28.173 More up to date films shown at Festival Drayton
- 28.174 More use is made of the canal
- 28.175 More use made of canal side areas
- 28.176 More use of the canal - a park / picnic area would be great by the canal.
- 28.177 More used should be made of the canal as a venue for boat rallies.
- 28.178 Music and food.
- 28.179 Music events indoor and outdoor i.e. a long time ago the swimming baths hosted the Drifters.
- 28.180 Music events, Beer festivals, German market festival marathons, etc.
- 28.181 Music festivals

- 28.182 Music festivals Market Days Carnival Day (please bring this back!) Fairs and fun days Christmas Festivals (Community spirit)
- 28.183 Music festivals Craft fairs Brewery tours/open days Food festivals
- 28.184 Music festivals are popular.
- 28.185 Music festivals similar to last night of the Proms but taking place outdoors with picnics & fireworks - Possibly make more of Market Drayton's link with Gingerbread?
- 28.186 Music, Arts, Sport, Food
- 28.187 Music/ Beer.
- 28.188 Musical e.g. folk/jazz
- 28.189 New bigger & better museum, gingerbread festival, visitor centre for nature reserves at bottom of town, bigger & better tourist information centre, more regular buses (e.g. 164/64), water park, marina with visitor centre & shops, new out-of-town shopping district.
- 28.190 No additional events just better planned & executed events with more things going on to entertain & encourage people to visit
- 28.191 No more necessarily, however what we do have should be organised properly and advertised effectively and learn from mistakes
- 28.192 None additional - just more focus on the ones currently hosted (Look to Whitchurch - Blackberry Fair for inspiration)
- 28.193 Not too many but well organised and well researched - Damson Fair was a disaster but could have been good Festival of Lights - all day and evening too long - late pm and evening enough - charities cannot man stalls and not enough residents to spread out all day - shorter time - more people - more "buzz"
- 28.194 Now that the re-enactment of the Battle of Blore Hall no longer takes place, there should be some other event to commemorate it.
- 28.195 Open air concerts/ Bank hol fetes
- 28.196 Perhaps a festival of culture - maybe a Gingerbread/Clive festival, to promote a good feeling and history about living in Market Drayton
- 28.197 Properly organised & publicised will do nicely.
- 28.198 Quality as opposed to quantity
- 28.199 Restaurant Farmers Market Need monthly event that is seasonal Reinvest in carnival
- 28.200 Rock & Bowl.
- 28.201 Saturday market More events for adults
- 28.202 Saturday market extended
- 28.203 Saturday once a month close Cheshire St. for market or events.
- 28.204 Show area
- 28.205 Similar to Ludlow: food : music
- 28.206 Small animal sales at cattle auction & car boot
- 28.207 Something needs to be done to stimulate traders back into the town centre. This would then put MD back on the map for tourism
- 28.208 Steam and vintage rally would be a big attraction as many locals own vintage vehicles
- 28.209 Summer carnival- music at summer markets
- 28.210 Summer Fete
- 28.211 The balance is right at the moment
- 28.212 The Drayton Fest and canal basin could be made more attractive to visitors. The bus station needs updating, people love a covered area?
- 28.213 The festival centre - the latest films out can be out the same time as the big company cinemas
- 28.214 The food fair as it was a few years ago.
- 28.215 The Medieval festival held in 2015 was appalling and an embarrassment to the town. The previous year's medical event had been good and entertaining so presumably this comes down to who is in charge of the organisation. Events will attract visitors if they appeal to all age groups and there is a lot going on. A marina by the canal with canal walks would attract visitors.
- 28.216 The ones I have attended have been very poor. Don't go anymore
- 28.217 The one's we have need to be better advertised, as you can't attend if don't know about them and when we have a festival ask the shops to stay open.
- 28.218 The recent arts festival attracted a large number of visitors to the town

- 28.219 The return of the carnival, more open air cultural music festivals which reflect the multi-national community in the town. Baltic style markets
- 28.220 The street market is the most important in terms of attracting people from out of town and it needs to continue to be encouraged to expand. Other events more important for those in town but tend not to have enough publicity.
- 28.221 The town carnival hopefully could be revived with helpful organisation from all organisations in the town and surrounding areas.
- 28.222 The town has significant but largely untapped tourism potential. E.g. the canal is almost completely unexploited. The town would benefit from a land mark development to draw in visitors. A key to unlocking this must be the canal.
- 28.223 The Wednesday market is very good - could we have a Saturday street market as well? The food market (inside) is excellent
- 28.224 Things based round the canal. Re open a cafe/restaurant by the canal.
- 28.225 This year we have had quite a lot of events well done except for the Damson debacle!
- 28.226 Those associated with the prime focus of the town - the canal.
- 28.227 To develop our town relationship with the canal, its heritage and its wildlife value
- 28.228 Tourist Guides
- 28.229 Transport for canal users at peak times to bring them into town
- 28.230 Transport vintage trucks buses tractors cars etc.
- 28.231 Variation on market themes e.g. specialist markets. Better quality and more independent shops.
- 28.232 Very much enjoyed the damson fayre when it was professionally organised by *named individual*. This year's event was a disaster, someone needs to be fired. The arts festival could be expanded and could be big attraction, especially with the large number of talented artists and writers in the town.
- 28.233 We need more events, more farmers markets, and bring back summer festival carnival.
- 28.234 We need to emphasize the area's unique assets e.g. Ford Hall Farm, Ginger bread, Historic Market town etc. Canal& boats.
- 28.235 We should celebrate the life of Robert Clive!
- 28.236 We should invest in marketing, the market should develop farmers markets, canal events arts/cultural events
- 28.237 Well run events unlike the 'Medieval' disaster
- 28.238 Wide variety
- 28.239 Would like to see more events like the mediaeval fair (in previous years, not this year's that was embarrassing). More music and arts events. Events like the switching on of the lights given more effort.
- 28.240 Xmas market, Carnival day, treasure hunt, Art festivals.

### Q30. Is there anything you would like to see in addition to the existing facilities?

---

- 30.001 24 hour garage and supermarket.
- 30.002 24 hour supermarket
- 30.003 A better bus service to/from the town with links to rail transport
- 30.004 A better museum or history centre, with eating facilities or talks, film shows on the area, we should sell our town.
- 30.005 A better selection of restaurants
- 30.006 A bigger museum
- 30.007 A caravan park + more canal boat spaces
- 30.008 A facility akin to the festival Drayton centre but open to local groups, as opposed to being donated or indebted who have facilities of their own and are offered under commercial concerns e.g. competition.
- 30.009 A good Italian restaurant
- 30.010 A good restaurant or bistro would be nice
- 30.011 A good restaurant that is not Indian or Chinese
- 30.012 A green grocers, a shoe shop, a proper all round toyshop, a material shop (dress making/curtain etc.)
- 30.013 A hotel, good quality restaurant
- 30.014 A larger Italian restaurant Mexican restaurant

- 30.015 A McDonalds on the A53 by Tunstall Hall
- 30.016 A more "up market" facility e.g. gastro pub, Italian/Thai restaurant As it is when we want to eat out we always go outside Market Drayton unless we want a curry!
- 30.017 A more visitor friendly town centre. Remodel the town centre - Cheshire street - into a shared space pedestrian friendly area with reduced parking and through traffic.
- 30.018 A post office in CENTRE of town
- 30.019 A quality restaurant is lacking.
- 30.020 A retail park with bigger stores for shopping, a new railway station
- 30.021 A small hotel built on the outskirts of town.
- 30.022 A small nightclub either in town or nearby for younger people to go to instead of leaving the town and travelling
- 30.023 A tidying up of certain properties within the town centre. The let us all down!
- 30.024 A venue for weddings, a good local restaurant featuring local produce.
- 30.025 A waste transfer station. Having to travel to Whitchurch is completely inefficient even when I visit when doing shopping. We need a facility close to the town - suggest Burnside Park.
- 30.026 Always nice to have a wide variety of shops to attract people - the more the better
- 30.027 A hotel carrying a national accreditation / recommendation.
- 30.028 Artisan bakery - only Greggs High street butchers - nothing in centre Too many charity shops! Too many hairdressers!
- 30.029 Bank
- 30.030 Better quality restaurant - posh nosh Afternoon community/social venue for older people More B&Bs
- 30.031 Better quality restaurant - posh nosh Afternoon community/social venue for older people More B&Bs
- 30.032 Better quality restaurant - posh nosh Afternoon community/social venue for older people More B&Bs
- 30.033 Better quality restaurants
- 30.034 Better quality shops e.g. clothes shops. High quality food takeaway e.g. delis open on Sundays.
- 30.035 Better rent offered to shop keepers
- 30.036 Better restaurants
- 30.037 Better shopping facilities, currently the town feels very run down. Children's indoor play area Cinema
- 30.038 Better shops - Poundland etc. Home Bargains
- 30.039 Better shops and gym facilities
- 30.040 Better standard of eateries within the town.
- 30.041 Better standard of restaurants!
- 30.042 Bring back Woolworths....
- 30.043 Burger King/ Kentucky fried chicken.
- 30.044 Cafes to be open on Sundays for tourists, especially for canal visitors
- 30.045 Caribbean, Portuguese, Mexican, Lebanese, African food restaurants
- 30.046 Cinema - theatre. Maybe places that do music lessons & courses in writing.. Reading/book clubs theatre group.... environmental groups. Astronomer clubs, just more hobby groups. Coffee mornings etc.
- 30.047 Clothes shops, shoe shops. More restaurants like an Italian, Tapas bar.
- 30.048 Clothing shops
- 30.049 Comment ' Not enough Child friendly restaurants '
- 30.050 Community workshops facilities where people could service their own cars, build small things for their own homes et cetera.
- 30.051 Day care facilities for children run by trusted CRB checked staff
- 30.052 Decent shops
- 30.053 Definitely need more good places to eat. Currently drive to Shrewsbury for this.
- 30.054 Different types of restaurants
- 30.055 Different types of restaurants e.g. Italian, Spanish, French, and wine bar.
- 30.056 English Food Restaurants
- 30.057 Free holiday in the sun with a wheelchair & someone to push me. Oops just dreaming again
- 30.058 Free parking as in neighbouring local towns and some street lighting (we currently have none after 11pm) as this discourages people from using these facilities at night.
- 30.059 Free Parking, especially for visitors and motorhomes

- 30.060 Gala bingo hall, 24hr store, Burger King or McDonald, as you have to travel out of Market Drayton for these facilities I'm sure they would be well used in Market Drayton.
- 30.061 Gingerbread and Kings Head and Weatherspoons are Restaurants
- 30.062 Gingerbread, Kings Head, Spoons and Tudor House are all pubs, but the only place to go for a home cooked style meal, all other restaurants are Chinese or Indian!!!!
- 30.063 Gluten free takeaways/restaurants/cafes
- 30.064 Good clothes shops, good toy shops, shoe shops
- 30.065 Good quality Italian restaurant
- 30.066 Good quality restaurant - not just pub food.
- 30.067 Greengrocer Shoe shop Somewhere to buy adult clothes
- 30.068 Higher quality of, and more variety of restaurants eg Italian or French restaurants.
- 30.069 I think there is room for at least one better quality restaurant
- 30.070 I was disappointed when Costa Coffee arrived in Market Drayton. Independent coffee shops with character enhance market towns in my opinion.
- 30.071 I would like to see more made of the canal, but using what we already have and adding to it. There is a building which I think is residential that would be perfect. We can have more floating market and the Talbot Pub would do better trade. Travelling theatre could come to town along the canal.
- 30.072 Improved shopping facilities (retail park)
- 30.073 In terms of restaurants and shops, there are limited options potentially attracting bigger chains to Market Drayton. Would increase foot traffic through the town centre.
- 30.074 Indoor leisure facilities
- 30.075 Italian restaurant
- 30.076 KFC - McDonalds
- 30.077 Lack of quality non-ethnic restaurants of good quality
- 30.078 larger shops - for clothes
- 30.079 Less betting and charity shops.
- 30.080 Less charity shops More unique shops/local small businesses as shops
- 30.081 Less charity shops and more new businesses/shops. Perhaps reducing business rates for the 1st year might encourage this.
- 30.082 Less charity shops!
- 30.083 Less empty shops Need more affordable shops Not anymore charity shops
- 30.084 Less empty shops - possible rate reduction for small businesses
- 30.085 Low cost hotel on edge of town (40 beds)
- 30.086 Mac Donalds sad to say
- 30.087 Marks & Spencer, Tesco, Waitrose, T K Maxx (clothing), Next (more retail reduce community travelling & attract more around borough)
- 30.088 Marks and Spencer store with food
- 30.089 McDonald's
- 30.090 McDonalds or alike KFC Nandos
- 30.091 McDonalds would be nice and definitely Subway to come back into the town
- 30.092 More activities for kids. Soft play.
- 30.093 More beer gardens.
- 30.094 More better standard restaurants, please!
- 30.095 More chain restaurants/pubs. Would love a Pizza Express or equivalent. I like cafes and have tried all in Drayton and having young kids was pretty disappointed by the selection. Costa has enticed me back into the town centre rather than going to Newport. Go Weatherspoons regularly, and Red Lion. Too many old man pubs generally, when i lived in Oxfordshire much more enjoyed the pubs there. Pity there isn't a McDonalds either.
- 30.096 More decent restaurants AND more accommodation for tourists
- 30.097 More decent upmarket shops Less empty shops
- 30.098 More family friendly, affordable places to eat, a KFC/Mcdonalds/Burger King or pub to rival Gingerbread man.
- 30.099 More group accommodation
- 30.100 More high street clothing shops

- 30.101 More holiday homes to encourage tourists to stay a while not just pass through e.g. Dearnford Park (whitchurch)
- 30.102 More interesting shops - need - books, clothes we have too many gift shops electrical/TV
- 30.103 More interesting small shops
- 30.104 More nightlife facilities, a bowling alley, perhaps a franchise restaurant to attract visitors
- 30.105 More options for eating out in the evening with children
- 30.106 More public toilets round town
- 30.107 More self catering accommodation
- 30.108 More shops ie shoe shop, clothing
- 30.109 More toilets in the area
- 30.110 More upmarket restaurants - an Italian would be ideal as there is nowhere locally that fits that requirement
- 30.111 More use of canal
- 30.112 More variety of restaurants
- 30.113 Multiplex cinema, bowling
- 30.114 My kids would like a McDonalds!
- 30.115 Need good quality restaurant if you want to attract visitors
- 30.116 Needs a GOOD QUALITY British restaurant
- 30.117 Nice bistro, restaurants
- 30.118 Nice Italian restaurant
- 30.119 No
- 30.120 No
- 30.121 No
- 30.122 No
- 30.123 No big demand in reality We have Telford, Shrewsbury, S.O.T. Wolverhampton for big purchases plus it is a day out
- 30.124 No more hairdressers
- 30.125 No. Actually quite pleased we don't have a McDonalds or Burger King.
- 30.126 No. Only larger skate park. Re-run the youth club
- 30.127 Open space environment
- 30.128 Out of town motels
- 30.129 Pavement seating on SUNNY side of Cheshire Street. NO cars between 10.30 - 3.30?
- 30.130 Pizza/fast food outlet
- 30.131 Play areas where no alcohol is allowed to be consumed. e.g. indoor play areas such as Gingerbread man can drink alcohol in child areas.
- 30.132 Poor - takeaways
- 30.133 Quality is key best quality
- 30.134 Quality restaurants
- 30.135 Restaurants B & B's etc
- 30.136 Restaurants of different kinds, not just Indian or Chinese
- 30.137 Restoration of Corbet Arms as a hotel/ restaurant.
- 30.138 Shoe shop, book shop, decent clothes shop. Launderette near centre. Baker & butcher in town centre. Fewer betting shops.
- 30.139 Shoe shops
- 30.140 Shoe shops less charity shops
- 30.141 Shoe shops. Lower rents for shops to stay open.
- 30.142 Shops that are open every day of the week instead of being closed on weekdays, this can be viewed as a prevention to enter the town.Cafe with a childrens play area in the town.Shops, library and tourist center being child friendly and welcoming parents to take their children into their toilets when this is very much needed due to toilets too far away for little children to walk to.
- 30.143 Soft play areas with or without snack facilities.
- 30.144 Some decent shops - clothes, quality shoe shops etc
- 30.145 Some money spent on improving the look. Some shops a facades look tiredand unattractive.
- 30.146 Some more restaurants

- 30.147 Something more for teenagers-cafes open later suitable of 14-18 year olds
- 30.148 Specialist shops
- 30.149 Ten pin bowling, cinema complex and nightclub
- 30.150 The Corbet Arms Inn returned to a lovely old coaching inn. Hardly the place for the post office
- 30.151 There are not enough restaurants, chain take aways like pizza hut or hotels.
- 30.152 Too many charity shops in Cheshire Street.
- 30.153 Too many run down and empty shops. New businesses open but tend to shut quickly. The town looks run down and therefore people shop elsewhere, it's a downward spiral. Compared to Newport the town looks so down at heel and it could be lovely.
- 30.154 Town butchers shop in centre Bakery without steps making inaccessible
- 30.155 Travelodge/Premier Inn style accommodation would be a welcome addition in or near the town.
- 30.156 Upper market restaurant
- 30.157 Waste not want not... Education on food waste (other waste) recycling reusing
- 30.158 Water park, visitor centre for town, visitor centre for walkers, cycleways. Even though it's highly unlikely, a train station and train service would bring a massive amount of tourism to the area and encourage a lot more people to move, live & work here. The buses are so infrequent & untrustable that getting to & leaving the town is a complete nightmare.
- 30.159 We could do with more choice of restaurants, there are too many Indian restaurants, if you don't like Indian food there is only the Ambrosia. It would be nice to have an Italian, Thai or Mexican choice.
- 30.160 We need a MOTEL. We stayed in a local pub while house hunting and it was AWFUL. We need reliable, decent accommodation.
- 30.161 Well known retail shops
- 30.162 Would like to see larger stores in Market Drayton
- 30.163 Yes a McDonalds, I've lived in Drayton all my life and worked here (46 years). 2 shops I've always thought would help Drayton were Argos and McDonalds.
- 30.164 Yes, more gastro pubs, like the Combemere arms.
- 30.165 Yes. Good restaurants within walking distance.
- 30.166 Youth café offering informal opportunities for advice and motivational talks
- 30.167 Youth café or similar for teenagers.

### Q31. Do you think it would be good for Market Drayton if a marina was built to the North East of the Shropshire Union Canal in the vicinity of Victoria Wharf together with other facilities and possibly some housing? Additional comments

---

- 31.001 And a gypsy site as required by legislation and ignored for those many years and shunted onto prime land i.e. travellers pitches to match boats and houses and community and affordable.
- 31.002 But no housing
- 31.003 Definitely no new housing north of A53
- 31.004 Don't know where this is
- 31.005 It would be good if there was a bus service from canal whether a marina is built or not. Given if it was only twice a day there and back. It's quite a walk and may encourage more boaters to shop in Market Drayton. Before we lived here I used to hate that walk there and back to shops. Trying to carry as much shopping as possible back to the boat. No housing though especially social - too much already for a small town
- 31.006 Marina only, no housing
- 31.007 Marina YES! Facilities some! Definitely NO housing
- 31.008 No housing
- 31.009 No housing
- 31.010 Space for a small number of visiting caravans would be good - ride? overwater marina
- 31.011 This is an impossible question to answer without more details. I wouldn't like any green areas to be used and if it's the area that I think you mean then it's a lovely peaceful area of the canal and great for

walking. The area, that I believe is called Talbot Wharf, is in desperate need of some TLC. This was quite a vibrant area when the canal business was operating but it's now very depressing and doesn't inspire any boating visitors to want to stop and explore the town. If a marina is planned can it not be in this area?

- 31.012 We have NB on canal and this would bring more boats
- 31.013 With a café
- 31.014 Without housing
- 31.015 YES - sounds fantastic!
- 31.016 Yes if it makes a profit
- 31.017 Yes to Canal wharf, no to housing
- 31.018 Yes to marina and No to housing

### Q35. What would encourage you to do more of your shopping in Market Drayton? Other, please specify.

---

- 35.001 A bigger purse or a deeper pocket. More home space and a better appetite!
- 35.002 A department store!
- 35.003 A GOOD shoe shop
- 35.004 A pedestrian crossing from the Hippodrome to Cheshire St.
- 35.005 A secure park-and-ride facility with a frequent shuttle bus service to the town centre. This is not so much for myself as for others, since I have seen the success of park-and-ride facilities elsewhere.
- 35.006 Aldi
- 35.007 Another top 5 supermarket in the town
- 35.008 Ask Newport town council and traders how they manage to keep the town alive, thriving and busy.
- 35.009 Better variety and quality
- 35.010 Cafes - None open on Sunday
- 35.011 Car parks should have facilities for parent and child. As a grandmother I struggle getting children out
- 35.012 Cheaper parking charges. Why is Whitchurch cheaper to park than Drayton? Both in Shropshire!
- 35.013 Cheaper stores closer to my home
- 35.014 Child parking spaces
- 35.015 Cleaner environment More seating areas that are appealing to the eye
- 35.016 Click and collect with lower spend required, Discount stores e.g. poundland/99p
- 35.017 Clothes shops please
- 35.018 Clothes shops, Shoe shops, good quality up market shops.
- 35.019 Clothing/Shoe shop Garden centre
- 35.020 Currently no free parking in town (just half an hour on street) so this means I do not use the small local shops as there is insufficient time to shop as having to pay parking puts the prices up on my purchases.
- 35.021 Decent butcher in town centre
- 35.022 Decent clothes shops like the one in Shropshire St. that closed some years ago.
- 35.023 Depends on which chain stores
- 35.024 DIY Art
- 35.025 Endeavour to shop locally at all times
- 35.026 Face lift of all empty properties
- 35.027 Free car parking
- 35.028 Free disabled parking pedestrianise town centre
- 35.029 Free easier parking
- 35.030 Free parking
- 35.031 FREE parking
- 35.032 Free parking
- 35.033 Free parking
- 35.034 Free parking

- 35.035 Free parking
- 35.036 Free parking
- 35.037 Free parking
- 35.038 Free parking
- 35.039 Free parking (Newport doesn't charge!) Shop locally cards - like a loyalty card for residents of M/D
- 35.040 Free parking for 30 mins in Queen St. and Frogmore Rd
- 35.041 Free parking for longer periods like in Whitchurch, Newport etc.
- 35.042 free parking i do all shopping at stores that have free parking
- 35.043 Free parking or lower charges
- 35.044 Free parking that does not restrict time frames - e.g. Newport
- 35.045 Free parking within town centre.
- 35.046 Free parking!
- 35.047 Free parking!
- 35.048 Free parking! Better quality than some existing shops
- 35.049 Free Parking! It's provincial town reliance on parking to shop!!!
- 35.050 Free parking, Distinctive specialist shops e.g. Shoe
- 35.051 Free parking, I will NOT pay to park here!
- 35.052 Free parking, open a Waitrose or Sainsbury's
- 35.053 Free parking.
- 35.054 Free parking. This would encourage me to use local services more frequently.
- 35.055 Good 'family' shoe shop e.g. Clarks. Large electrical store "Curry's"
- 35.056 Good quality supermarket
- 35.057 Good selection of existing shops - shoe shops would be nice
- 35.058 Good shoe shop.
- 35.059 Good supermarkets, Waitrose, Sainsbury's, Tesco
- 35.060 Good toy shops
- 35.061 Green grocer, Butcher in town
- 35.062 High quality chain stores
- 35.063 High quality chain stores
- 35.064 HSBC & Britannia closing means we go into Market Drayton less often.
- 35.065 I already do most of my shopping in Market Drayton - shoe shop would be good
- 35.066 I already do most of my shopping in Market Drayton. I like to use our local shops
- 35.067 I do all my shopping in Market Drayton except for shoes & clothes
- 35.068 I do shop in Market Drayton
- 35.069 I think there's a good variety of shops - I don't shop in them as some don't interest me.
- 35.070 If I had more money. I am ill & live on E.S.A. at present
- 35.071 If there were fewer pubs and a lot less takeaways.
- 35.072 Increasing the attractiveness of the town. Floral displays, less litter!
- 35.073 It would be nice if we didn't have to pay to park! The shops are fine/good - but it would be nice to have a few more 'main' shops & maybe a McDonalds for example
- 35.074 John Lewis Marks and Spencer Sainsbury's Waitrose
- 35.075 Keen pleasant shopkeepers who look as if they want to do business. Better displays. Shopkeepers here don't have a clue about customer service, display or actively selling.
- 35.076 Larger store with better range of items.
- 35.077 Later opening
- 35.078 Later opening times, more coffee shops.
- 35.079 Less Charity shops!
- 35.080 Local exchange trading schemes i.e. A 'Drayton' worth £1 i.e. local currency.
- 35.081 M & S (also added this comment next to chain stores option)
- 35.082 M & S food store
- 35.083 M&S food store, shoe shop, better clothes stores
- 35.084 MD needs to adapt. People like going shopping to big out of town facilities, it's the trend in clothes shopping. Electricals has mostly gone online. I use charity shops, cafes/pubs, hair dressers, discount

shops, watch battery replacement, dry cleaners. Independent shops is too general, they need to be created by passionate people with a great idea, there used to be an "India shop" (fair trade) when I lived in Wantage we shopped in a lot.

- 35.085 Men's clothing shops like Greenwood
- 35.086 Men's clothing. Outdoor clothing.
- 35.087 Menswear
- 35.088 More free parking increases foot flow & turnover. Shops, cash in community
- 35.089 More frequent buses
- 35.090 More money
- 35.091 More regional produce in shops reflecting town's character/rural identity. e.g. Provide a space for farmers to sell excess produce at cheaper prices - co-operative/seasonal DAILY! We need some local grocery shops.
- 35.092 Morrison's and Asda to stop hiking their prices up commented "less" next to "charity shops"
- 35.093 New Look & Next - chain store, charity shops - NO!
- 35.094 Next to "Easier Parking" commented "No parking charge!"
- 35.095 No COST easier parking
- 35.096 No large concerns
- 35.097 No need for traffic wardens we need to encourage people not to deter them
- 35.098 NO parking charges like other towns in N. Shropshire
- 35.099 Nothing would encourage us as we never go anywhere else!
- 35.100 One decent sized supermarket. Return to a better market. Nothing to visit Market Drayton for except Festival Drayton.
- 35.101 Open space environment -better town space
- 35.102 Parking charges are crippling the already struggling independent shop keepers - should be at least 45min free parking before charges
- 35.103 Parking charges just to pay attendant
- 35.104 PARKING improvements essential. And should be FREE for 60 min period
- 35.105 Public transport!! A bus service into Market Drayton
- 35.106 Quality clothing shops
- 35.107 Restoration of full library services. Good independent bookshop.
- 35.108 Shoe shop
- 35.109 Shops selling local produce from farms \*Fruit and Veg \*Electrical \*Music/Books
- 35.110 Specialist independent shops
- 35.111 Stop parking charges.
- 35.112 Suggestion: crèche available for couple of house for shoppers.
- 35.113 The market closes too early - it should stay open for business much longer
- 35.114 The Parking has got to be better, and the carpark behind the new post office in the High street should have the first 30 mins free!
- 35.115 Too many charity shop already!!
- 35.116 Too many charity shops
- 35.117 Too many second hand and budget/value shops.
- 35.118 We need to encourage more and a larger range of town centre shops. Make the bigger chains rent smaller shops in the town centre.
- 35.119 What we do not need is more supermarkets and chain stores

### Q38. How might the markets be improved?

---

#### **Wednesday Street Market**

- 38a.001 A cohesive cover over all stalls and walkways or an indoor site. Fabric / haberdasher stalls, wool, baby wears.
- 38a.002 A good balance of frivolous and household goods
- 38a.003 A variety of stalls that appeal to everyone (teens)

- 38a.004 Affordable
- 38a.005 All back in one street
- 38a.006 ALL free car parks Wednesday ONLY
- 38a.007 All market stall vans to be clear of the street by 9.00am
- 38a.008 All stalls under cover. No parked vans.
- 38a.009 Although much improved greater range of products would be welcome
- 38a.010 Antique stalls, entertainment, second-hand stalls, second-hand book stalls, children's clothes/items stalls, music.
- 38a.011 Apparently the rent is high...
- 38a.012 Appropriate for town size
- 38a.013 As many stalls as there were twenty years ago (that was why I used them)
- 38a.014 Attract more stalls
- 38a.015 Better advertising
- 38a.016 Better advertising and diversity.
- 38a.017 Better choice of goods available
- 38a.018 Better marketing and quality of goods
- 38a.019 Better quality
- 38a.020 Better quality
- 38a.021 Better quality & range
- 38a.022 Better quality & regular stall holders
- 38a.023 Better quality and variety of products
- 38a.024 Better quality clothes stalls
- 38a.025 Better quality goods and more stalls for babies/ kids.
- 38a.026 Better quality goods and produce
- 38a.027 Better quality items, less clothes more good local foods, veg etc.
- 38a.028 Better quality merchandise
- 38a.029 Better quality of stalls/goods - less 'tat'
- 38a.030 Better quality stalls
- 38a.031 Better quality stalls and wider range
- 38a.032 Better range - breads, cheeses etc. More food - less tools/plants etc.
- 38a.033 Better range of stalls
- 38a.034 Better range of stalls and covering for rainy days
- 38a.035 Better range of stalls
- 38a.036 Better selection of stalls - less repetition of Poundstore tat.
- 38a.037 Better stalls - higher quality items
- 38a.038 Better stalls, more variation.
- 38a.039 Better/free parking
- 38a.040 Bigger & more diversity
- 38a.041 Boring if you go every week. Needs changing around.
- 38a.042 Brill!
- 38a.043 Bring in more variety of things for sale
- 38a.044 Can never be too many stalls
- 38a.045 Charging less rent then more may come?
- 38a.046 Close it
- 38a.047 Closing a bit later for afternoon shoppers
- 38a.048 Continue prices down
- 38a.049 Could be improved
- 38a.050 Different stalls (visiting)
- 38a.051 Don't know, we're working so cannot get to it.
- 38a.052 Dreadful. 10 years ago there were wonderful stalls (fabrics, quality clothes) ....just rubbish now.
- 38a.053 Easier cheaper parking, or no charge.
- 38a.054 Easier parking
- 38a.055 Encourage more choice of stalls, make it easier to provide a stall.

- 38a.056 Even more stalls (food e.g. continental)
- 38a.057 Expand
- 38a.058 Expand stalls to extended streets
- 38a.059 Fine
- 38a.060 Food stalls, nicer gift stalls
- 38a.061 Footwear stalls, more variety
- 38a.062 Free parking
- 38a.063 Free parking
- 38a.064 Free parking
- 38a.065 Free parking then I will shop there
- 38a.066 Free parking, more parking
- 38a.067 Get different stalls in every 2 weeks on a rota system
- 38a.068 Get rid of the cheap tacky stuff
- 38a.069 Give them back to the traders
- 38a.070 Greater range of stalls- offering variety of goods
- 38a.071 Greater range of stalls.
- 38a.072 Greater variety
- 38a.073 Greater variety - fresh food
- 38a.074 Greater variety of stall holders.
- 38a.075 Greater variety/or farmers market/or antique market.
- 38a.076 Has already been significantly improved
- 38a.077 Has greatly improved over the last 18 months
- 38a.078 Have free parking on Wednesdays
- 38a.079 Have less tat stalls
- 38a.080 High street fashion from boutique shops
- 38a.081 Higher quality goods and less cheap and tacky goods
- 38a.082 Hold it in the evening too
- 38a.083 I am disabled, so if I can get around pushed in a wheelchair, I would use both markets more often. Alas, I cannot do that without a friend
- 38a.084 I am usually at work on Wednesdays
- 38a.085 I think both markets are good value & items well displayed
- 38a.086 I think it has improved very well over the past couple of years and almost always looks attractive. I really like the plant stalls. I can't really suggest any improvements.
- 38a.087 I think it is fine at the moment
- 38a.088 I think it's quite good, but bigger is always better and will attract more outsiders to come for the day
- 38a.089 I work full time
- 38a.090 Improve Wednesday parking
- 38a.091 Improved variety of stalls
- 38a.092 In summer opening for people who work
- 38a.093 Include local farmers market
- 38a.094 Increased vendors
- 38a.095 It has already much improved in the last year
- 38a.096 It has been much improved
- 38a.097 Just bring them on
- 38a.098 Keep all the food stalls in the inside market
- 38a.099 Keep cost of renting stalls down
- 38a.100 Larger range of stalls
- 38a.101 Less of the rubbish sold & more choice of produce. Parking an issue too.
- 38a.102 Less 'Tatty' clothes more food.
- 38a.103 Let the market traders run it
- 38a.104 Limit the number of 'same' stalls
- 38a.105 Live entertainment

- 38a.106 Make better use of Queen street and the Square, freeing up the Main Cheshire street for not being the street Market any longer, so allowing main shops to develop their offer on such days.
- 38a.107 Make it more spread out, too crowded
- 38a.108 More artisan food, less cheaper goods
- 38a.109 More children's clothing.
- 38a.110 More choice and more local produce. More advertising
- 38a.111 More choice of stalls
- 38a.112 More choice/fresh veg/local food
- 38a.113 More different types of stalls
- 38a.114 More diverse stalls
- 38a.115 More diversity
- 38a.116 More food stalls, greater range of other stalls, encourage higher quality enterprises - many of the existing ones are poor quality
- 38a.117 More 'gift' stalls
- 38a.118 More interesting craft stalls
- 38a.119 More local produce
- 38a.120 More local produce - less tat.
- 38a.121 More local produce, bread, veg, food. Publicity would help & better parking
- 38a.122 More local traders, stalls, variety.
- 38a.123 More of different types
- 38a.124 More parking for white vans
- 38a.125 More parking spaces and free
- 38a.126 More range of products, better quality
- 38a.127 More seating available for shoppers eg pensioners & NOT for stall holders
- 38a.128 More specialist stalls
- 38a.129 More stall, different goods more novelty stalls
- 38a.130 More stalls
- 38a.131 More Stalls
- 38a.132 More stalls
- 38a.133 More stalls
- 38a.134 More stalls
- 38a.135 More stalls
- 38a.136 More stalls
- 38a.137 More stalls
- 38a.138 More stalls
- 38a.139 More stalls
- 38a.140 More stalls
- 38a.141 More stalls
- 38a.142 More stalls - more choice
- 38a.143 More stalls - more space
- 38a.144 More stalls & more support from the town
- 38a.145 More stalls / variety
- 38a.146 More stalls and more variety
- 38a.147 More stalls regular pitches
- 38a.148 More stalls with unusual items - the current stalls sell a good range but merchandise is simply 'useful'
- 38a.149 More stalls, buskers/musical entertainers
- 38a.150 More stalls, different variety
- 38a.151 More stalls, more variety
- 38a.152 More traders and variety
- 38a.153 More upmarket stalls
- 38a.154 More variety
- 38a.155 More variety
- 38a.156 More variety

- 38a.157 More variety
- 38a.158 More variety
- 38a.159 More Variety
- 38a.160 More variety
- 38a.161 More variety
- 38a.162 More variety
- 38a.163 More variety - food stalls?
- 38a.164 More variety - fresh produce - less tat!
- 38a.165 More variety / specialist retailers
- 38a.166 More variety and less expensive clothes and accessories. Open a bit later. Please note: our overseas visitors and those on canal love visiting the market
- 38a.167 More variety and quality and more stalls
- 38a.168 More variety of stall. more food stalls
- 38a.169 More variety of stalls
- 38a.170 More variety of stalls
- 38a.171 More variety of stalls
- 38a.172 More variety.
- 38a.173 Move to better location with more space
- 38a.174 Much improved of late - vibrant
- 38a.175 Music - bus trips in
- 38a.176 Need more range of stalls
- 38a.177 Never been due to work, but believe they are thriving
- 38a.178 New stalls
- 38a.179 No longer easy as I use a walking frame
- 38a.180 No need for change as long as variety of outlets continue.
- 38a.181 Not so much tat more useful stuff
- 38a.182 OK as it is now
- 38a.183 Ok but indoor needs filling up.
- 38a.184 Only because we rarely use cash - 90% of our purchases are card based. Encourage more stall holders with wider variety of goods. Offer stall holders free Wi-Fi to enable them to offer card payments. No butchery or fish because the smell is off putting. We don't use the market for this reason. Even the areas adjacent smell horrendous on a Saturday so we avoid the whole walkway area.
- 38a.185 Open for longer in the summer, people know the Market closes early, so they go home too.
- 38a.186 Outdated- needs re-vamp.
- 38a.187 Park-and-ride facility.
- 38a.188 Perhaps have a Saturday market monthly, a lot of people are at work on Wednesdays
- 38a.189 Restrict the number of each category of stalls
- 38a.190 Some more different stalls.
- 38a.191 Some stalls only appear occasionally
- 38a.192 Some stalls sell tat
- 38a.193 Stalls offering more variety
- 38a.194 Stay longer start leaving at 2pm
- 38a.195 That traders would turn up each week
- 38a.196 The market is perfect, it just needs more advertising for it to get more people here.
- 38a.197 There are a few empty stalls - can they be filled?
- 38a.198 They are all really good now
- 38a.199 They are antiquated nothing for youngsters
- 38a.200 They are fine
- 38a.201 They are ok
- 38a.202 They seem fine to me!
- 38a.203 Think they were improved s couple of years ago with uniformity of stalls and a good range of stalls. I just don't shop at markets as prefer higher quality goods.
- 38a.204 This is improved and worth a visit. Could help by having occasional entertainment.

- 38a.205 To have more stalls every week
- 38a.206 To stay open longer
- 38a.207 Transport from surrounding villages
- 38a.208 Try to attract more skills i.e. free/lower rent
- 38a.209 Very good
- 38a.210 When they all turn up
- 38a.211 Wider range of products as when first taken over recently
- 38a.212 Wider range of stalls
- 38a.213 Wider range of stalls and better quality
- 38a.214 Wider range of stalls. Reduce rents then all the units would be occupied, market would then look more inviting. Better publicity at facility
- 38a.215 Wider range, better quality
- 38a.216 Wider variety of stalls
- 38a.217 Wider variety of stores - happy faces

### **Saturday Indoor Market**

- 38b.001 A few more stalls
- 38b.002 A wasted building. Should be open Mon - Sat.
- 38b.003 Affordable
- 38b.004 Antique stalls, entertainment, second-hand stalls, second-hand book stalls, children's clothes/items stalls, music.
- 38b.005 Apparently the rent is high...
- 38b.006 Appropriate for town size
- 38b.007 Attract more stalls
- 38b.008 Being a little bigger
- 38b.009 Better advertising
- 38b.010 Better marketing and quality of goods
- 38b.011 Better quality
- 38b.012 Better quality
- 38b.013 Better quality and variety of products
- 38b.014 Better quality goods and more stalls for babies/ kids.
- 38b.015 Better quality goods and produce
- 38b.016 Better quality items, less clothes more good local foods, veg etc
- 38b.017 Better range of items
- 38b.018 Better range of stalls. More local farm produce.
- 38b.019 Better selections/Poor choice at the moment
- 38b.020 Better/free parking
- 38b.021 Bigger market
- 38b.022 Bigger with more outlets
- 38b.023 Brill!
- 38b.024 Bring in more artisan food sellers and producers, like Nantwich has and more cafe offers. Do not shut up Cheshire Street for odd market special days, but make use of the space under the library etc.
- 38b.025 Bring in more variety of things for sale
- 38b.026 By encouraging more traders with fair rents and less restrictive conditions of access etc.
- 38b.027 Close Cheshire St to increase car free zones!!
- 38b.028 Close Cheshire street to traffic
- 38b.029 Close it
- 38b.030 Continue prices down
- 38b.031 Could be extended
- 38b.032 Could be improved
- 38b.033 Could there be a stall where crafted items by local people were on sale, the equivalent of the cake stall?
- 38b.034 Decorate to room, make it more appealing

38b.035 Don't know don't go due to work/child commits  
 38b.036 Due to space, it is fine at present  
 38b.037 Even more stalls (food e.g. continental)  
 38b.038 Extended outside in summer  
 38b.039 Extended space.  
 38b.040 Fill it up  
 38b.041 Free parking  
 38b.042 Free parking then I will shop there  
 38b.043 Free parking, more parking  
 38b.044 Free parking... even if it's just for a couple of hours in the morning  
 38b.045 Fruit & vegetables locally sourced otherwise already adequate + more local produce  
 38b.046 Greater presence from Farmers Markets  
 38b.047 Greater range of stalls  
 38b.048 Greater variety of stall holders.  
 38b.049 Have free parking on Saturdays  
 38b.050 Higher quality produce  
 38b.051 Higher quality stalls  
 38b.052 I think both markets are good value & items well displayed  
 38b.053 Increase stalls outside around and about the indoor market  
 38b.054 Increased vendors  
 38b.055 Is nicer because it's compact, but would like to see a wool stall and fabric stall.  
 38b.056 It is a pity people are not able to make any business pay other than those already established  
 38b.057 It would be improved if the WI market were to move there, although perhaps it would be difficult to staff on a Saturday?  
 38b.058 Keep cost of renting stalls down  
 38b.059 Keep rents down to ensure all stalls are used.  
 38b.060 Knowing opening times/advertisements to encourage usage. not sure of what is available  
 38b.061 Larger market  
 38b.062 Less of the rubbish sold & more choice of produce. Parking an issue too.  
 38b.063 Live entertainment  
 38b.064 Make it bigger using streets  
 38b.065 More choice of stalls  
 38b.066 More artisan food, less cheaper goods  
 38b.067 More choice and more local produce. More advertising  
 38b.068 More choice/local food  
 38b.069 More crafts and gifts  
 38b.070 More diverse stalls  
 38b.071 More food stalls needed - how about incentives? ( the TV is full of cookery programmes)  
 38b.072 More food stalls, greater range of other stalls, encourage higher quality enterprises - many of the existing ones are poor quality  
 38b.073 More hardware stalls.  
 38b.074 More local produce  
 38b.075 More local produce - less tat.  
 38b.076 More local traders, stalls, variety.  
 38b.077 More of a market  
 38b.078 More of different types  
 38b.079 More outdoor stalls  
 38b.080 More parking spaces and free  
 38b.081 More range and quality items.  
 38b.082 More range of products, better quality  
 38b.083 More range of products/more farm shop type products  
 38b.084 More sites being used  
 38b.085 More specialist stalls

38b.086	More speciality foods. Some stalls are replicas of shops in the town already
38b.087	More stall holders
38b.088	More stall holders -matching the Wednesday market.
38b.089	More stall holders, empty premises are a deterrent.
38b.090	More stalls
38b.091	More stalls
38b.092	More stalls
38b.093	More stalls
38b.094	More stalls
38b.095	More stalls
38b.096	More stalls
38b.097	More stalls
38b.098	More stalls
38b.099	More stalls
38b.100	More stalls
38b.101	More stalls
38b.102	More stalls
38b.103	More stalls
38b.104	More stalls
38b.105	More stalls
38b.106	More stalls
38b.107	More stalls
38b.108	More stalls
38b.109	More stalls
38b.110	More stalls
38b.111	More stalls
38b.112	More stalls
38b.113	More stalls
38b.114	More stalls
38b.115	More stalls - more choice
38b.116	More stalls - plants, deli, vegetables and outdoor stalls
38b.117	More stalls (not food)
38b.118	More stalls and more variety
38b.119	More stalls as per wed
38b.120	More stalls instead of butchers
38b.121	More stalls paying reduced rents
38b.122	More stalls regular pitches
38b.123	More stalls that appeal to everyone and teens. Stay open later for school kids
38b.124	More stalls, more variety
38b.125	More stalls, open for longer.
38b.126	More stores/ open longer.
38b.127	More traders
38b.128	More traders and variety
38b.129	More upmarket stalls
38b.130	More variety
38b.131	More variety
38b.132	More variety
38b.133	More variety
38b.134	More variety
38b.135	More variety
38b.136	More variety
38b.137	More variety
38b.138	More variety

38b.139 More variety  
 38b.140 More variety of produce  
 38b.141 More variety of stall. more food stalls, lower rents  
 38b.142 More variety of stalls  
 38b.143 More variety/ activities to encourage public tourist  
 38b.144 Most stalls are shut.  
 38b.145 Need bigger premises for more stalls.  
 38b.146 Need more stallholders  
 38b.147 Needs more sellers & range yet again - all meat & fish  
 38b.148 New building is an improvement  
 38b.149 No butchery or fish because the smell is off putting. We don't use the market for this reason. Even the areas adjacent smell horrendous on a Saturday so we avoid the whole walkway area.  
 38b.150 Not been!  
 38b.151 Not enough on sale.  
 38b.152 Not enough stalls  
 38b.153 Not enough stalls  
 38b.154 not enough stalls and should be open more as it was when they were in the pop in shops  
 38b.155 not enough variety  
 38b.156 Not large enough  
 38b.157 O K  
 38b.158 Opening times are restrictive  
 38b.159 Pretty good all-round  
 38b.160 Proper bread stall  
 38b.161 Quality  
 38b.162 Reduce rent & rates to fill the stalls  
 38b.163 Research viability  
 38b.164 Smell is very overpowering so I steer clear of the indoor market  
 38b.165 Some more different stalls.  
 38b.166 Stalls in Market Drayton, Saturday market are the best. Should get more praise.  
 38b.167 They are fine  
 38b.168 They are ok  
 38b.169 They don't sell anything I want.  
 38b.170 They seem fine to me!  
 38b.171 Think they were improved s couple of years ago with uniformity of stalls and a good range of stalls. I just don't shop at markets as prefer higher quality goods.  
 38b.172 This could open longer, people know it closes early, and prepare to travel further afield  
 38b.173 To have more stalls every week  
 38b.174 To stay open longer  
 38b.175 Traders that turn up and stay open  
 38b.176 Transport from surrounding villages  
 38b.177 Utilise all stalls one way or another  
 38b.178 Very good  
 38b.179 Very limited, better range of products  
 38b.180 When they all turn up  
 38b.181 Why not open it all week  
 38b.182 Wider range might attract more customers  
 38b.183 Wider range of stalls  
 38b.184 Winter it's freezing in there

### Q39. What employment opportunities would you like to see in Market Drayton area?

---

- 39.001 1. small start-up businesses - possible internet based with fast delivery - MD is ideal geographically for cover to other parts of the country
- 39.002 A better variety of small business employing local people. Build small offices and units to encourage small business to come here
- 39.003 A business that stays open longer than a couple of years, and encourages young people to train for a trade, teaches them, work, personal skills
- 39.004 A range of opportunities
- 39.005 A retail park to attract larger companies and more jobs
- 39.006 A wider variety of part-time opportunities for office-based work
- 39.007 Agricultural college (like a feeder to Harvey Adams)
- 39.008 All + any, for young people
- 39.009 All opportunities are welcome especially for the young people apprenticeships etc.
- 39.010 All sectors in order to compete with Newport, Newcastle under Lyme and Shrewsbury
- 39.011 An area of small workshops/industrial units available to people starting or growing a small business on short term leases
- 39.012 Another factory! Another supermarket what's happened to Sainsburys. Greater range of "office" style jobs.
- 39.013 Another major company recruited to the town
- 39.014 Any
- 39.015 Any
- 39.016 Any
- 39.017 Any
- 39.018 ANY - other than Muller there is not much else - attract any employment is better than none for the young "white collar" workers.
- 39.019 Any for the young and all ages various jobs, full and part time.
- 39.020 Any jobs
- 39.021 Any more work for fair pay.
- 39.022 Any opportunities would and should be welcomed.
- 39.023 Any that brings good full time positions
- 39.024 ANY type of job training would help young people without transport
- 39.025 Any!
- 39.026 Anything
- 39.027 Anything for young people. We need to build a better future full of opportunities for school leavers. If you are a graduate you tend to leave Market Drayton.
- 39.028 Anything that creates full employment for the people of the area - especially the young - company's offering apprenticeships/training etc.
- 39.029 Anything that improves employment is good for the town
- 39.030 Anything!
- 39.031 Anything.
- 39.032 Apprentice for under 18's
- 39.033 Apprentice opportunities for young people to gain a qualification and practical experience
- 39.034 Apprenticeship in Engineering, links with Agricultural college for local farms, Muller factory/Morrisons management training. Parks & recreational management, outdoor pursuit's activities. School trips & stay over facilities, Boat building & maintenance.
- 39.035 Apprenticeship opportunities for school leavers and ACCESSIBLE work for people in lower income brackets without their own transport. Zero hour contracts provide no security.
- 39.036 Apprenticeships IT industry (on the empty industrial estate on Shrewsbury Rd?)
- 39.037 Apprenticeships for school leavers.
- 39.038 Apprenticeships in technical industries
- 39.039 Apprenticeships with trades people, plumbers, electricians, general builders, very difficult to do up property in area as shortage of these tradesmen.

- 39.040 As I am retired I have no need of opportunities
- 39.041 At 60 years old I have no opinion on this
- 39.042 Been here 13 years and nothing has changed within the town
- 39.043 Better opportunities for locals not necessarily for outsiders
- 39.044 Bigger hotel with restaurant, room and conference centre
- 39.045 Boat yard and marina.
- 39.046 Businesses growing from established demand for products/services
- 39.047 Businesses that employ people from the town. They do not need to bring taxi loads of zero hours workers in. Give people proper jobs.
- 39.048 Can't see that there are any!
- 39.049 Chain restaurants, visitor centre, museum operative, chain shops.
- 39.050 Chain store jobs More restaurants -
- 39.051 Employers getting grants or tax refunds to help young people get experience
- 39.052 Employment for young people. There are already several places where differing types of businesses can go. Please use these.
- 39.053 Engineering Services (?)
- 39.054 Engineering with apprenticeships
- 39.055 Engineering, manufacturing
- 39.056 Everything!
- 39.057 Factories/food production as the town already established in this area and provides employment to many.
- 39.058 Finish developing Tern Valley Business Park. We are owners of units on here, actually the first to buy but it's not the success we had hoped for so far. Not much interest, so help the developer and promote it. We run our main business from Wrexham Industrial Estate and use our new premises in Market Drayton for storage. Would have preferred it all on one site but it was impossible to fund as the land at Tern Valley was only available to buy on leasehold basis so we were not able to self-build a suitable building as the banks won't lend on this basis, they have no security. Not an ideal situation but we are dealing with the split site as best we can.
- 39.059 Flexible jobs for people like me who want to work but find it hard to get a job that allows me flexibility to be available to care for disabled relative, but only when needed
- 39.060 Food processing. Market gardens.
- 39.061 For younger age group
- 39.062 From what I observe there is a need for a range of jobs across various skill levels, however as generally those with "higher" skills earn more and therefore can travel greater distances a town like Drayton needs to encourage more jobs for unskilled people, especially the young.
- 39.063 Hi tech skilled jobs e.g. IT or Engineering
- 39.064 Higher skill levels / design & technology
- 39.065 Hotel and service industries Electronic and computer repair production IT companies, small units
- 39.066 I am retired but I would encourage any new business or industry for our young
- 39.067 I think that employment opportunities are ok at the moment
- 39.068 I think the days of mass employment are over. The established employers are now trying to reduce costs, easiest way is by reducing man power the bigger the company the more robotic engineering is used or foreign agency workers employed.
- 39.069 If Tern Valley units all eventually occupied, this will help. There appears to be a shortage of administration/clerical jobs in town.
- 39.070 If there were better shops, chain stores do seem to be the ones that attract people to stay here and shop rather go to another bigger town, these would create more jobs, this would then have a knock on effect for everything-more people to live here, more houses needed, more shops, more jobs etc. etc.
- 39.071 If we had more larger stores it would help employment in town
- 39.072 Incentives for new small businesses which have potential for growth
- 39.073 Increased educational facilities to motivate employees and employers
- 39.074 Industries that would attract apprenticeships in any field. Need to attract young people into work.
- 39.075 IT company.
- 39.076 IT industries

- 39.077 Jobs available going to local people
- 39.078 Jobs for graduates. We have good schools, providing pupils with excellent opportunities to go to university. It's sad that they then have to leave the area to seek employment.
- 39.079 Jobs for the straight out of school kids who need them. Apprenticeships?
- 39.080 Jobs for younger people.
- 39.081 Just more jobs
- 39.082 Just more of them - especially at entry level for young people with limited experience
- 39.083 Larger companies to be encouraged to come to the area
- 39.084 Light industry and office and clinical work.
- 39.085 Local jobs for local people not cheap labour due to immigration
- 39.086 Lot more apprentice opportunities in all walks
- 39.087 Low skill jobs for young people
- 39.088 Manufacturing
- 39.089 Manufacturing - automotive - Retail - clothes
- 39.090 Manufacturing - industrial - High skilled research & development.
- 39.091 Manufacturing opportunities
- 39.092 Manufacturing/skilled production Outdoor activities centre
- 39.093 Maybe work for older people in 45-65 range. More difficult for them than young people.
- 39.094 MD needs to focus on its strengths. I am a statistical programmer/project manager, but am home based. Most offices are M4 corridor/South East. You will never get silicon valley here. Strengths of MD are quite centrally located for business which want to serve the midlands/NW, low relative cost of rents. Agriculture collages, vet centre, Joules brewery, Muller, Pork Farms. Grow the high paid jobs in these industries i.e. food scientists, engineers for production lines/automation, etc. I used to work as a statistician in a pharmaceutical manufacturing site which was a well-paid job, could imagine similar demand for analysts/ Lean six sigma consultants at Muller.
- 39.095 Mechanical/industrial sites
- 39.096 Mixed use of outlier sites like Paydays - similar to Lightfoot in Ironbridge - also contaminated land opposite and on to Turn Hill - old lorry yard/house/paddock. 4 Acres. A community asset - register apply to land at Edmond.
- 39.097 More
- 39.098 More
- 39.099 MORE
- 39.100 More apprenticeships
- 39.101 More apprenticeships & training available, more walking jobs (e.g. flyer deliveries, paper rounds, home care services) Care work for people with no experience, better hours
- 39.102 More apprenticeships offered to young people
- 39.103 More big companies coming to town, better transport routes
- 39.104 More big employers like Muller
- 39.105 More competition for Morrison's as their prices are high, in veg not very good quality.
- 39.106 More construction works
- 39.107 More diverse retail outlets, larger offices e.g. call centres, more businesses opening (but please no more cafes/coffee shops!)
- 39.108 More employment for low skilled workers to offer chances to be employed. On the job training schemes for younger people. Back to work schemes for long term unemployed, more volunteering opportunities locally.
- 39.109 More factories and businesses that will employ people on full week contracts, not part-time, zero hours and not through agencies
- 39.110 More factories if possible inn Drayton
- 39.111 More factories or packaging companies
- 39.112 More for locals, people who live here - not more people from out of area.
- 39.113 More for the younger people
- 39.114 More for those with practical skills such as jobs on the land Comment Q36 "Due to work commitments"
- 39.115 More for young people

- 39.116 More full time jobs are needed. 30 Hours plus
- 39.117 More full time opportunities for school leavers and apprenticeships.
- 39.118 More help for young people
- 39.119 More help given to local engineering and business that might need young adult apprentices. They do not have enough money to buy cars, motorbikes or even pass test to train elsewhere.
- 39.120 More high tech/digital development
- 39.121 More in tourism/visitor economy More in education More in technology e.g. allied to food/agriculture/engineering
- 39.122 More industry more apprenticeships
- 39.123 More investment in business opportunities to create new jobs
- 39.124 More IT based companies More small businesses
- 39.125 More job opportunities for local people and young people's apprenticeships.
- 39.126 More job opportunities with possible promotions
- 39.127 More jobs
- 39.128 More jobs (even if work experience role) for younger people and roles for retired people that want time occupying, change of scene
- 39.129 More jobs for local people
- 39.130 More jobs for the youngsters
- 39.131 More jobs for young people 16-21 and young people with learning difficulties and disabilities. Apprenticeships, traineeships. Not enough support for local school leavers within the town.
- 39.132 More jobs going to local young people (our own)
- 39.133 More leisure facilities will inevitably lead to more jobs.
- 39.134 More manufacturing
- 39.135 More manufacturing companies
- 39.136 More manufacturing units to encourage apprenticeships
- 39.137 More manufacturing/agri-related businesses More apprenticeships for young people.
- 39.138 More media and creative industry opportunities as town seems to lack these.
- 39.139 More mini start up units. Pop up shops using empty shops
- 39.140 More nursing for mental health opportunities.
- 39.141 More of any sort, but particularly those that offer the younger generation career progression
- 39.142 More office type employment opportunities.
- 39.143 More opportunities for the young, with better pay hours, hence a bigger cinema, bingo hall and Mcdonald or Burger King or even Chiquitos and Frankie And Bennys would give jobs for people.
- 39.144 More opportunities for the younger generations coming up
- 39.145 More opportunities for young people also more apprenticeships
- 39.146 More opportunities for young workers.
- 39.147 More opportunity for local people with the larger employers as opposed to bringing in migrants from overseas.
- 39.148 More retail
- 39.149 More retail businesses
- 39.150 More rural employment or commercial NOT industrial. Retired here for peaceful countryside so biased! Do not want further large sites like Muller
- 39.151 More skilled jobs with higher pay
- 39.152 More small businesses No more factories, Muller and Palethorpes is enough. Small local hotel or Bed & Breakfast to work at A canal side B&B, hotel or restaurant
- 39.153 More small enterprises to offer goods and services to local people. Veg boxes for example \*Keep things small, we do not need more factories.
- 39.154 More that the older people in Drayton could be involved in. For example some adverts to show people around the town and its sights - listed say at Tourist Information or estate agents?
- 39.155 More training available for school leavers in basic trade skills - plumbing, carpentry, electrics, etc. One of big problems is finding someone competent who is able to do any of these jobs. I always have to bring in tradesmen from outside the area.
- 39.156 More vary
- 39.157 More!

- 39.158 National companies coming to the town.
- 39.159 NOT more food factories!
- 39.160 Not sure ... maybe more schemes/apprenticeships for the young
- 39.161 Opening of more business's
- 39.162 Opportunities for volunteering with qualifications
- 39.163 Opportunities for young people, e.g. apprenticeships and traineeships. Liaisons between two, schools and chamber of commerce to support work experience for young people and promote jobs opportunities.
- 39.164 Paid apprenticeships/training in industrial/trade/professional firms.
- 39.165 Part time or job share for parents with small/school are children
- 39.166 Part time skilled work to use the skills of semi-retired or people taking time out to raise families
- 39.167 Part-time office based work
- 39.168 Pharmacies, banks, supermarkets
- 39.169 Places for young people to advance with time served and training.
- 39.170 Professional jobs for educated people
- 39.171 Provision of super-fast broadband to enable home working and technology firms to locate in the area. There also appears to be some scope for additional light industrial/manufacturing
- 39.172 Rates are too high for starting up businesses
- 39.173 Retail opportunities for the self-developing artisan business's
- 39.174 Sainsbury's supermarket Expansion of Muller Dairy
- 39.175 School leavers / apprenticeships. Graduate recruitment. Skilled labour.
- 39.176 Semi-skilled manual work for young men.
- 39.177 Skilled employment with opportunities to further careers.
- 39.178 Skilled labour offering apprenticeship opportunities Engineering IT Joinery 'Traditional' skills Construction, through land prices now precluded most smaller builders (sadly).
- 39.179 Small and medium enterprises.
- 39.180 Small artisan shared workshops with shared facilities. Rents etc.
- 39.181 Small business creation
- 39.182 small business units
- 39.183 Small factories
- 39.184 Small shops and restaurant type jobs for young people
- 39.185 Small single units - manufacturing
- 39.186 Small to medium size business, that offered training or apprenticeships more traditionally working with work, metal etc.
- 39.187 Small units for start-ups large mass employer
- 39.188 Small, affordable start-up units for self-employed small traders and craftsmen. The council could provide facilities for visitors to use in connection with business activities, such as a "visitor's computer room" which could be as simple as a room with desks and good, free Wi-Fi Internet access. This would allow visitors of all kinds, but obviously especially useful to small start-up businesses wanting to visit the town to meet a potential client or simply to pause on a journey and keep up-to-date with emails et cetera. In addition, there could be a warehouse type building providing spaces for craftsmen to demonstrate their skills or for training of tradesmen in niche activities such as thatching, brick-laying with lime mortar et cetera.
- 39.189 Smaller factory units (smaller than Palethorpes and Muller) giving work to local people A training facility to prepare our young people for a trade. There is nothing for them here.
- 39.190 Special skills in engineering and manufacture - high tech development all with associated apprenticeships.
- 39.191 Specialised clinics children/adults complex issues
- 39.192 Specialist manufacturing: steriolithography: 3-D printing: associated software niche market: fluid control systems design/manufacture software systems : programming : manufacture: robotics Incoming existing small/medium companies to move in (60 - 200 people) by offering new build factory/office units @ advantageous costs
- 39.193 The new site by Muller's to be up and running to create new jobs

- 39.194 This is not relevant to myself, but if we are to encourage the development of the town then in general there needs to be more employment available to discourage people living and working away from Market Drayton
- 39.195 Too many charity shops taking up rental space that could provide more employment
- 39.196 Too much reliance on the food producers.
- 39.197 Trades - Blacksmiths, animal husbandry. Cheese making, country wines, (damson.) Restoring & repairing canal boats. Dressmaking & tailoring. Horticulture, vegetable growing. Computer repairs.
- 39.198 Training for any job/training units
- 39.199 Variety - big firms can mean big problem starter units good for long term benefits Food processing - possibility of training courses etc. Boatyard (maintenance
- 39.200 We are losing skills such as joinery, brick layers, electricians so apprenticeship schemes need to be built into plans.
- 39.201 White collar
- 39.202 Wider variety
- 39.203 Work with training for people with no further education qualifications
- 39.204 Young person's given more work

**Q43. If you are aware of any potential sites for new business and employment in Market Drayton please give details here.**

---

- 43.001 All empty shops in Market Drayton town centre
- 43.002 All the empty properties.
- 43.003 Along A53
- 43.004 Already been identified - see SAMDEV
- 43.005 Any empty shop or business to be re-fitted including outside, shrubs, flowers etc.
- 43.006 Any of the plethora of vacant shops. Remove the overabundance of betting shops.
- 43.007 Business park ready next to muller Newtown/Walkmill road Pellwall fields Field on Newcastle road by A53!
- 43.008 Care home - the population ageing & we need to make provision.
- 43.009 Charity shops Closed pubs - Corbett, etc.
- 43.010 Children's large café and play centre,
- 43.011 Crèche in one of the empty premises in town for shoppers to leave their children while they shop/go to the dentist/have their hair done, etc.
- 43.012 Empty shop premises.
- 43.013 Empty shops
- 43.014 Farmers Market from local businesses
- 43.015 Greater use of industrial estates that exist now.
- 43.016 Griffiths & Simpsons, Corn Merchants, Shropshire & West Midlands Transport Co. Great Hales St.
- 43.017 Having a retail park at Tern Hill would be good
- 43.018 Health and wellbeing, exercise, yoga, relaxation, nutrition
- 43.019 I am looking for a bathroom fitter and struggling to find one locally, so better support for local skilled workers with training and advertising once they are skilled.
- 43.020 I'm sure on the Shrewsbury road, just before the Muller factory there is unused land, which can be built on available.
- 43.021 It needs to be close to the main town else the main shops, market will suffer like certain other towns. With shortage of money with a large majority of people you can only spend so much. More risk of boarded shops if stretched out.
- 43.022 Land next to Hales Saw Mills. Tern valley Business park.
- 43.023 Lazy Days And opposite Turn Hill Storey Petrol
- 43.024 Many empty shops in town, the council should be encouraging businesses small and large to come here by incentives with low rent/rates . Better to have low amounts of money coming in than no amount. If businesses had low bills for a couple of years until they were established it would encourage

- them to come here, then when they are established they can pay full rents/rates = more revenue coming into the town
- 43.025 No sites outside the bypass - there are already enough at Adderley Road and by Mullers within the boundaries. Leave the green spaces of the countryside areas.
- 43.026 Not in Rush Lane area unless it were for small industrial units - no housing.
- 43.027 Old Shibden House? Smithfield Road/ Strafford street.
- 43.028 On the Tern Mill Road?
- 43.029 Our planners should be aware of this important factor
- 43.030 Please no more industrial estates!! Why do we have to have our countryside ruined so that people from all over Shropshire, Staffordshire and Cheshire can come here to work?
- 43.031 Plenty of empty shops get them filled
- 43.032 Plenty of room in the town, empty shops. Larger area's available at Longford Business Park.
- 43.033 Site next to Mulers
- 43.034 Site next to Muller, loads of space for retail/units and only one business using it
- 43.035 Tern Hill railway station
- 43.036 The empty industrial estate on Shrewsbury Rd.
- 43.037 The land next to pale thorpes
- 43.038 The northern side of the A53 would be a perfect place; it's out-of-town so there's no noise or visual pollution and it would have brilliant transport links with the A53.
- 43.039 The old Griffith & Simpson Garage site at the top of Pheonix Bank The Corbet Arms Hotel, area behind Bargain Booze. Garage Area next to ASDA as it needs a complete revamp. Area behind the Hippodrome.
- 43.040 The old post office The old BT/telephone exchange by Dairy Close/Smithfield Road
- 43.041 Top of Phoenix Bank where old petrol station was
- 43.042 Utilize main access roads. A53 for instance but selected industry
- 43.043 Victoria - Sych Farms - potential tourism and mixed use
- 43.044 Victoria Wharf
- 43.045 We wish to extensively refurb our business which would provide employment opportunities.
- 43.046 What a waste of land by Muller. You could boost people coming into the town if you had a bowling alley/cinema. food place, shops
- 43.047 Where the old post office was and relocate the post office sorting area. Behind the Corbet post office, and the grounds behind Weatherspoons's and the hand car wash ground.
- 43.048 Would have to be developed in the empty buildings at present. Maybe the old tan yard?
- 43.049 Fill empty shops
- 43.050 Fill empty shops
- 43.051 Fill empty shops
- 43.052 Higher quality pubs cafes and restaurants only
- 43.053 U3A' for tourism and leisure
- 43.054 Too small catchment area. Competition from chains & internet too fierce

**Q44. If you have any other comments to make which are not covered in this survey please use the space below.**

---

- 44.001 1) Bus timetables at bus station and other bus stops exceedingly poor Times should be displayed at all stops - it's disgraceful! And inconvenient 2) Visit to town park with small children did not show it to be a "hidden gem" dirty and ill equipped! Just a dog exercise facility!
- 1) Excellent Westherspoons in Market Drayton! 2) Main concern - please improve transport for Audlem - because only Whitchurch and Nantwich are serviced by buses, Market Drayton misses out on trade!
- 44.002 1. A large supermarket on the outer limits of town does not help the town hub - this has been proven of the UK 2. Possibly more specialist shops - aided by rent reduction plus more special 'cafe' type development might help 3. Parking restrictions have been shown to harm the hub economy - free street

parking and the re-design back to parking in the square and less walkway pavements could increase activity

- 44.003 1. Market Drayton and its inhabitants need to celebrate the town and its achievements more and criticise it less. 2. The town needs to tidy up some of its areas e.g. the signs at the entrance to Greenfields/Bert Smith way are very unattractive and off putting. 3. Develop the concept of / Gateways town to help market Market Drayton!
- 44.004 1. Visual impact to visitors to town: before we lived here we were impressed by the floral gingerbread man near the roundabout - now it is unkempt. 2. The park - it's just an open space. It needs landscaping, somewhere to go, something to look at, trees, bushes. 3. The shops - too many tatty shops. A good quality clothes shop or shoe shop would help. 4. The shops are too spread out - the ones at the end of Stafford Street or Shropshire Street would be better sited nearer the main area.
- 44.005 A marina would bring in the tourists
- 44.006 A million was spent on the Grammar school -then it was demolished - what it COULD have been used for now
- 44.007 Although I personally do not need it, I believe there is a greater need for better public transport. I believe there are no buses running on a Sunday and also that it is very difficult to get to places like Whitchurch and Newport.
- 44.008 Amenity park area next to the Tern valley business park. The grounds maintenance people (contracted to Shropshire council) who cut the grass, seem to be UNAWARE that the amenity park continues the other side of the large holly hedge. It is now very overgrown & wild! The amenity park is used by dog walkers & children out with their parents \* The wooded areas around the Tern valley business park are not being managed. Ash die back is evident
- 44.009 Apathy and lack of decent transport network has killed this town. Shops open & close within a few months -service is poor, window displays ditto and there is a poor attitude towards customer service & care.( Reminds me at times of Russia ) There are some exceptions - Fennels for example offers an excellent service - but mainly staff are unhelpful, unwelcoming or don't give a toss whether you buy anything or not.
- 44.010 As with most UK towns, town centre plagued by empty shops and disproportionate excess of charity shops. Future planning should seek to condense the town centre - smaller but better quality and higher percentage of shop occupancy. Convert current extremities of retail area to domestic use as leases end / units offered for sale: Stafford Street already partially achieved and this should continue. Canal side massively undersold - could be utilised to greater effect, and 'town trail' could be considered directing canal pedestrian traffic round best aspects Drayton has to offer. Recession/austerity should not be used as an excuse to cut budgets to sports facilities. An unfit population is an expensive one!
- 44.011 Attached letter highlighting concerns about the verbal public triage system in the Drayton medical practice.
- 44.012 Attractive signage posts for local amenities e.g. Swimming pool, Church, Museum, Library etc. Move museum into old magistrates court and include archives/research facilities
- 44.013 Being an ex-employer in Market Drayton. I would like to say it's time to get real. Modern retail has changed a shoe shop, dress shop, men's wear, would have to run different ranges, sizes, carry on a lot of surplus stock can't be done. Local councils to blame, rates far too high. Planning consent far too rigid, and the whole integrity of the town destroyed e.g. the Corbet Arms Hotel the most synonymous place now a post office whilst the old post office stands idle.
- 44.014 Better attitude for people who have small children, i needed to utilise the toilet for my 3 year old in the tourism information centre and the staff member was very negative about this despite it being a council owned place and she was a supposedly professional. Completely put me off using the town.
- 44.015 Bus routes need improving - i.e. Buses to Crewe in order to covert with Railway station.
- 44.016 Bus service is dreadful. No way to get in/out of M/Drayton at times. Provide a bus link to trains 24 hour service.
- 44.017 Business Survey - I have a dormant company at present due to children under full time school age and poor economy. Looking to restart business possibly September 2016 onwards.
- 44.018 By the canal have a sign to say what is in Market Drayton because it might encourage tourists as many people pass through on canal boats. Tourism, build a small hotel or a bed & breakfast for visitors to stay Make the Market more appealing to everyone to attract tourists We are supposed to be famously a market town but it doesn't have much to offer We are home of the Ginger Bread Man but nowhere sells it. There are no souvenirs to offer.

- 44.019 Compare Market Drayton with Newport in thriving, food shops, specialist shops and plenty of parking - free Market Drayton - parking charges. Not enough parking - Why I seldom if ever go in on Wednesday - poor range of shops - charity and estate agents and chain in the main The specialist shops I use e.g. Health food shop an excellent
- 44.020 Consider an Ikea attract larger geographical population ^ (increases) spend, housing & more. T K Maxx or similar, poor options for purchasing clothes, much needed
- 44.021 Crucial to improve transport links.
- 44.022 Development in Market Drayton should be limited and carefully regulated. Use of brown field sites is fine but the surrounding countryside should not be eroded and Drayton should retain its character as a small rural market town.
- 44.023 Do not underestimate the number of people from outside Market Drayton who attend performances at the Festival Drayton Centre.
- 44.024 Empty properties 2nd storey spaces above shops often empty. Could be converted to homes etc.
- 44.025 Examine carefully adjoining neighbourhood plans - note especially support for highway improvements. A51/A53 junctions Swall with two necks at Blackbrook - access M6 Newcastle/Stafford.
- 44.026 Far too expensive for any retailer in Drayton. Internet will kill High Street. Go for culture!!!
- 44.027 Festival Drayton centre provides a good choice of events BUT the seating is awful. No one over 5' 5" can be comfortable. Please improve the situation
- 44.028 Finally I would like to say that I loved the Christmas decorations in the town this year and especially the efforts made by the canal with the lighted Christmas trees.
- 44.029 Having been the sole supporter, in the building of the Incinerator in Shrewsbury, with a 'little help', from *an Eminent Barrister*, on his feet for three hours, while my practical deliberations took less than twenty minutes, but between us e convinced the Enquiry Officer that the case was valid. You will know that the Shrewsbury MP, The Council, 'Friends of the Earth' and the Battlefield land owner were against the scheme. Cost sixty Million. How about 30-40 million for a New Grammar School in Market Drayton, with three hundred new houses in the offing, don't the citizens deserve a better academic future for their children, I am not decrying the Grove, but a Grammar School would enhance the whole Town and its future, without subscribing to a questionnaire. Previously the then Government stated that it would not build any new Grammar Schools but I think, we have a good case for a replacement. Anyway - THINK BIG TO GET A BIG REWARD.
- 44.030 Health Centre: Once you get there it's very good, BUT if you live other than on the town bus service route (or have a car) it's far too far out of town. Should there not be something in the town centre for OAP's at least
- 44.031 Housing and development in general. Particular attention is required to ensure that all developments put quality first. They must respect the image of the town and blend in sympathetically. There must never again be developments like Wilkos and B&M which destroy the unique character of a market town. Where housing is allowed, conditions must be attached to help those trying to purchase by preventing multi purchase to let. All homes must be for owner/occupiers, and there must also be conditions that every single new home or refurbished home has to have a least two car parking spaces and a specific place to put the waste bins for collection, but also out of sight during the day.
- 44.032 Housing should be expanded significantly. Compared to rural Oxfordshire traffic is non-existent, there are lots of empty shops, there is lots of capacity for community provision growth. I would aim for increase of 50% in 10-15 years. I would support significant development on other side of A53 along the canal, what a great addition to the town. Infill fields this side of the A53 and move sports facilities to other side of A53. To many stereotypical middle class/ old/ conservative ideas stifle development in favour of a romanticised view of what Market Drayton is/once was. I used to live in South Oxfordshire (Abingdon, Wantage, Wallingford, Henley), I would describe Drayton as "a dying market town". I ended up here because have family close by (I grew up in Stafford) after having kids and house prices are affordable for a large 4/5 bed detached house (it would cost nearly double in Oxfordshire). The objections to housing are hilarious, from home owners who forget the houses they live in were probably objected to by grey headed conservatives 30 years there senior. There is very little racial diversity here either. I have no concerns about immigration increasing. Some people worry far too much about other people, rather than focusing on their own lives. Playing table tennis, and working in statistics, i meet and work with people from all over the world, Drayton is somewhat of a contrast to this. Lets develop MDs employment strengths (Muller, agriculture, etc.) and grow population for people who may not work here

but a looking for a good place to call home and raise a family. Young people will want to go and live in larger towns/cities. Focus on the strengths!

- 44.033 I am an old lady so I daresay my views will not be relevant. I just ask that you please leave our green sites alone and use sites a few places you already have for more business shops housing etc. Our doctors surgeries etc. will not be able to cope. Please do not make Market Drayton a large sprawl like so many other places.
- 44.034 I am particularly concerned about pedestrian crosses, and live on the main ring road - Frogmore Rd. If visiting the town either to the left to Morrisons, Doctors surgery etc. or to the right, - opticians, Wh Smith etc.. There is no pedestrian crossing whatever. To cross Frogmore Rd, only at the Festival centre is there a crossing, which only links to the town centre by Argos, Wilko etc. To cross to the bus station or to Morrisons Site, there is no crossing. In my opinion this is a situation which will lead to an accident - particularly in the area at the bottom of Frogmore Rd. roundabout.
- 44.035 I feel access to the town and parking is very poor having lived in the town over 60 years I feel that it has grown to big for the size of the town centre. If more housing is going to be built who will they be for. will it be for local people or for overspill? Will there be more doctors and teachers for this increase. etc.
- 44.036 I have lived in the Market Drayton area for just over two years, having relocated from the Wirral. MD is an attractive town with much to offer, but is such a shame that so many shops are to let, and the new businesses that open seem to be replicated e.g. cafes toy/baby shops. More should be done to develop the wharf area as they have done in say Norbury. it could be so pretty.
- 44.037 I have run my own business from home and have found Market Drayton a good base for travelling to other areas of the country.
- 44.038 I ride a bicycle into Market Drayton town centre regularly and it would be useful to have more places to lock up bicycles, particularly in Cheshire Street and the end of the pedestrian part of Queen Street (near the mini-roundabout by the old post office)
- 44.039 I strongly believe that we are at a cross roads in Market Drayton. HSBC & Britannia leaving the town is a blow. I wrote to both & complained. Our young people need access to sports facilities year round. Greenfields cute up easily. We need a 4g pitch urgently. We also need safe places for our young people to meet. Maybe gift a unit to a group of organised youngsters under 18 & let them decide what they want to do with it. Let them raise the money to improve its facilities. As a community we can help them. I recently visited Wellington. It was/is full of charity shops & looks really tired. We are not far behind them.
- 44.040 I think I have said it all - but the main bullet points are: \* 2 free swimming sessions a week for over 50s/under 18s \* a 'proper' cinema \*transport to villages within 5 miles from Drayton \*more recreational & curricular courses \*trains re-instated to Crewe and Stoke (or Stafford) \*more NHS dentists ... the one in Drayton is taking no-one on the list \* the hospital re-opening would be nice! \* Not too many more houses - but if they do build some - then make them spacious with big gardens & not typical new build that look like ghettos. More social housing needed
- 44.041 I think Market Drayton is a lovely place to be but that it would benefit from being free from litter and the graffiti which seems to be all over the place, including the beautiful canal walks. It also concerns me that at night time there are sometimes large groups of youths shouting and being abusive to others. I don't think that there would be any benefit to improving tourism and leisure until these underlying problems are addressed. I think its really important to increase the visual attractiveness of the town centre and please no more fish n chip shops!!!
- 44.042 I think the Town Council are to be congratulated for preserving the town centre as well as they have in these difficult financial times. I have lived here 10 yrs. and although I felt the quality of shops began to decline, in the past few years there has been a positive improvement. In my opinion, to make Market Drayton a place to visit, independent retailers should be encouraged. If the town centre is swamped with chain stores there is no incentive for visitors to come specifically. As an example of success, just look at Nantwich
- 44.043 I think there is a good variety of shops in the town it is just that people don't support them but not all shops suit everyone. Also people like going to a bigger town or city to shop to have a 'shopping experience' this won't change. I don't think there is a need to change the road layout of the town, money could be better spent. I do get annoyed that although the council maintain mowing of grassed areas, pavement weeds and generally tidiness of the town is not done. The appearance of all paved areas can be much improved. I think the festival centre is a great community place and is very well maintained and managed. The new indoor market offers opportunities for new businesses to try their luck so to speak. I would like to see all rundown buildings regenerated. Although I didn't like the idea of

new houses where the old bike shop was nest to the Crown, I think they have been done well and are in keeping with the town. I do think the new post office is a waste of time and money, it should have stayed where it was and something else done with the old but fabulous building.

- 44.044 I think things are improving in market DRAYTON compared with a few years ago.
- 44.045 I think we should enhance Market Drayton and not seek to change its character. There are many areas of interest and activity that makes Mkt Drayton special. If we can house and employ our young people and care for the elderly we will have succeeded.
- 44.046 I would like to see more CCTV coverage, I would like to be able to get to some shops that are not in the centre, but parking for disabled is poor, and I cannot walk to these shops. They say use them or lose them. I would like to but I cannot.
- 44.047 I would prefer for brownfield sites to be used for employment development and not on surrounding farm land. If on farmland it should be sensitively thought out and designed.
- 44.048 Improve road surfaces and pavements. More seating areas along Queen St. and Cheshire St. and along the canal banks. More street/ pavement cleaning & dog poo bins. Bins that are not easily removed by the public and thrown into the roads. More evening classes for academic qualifications and for pleasure/ enrichment. Hedges and footpaths maintained so that they do not become overgrown & difficult to negotiate with a pushchair or in the dark.
- 44.049 Improved transport links - needed anyway, More suitable premises.. - expensive
- 44.050 In comparison to Whitchurch and Newport, Market Drayton's town centre is the poor relation. There are empty shop units and yet another bank is closing - despite having a cattle market nearby. The town does not need any more charity shops as this creates a sink mentality and people with money go elsewhere and don't come back. It is now impossible to buy shoes, particularly children's in Market Drayton. The choice of clothes shopping is dire. Having lived in Market Drayton for over 20 years I have seen the town centre diminish and it makes me feel sad. The arrival of Argos and the like I believe only added to the problems people trying to run small independent shops can't compete - whatever it is that Whitchurch and Newport are doing we need to copy it before the town centre ceases to exist altogether.
- 44.051 It has been positive to see the initiatives and developments regarding 'start up' businesses and bringing empty shops back into usage over past few years. Finding support/subsidies etc. for this to continue should be encouraged
- 44.052 It is noticeable in Market Drayton the amount of smashed up windows and sheer wanton vandalism plus litter and this is not so noticeable in other small market towns around. This is very off putting for visitors to the town and does not convey the true character of the people who live here. We came in 2001 and found it warm and welcoming but are saddened about the amount of vandalism. Maybe more places for teenagers to meet up without drink or drugs is needed. Possibly an open mic night for youngsters not housed in a pub
- 44.053 It is such a pity all the building societies have left Market Drayton apart from the Leek. We now have to travel to Newport or Whitchurch - why have they still got building societies when we haven't? Not everyone uses internet banking! Later bus services would be useful and maybe more places to visit by bus.
- 44.054 It takes much longer to complete than 20 minutes!! Sports/recreation especially for children - need more emphasis. Golf not mentioned - why?
- 44.055 It would be nice to see NO empty shop premises in town! Depressing to see.
- 44.056 It's not just new business that need support and encouragement, but existing businesses and retail too! The council need to make sure rent is affordable. Landlords need support their tenants and not ask for ridiculous rent. Available car parking for free and that the parking ticket machines are always working.
- 44.057 Like many other small town Drayton centre has a tired, scruffy appearance, Stafford St. High St, Shropshire St particularly. Housing Estates are neglected verges, litter walk through the many alleyways and look out for dog mess. Car park wrong side of the road, across foot paths at will without penalty.
- 44.058 Make sure we don't lose the basic public service e.g. library, police, fire, social services, day centre, town bus services (not an exhaustive list) Keep development within bypass except for the industrial estate off the roundabout. But don't overestimate benefits to the town (most boaters bring their provision with them not much employment is generated. support the museum
- 44.059 Market Drayton and area cater for walkers & cyclists but bridleways are few & in poor condition, walkers can use our bridleway but horse riders can't use footpaths leaving limited off road riding. I don't think any new horse riding access is being introduced in the area so it would be nice to see some of the

footpaths upgraded to bridleways as this would still give access to walkers but help riders and not cost a lot of money to implement.

- 44.060 Market Drayton caters well for the elderly but does little for young working families and has little to offer young adults to keep them in the area.
- 44.061 Market Drayton generally feels quite run down, this needs to be tackled
- 44.062 Market Drayton has no 'resident' bus company - days out, short holidays, visiting neighbourhood towns, theatre. Transport for evening events at Festival centre, both collection from home and return afterwards.
- 44.063 Men's clothing shops for the larger and older person
- 44.064 More activities to get the bored youths off the streets. Youth clubs youth discos etc.
- 44.065 more free parking to encourage local shopping and visitors
- 44.066 Must keep library - even if manned by volunteers - we have the capability look at Festival Drayton \* Sport & health facilities needed due to obesity epidemic (hockey pitch)! \* Bus service improvement for villages into Drayton
- 44.067 Must save our Library facilities
- 44.068 Must state that our town feels dirty and untidy when you compare it to Nantwich town for example. People seem to have no pride in the town with dog fouling and untidiness. Better policing go make people feel safe from the groups of kids etc. and give them something better to do. The kids are bored so they need to be asked what they want/would use. Get them involved so they feel some pride in what they achieve.
- 44.069 My answers are reflected in the fact that I am wheelchair bound following a stroke. I would like to ask why all the jobs that come to the "West Midlands" are not felt in places like market Drayton also in the whole of Shropshire. What area do we belong to.
- 44.070 My husband and I would love to shop more in Market Drayton but there simply are not enough shops that fit the requirements we have. We therefore tend to go to Nantwich or Shrewsbury. There seems to be a belief that Market Drayton is less affluent, but that is simply because the people who do have more disposable income are shopping elsewhere, so it becomes a vicious circle. The transition would not be immediate, but if the town could adopt an approach to encourage some better quality independent shops and make sure they are widely advertised I am confident people would shop more in Market Drayton. It is a lovely town that needs to start to become more proud of itself.
- 44.071 Need extended carers. Complex health issues clinic adviser (connecting only to certain conditions) Large car parks at back of town centres, with more disability places. No drink zone in town centre outside cans Fines for chewing gum. Signs.
- 44.072 New ventures require the minimisation of costs: support on rent/rates until they return a critical costs and income whereupon a planned increase in rent/rates over a period of defined time can be introduced
- 44.073 Parking spaces at top of Frogmore road/Shropshire street - poorly designed. Trying to get out of vehicular access to our property which is on Frogmore road is almost impossible due to people parking on the double yellow lines. Please could there just be designated parking places-which would hopefully stop people trying to get 3 cars into a limited space. *Contact details provided*
- 44.074 Please can we have a dog warden in town that patrols near to the schools and the town park. I have told people on numerous occasions that dogs are not allowed in the park and had foul language replies back.
- 44.075 Please keep open public W.C.'s at bus station. An accurate bus timetable is needed at the bus station.
- 44.076 Please think about our future and our left heritage -what is the holistic design plan for Market Drayton - who is doing it -what will it cover
- 44.077 Poor bus links - need improving. Free or cheaper bus prices for under 21's.
- 44.078 Pop-up shops seem to have been a success. Empty properties particularly on main streets are discouraging. Please encourage new tenants with reasonable starting rents. Mainstream shops preferred.
- 44.079 Prisoners should be used instead of council workers for all possible basic tasks so cuts to council tax can be made. Please liaise with the Home Office and Ministry of Justice
- 44.080 Public transport for further afield i.e. hospitals, Whitchurch, Crewe, Birmingham and Manchester.
- 44.081 Put infrastructure and facilities in BEFORE more housing
- 44.082 Refuse collection. Having recently moved from Cheshire where there is a simple 3 bin collection I find the small bins very infuriating as on a windy day all the plastic gets blown everywhere and on a wet day the paper gets soggy. It would be an improvement if there were lids for the bins
- 44.083 Reinstate train line

- 44.084 Removal of the 'Loading Only' sign near The Buttercross. Replace with short term parking.
- 44.085 Rental and rates in Market Drayton is disproportionately high compared with Whitchurch, Telford and Shrews.
- 44.086 Should be more bus routes for people living the county, Road repairs need to be carried out. More street lights in the villages. Better anti-social policing in Market Drayton. Get rid of the drug accidents in Drayton.
- 44.087 Should offer free car parking for town centre 1 hour free Some shops of interest:- Crew clothing Joules clothing Children's shoe shop George clothing (Asda) Next George at Home (Asda) If a marina was built a cafe and play area by the canal for the holiday makers or even town residents
- 44.088 Some street lighting is urgently needed Longford Gardens currently has NO lighting after 11pm whereas neighbouring estates have some i.e. one light in each cul-de-sac and one in 3/4 light on main streets
- 44.089 The 9.15 buses - the bus pass should be allowed. By the time the bus reaches outskirts it's 9.30 and people can use them. This penalising Market Drayton Residents for want of 15 minutes. Can we please have the pavements resurfaced. Many are in shocking state. Additional comment : "Although I've filled this in you won't take a blind bit of notice and just do what you want to do which more than likely won't be beneficial to Market Drayton"
- 44.090 The authorities take too long to make decisions which slows down business and growth in Market Drayton, I personally submitted a planning application to restore old planning's into flats that took 10 years to get granted, I have at this very moment a planning application in for affordable housing, that's been in for 2 years and we can't even get an answer whether it's been granted or rejected. I moved my main business which employs 194 staff out to Cheshire because the business would have slowly failed and ground to a halt if I'd have remain in the North Shropshire area.
- 44.091 The canal area would benefit from improvement. The town is ideally situated for short-break holidays and for visiting gardens within a day's journey, in season. Great transport links to motorways and other urban areas yet the countryside is on our doorstep. All of these are great benefits which could be better promoted if there were a budget for this. On a different subject, I am very worried by talk of 'shared space' between pedestrians and traffic for Market Drayton. Most unsafe for the partially sighted, the infirm of any age, and young children and I very much hope that it is not adopted for our town. All very well if everybody does as they should - but, as we know, this doesn't always happen.
- 44.092 The council should strive to put quality back into Market Drayton and take it back to "up market" instead of the dowdy "down market" that it has become. Standards and quality have steadily slipped over the last 50 years! We need better shops - encourage multi nationals in. Get one and others will follow!
- 44.093 The empty shops in the town need filling! There should be more incentives for shop owners and rent lowered!
- 44.094 The issue of no choice of supermarket is a real let down for Drayton. I would have done shopping twice weekly in Drayton if Sainsburys had arrived. I therefore do all large food shops out of town.
- 44.095 The key to future prosperity is to attract shoppers from outside immediate Drayton area by making parking much more easily available. Whitchurch is far more attractive in terms of range of shops and does better than Drayton with its visitor numbers
- 44.096 The need for public transport to hospitals is great. The length of time it takes to get to hospital is ridiculous. Do your best.
- 44.097 The point about attracting visitors is interesting -at the moment there are many empty shops and random buildings that make the town look dilapidated, not attractive. There also seem to be few places for young people to meet- what about an internet cafe? To encourage SMEs the town centre needs to discourage chain/brands. E.g. Costa- which is having a detrimental effect on established cafes.
- 44.098 The problem with Market Drayton is the parking, other market towns have free parking. I think that's the main reason people avoid coming to the town. I moved here from Surrey thirteen years ago, it's a lovely little market town, very friendly and I enjoy living here just sort out the parking please.
- 44.099 The survey is a good idea especially if the general public can see positive responses/actions as a result of the survey. Also under the guidance of Shropshire County Council the facilities in Market Drayton have improved in the last few years.
- 44.100 The town is now seen as a poor town and needs an uplift of quality
- 44.101 The town needs a new vision to bring hope, employment opportunities for our young people and a general smartening up of town centre. Properties by E.U.G.M etc.
- 44.102 The town needs regeneration. The Old Corbett Arms etc.'

- 44.103 The town should develop for future generations but I think would be good to keep a village field or small town and to be made interesting for locals and visitors alike.
- 44.104 The whole of the centre of Market Drayton 'shop area' needs a good 'tidy up'. Landlords, where applicable should be told: if necessary instructed accordingly. Where 'Lidl and Homebase' are sited this area of parking - at night has and still being used as 'car racing tracks' the police are constantly battling the problem, = In the end it's down to the owners/landlords to 'stamp it out'. It should be a planning stipulation. Then enforced if broken.
- 44.105 There are many events held at festivals Drayton which I would have liked to attend but having had my car broken into during a summers afternoon in broad daylight by vandals (young) on a Sunday, there is no way that I would park my car in Frogmore Road carpark or Towers Lane in the evenings.
- 44.106 There are not enough employment opportunities here. No rail services/adequate bus service. We need these services improved so that we can keep up with 21st century developments. We need local opportunities for our children, improved leisure and tourism opportunities. Better organised social/community events organised by professionals rather than relying on volunteers who might not have the experience required. We need to up our game in this area! More community events on town park too!
- 44.107 There are retired people in Market Drayton e.g. on the Park Homer retirement site at Ternhill on Warrant Road who did move from busy cities like Manchester who would like Drayton not to grow into a busy town. That contradicts why we moved here. Excessive housing, busy roads, industrial developments is what we came here to avoid. Over development would make us move on. Catch 22!
- 44.108 There needs to be stronger collaboration between council and canals and river trust The towpaths don't encourage canalers to get off their narrowboats - who wants to walk along large puddled areas and this includes walkway exits/ entrances to canal More publicity to canalers of Market Drayton as a friendly shopping place (including Market)
- 44.109 There will come a time when I will probably have to use public transport. Would like to see a big improvement in this area. Also I think that dog owners should have to keep their dogs on leads at all times. Quite a few on Buntingsdale Park, stand chatting while their dogs are running loose. Hence the increase in dog fouling. The owners are not watching them as they should.
- 44.110 This town needs to propel itself into the twenty-first century whilst retaining, not clinging on to, it's 19th century history. I've moved here from a very modern city with 21st century infrastructure & road network and I do believe that Market Drayton can do it and become a tourist hotspot. Just look at Chester, that place has retained its historical image & opened itself up to modernism -- it is a honeypot for historical tourists & shoppers alike. That's the place we should be aiming for and not just another small-scale town laying sleepily between Stoke-on-Trent & Shrewsbury. I'd suggest selling the land north of the A53, the area where the Gingerbread Man pub is, there's a perfect area between it & the canal. Here you could build a marina here attracting boaters & tourists, and also build an out-of-town retail park attracting shoppers from miles around. Market Drayton would have a monopoly here; there's no big retail park for miles around, the nearest one being Festival Park in the middle of a congested city. People would even come from Stoke, attracted by the beauty of the town and the marina in the retail park. This retail park would be our ticket into the 21st century. Additionally, it would be fantastic for the job market in the town and in-turn massively reduce the town's unemployment figures, whilst boosting tourism.
- 44.111 To the notice of all Councillors. You need to have regular Events, markets, festivals in the town, you can't expect footfall to grow without an event to encourage the public. You can't expect shops to survive without this happening, Take a trip to Nantwich on a summer Saturday and take NOTE. The nail in the coffin was allowing the post office to move into the Corbet Hotel and seeing the destruction of a wonderful hotel which should have been saved, when the Council makes that happen there's no hope for the town.
- 44.112 Transport from surrounding villages is poorly provided. There was a scheme funded by the Market Towns Initiative which was intended to support trade and events. We spoke to the 01743 no. several times and registered for the scheme - only to be told that the only transport day to and from Drayton was Thursday! And no chance of using the scheme on market day. A suggestion that we use the scheme to go to our next nearest Market (Wellington) on any day was rebuffed on the grounds that Wellington is 'not on a SHROPSHIRE route'.
- 44.113 Transport into and out of the town is very limited. No late night bus services to/from Shrewsbury or Stoke

- 44.114 Vacant town centre shops to be allowed to be changed to residential housing or to "Living over the shop" as years ago if shop owners live over it would deter shop damage and make business more profitable.
- 44.115 Very concerned about the need for a pedestrian crossing from Wetherspoons to the other side of the road. By the cenotaph. Traffic comes off the roundabout too quickly and people often put themselves in danger trying to cross to get into Cheshire street the main shopping area. They can cross safely from the bus station using the pedestrian crossing but then it is dangerous to cross to the other side. Also vans parking on the pavement outside *named* shop. On Monday of this week there was a 4x4 with a horse box with tail gate down taking up all the pavement and people had to literally walk on the road. This happens a lot and needs stopping.
- 44.116 Very pleased with recent increase in police presence (especially Sherwood Crescent). Would be nice to see more police on the beat! More variety in town market - same stalls week in/week out. Reduce or do away with parking charges!! Need to do away with charity shops & takeaways to make way for a bigger variety of retail...
- 44.117 We could do with an improved bus service. Especially the Wellington one, that goes to the hospital, and also Sunday and evening services to allow people to get to and from work as factories in the town now work 12 hour shifts 6-6 and 7-7 on a 4 day on 4 day off basis so need to get into town on Sunday's too, and why no service to Telford where there are more work opportunities. The town could do with smartening up to attract visitors. A building in the conservation area in St Mary's Street has been boarded up for years and the artist's work on the boarding is no "Banksy"! At the moment apart from the market, there is nothing that would attract me to visit the town, and if I needed to attend a family party in the evening, a Travelodge type hotel is needed so people can enjoy a drink and not have to travel home. It might also encourage people from local villages to come into town for a night out, and give restaurants and pubs more trade.
- 44.118 We live outside the town and I retire next year. The area which seems to be missing from this survey is the improvement of public transport. A recent meeting highlighted that some people find the level of service, especially those which provide connections with other local towns to be very restricting. There is of course the difficulty of balancing need with the ability of being able to cover the cost of running such services. It would be good to see the Town Council, working with local Parish Councils, commission research on how the needs of local people who do not have their own vehicle can best be met in a way that is affordable to all. From where we live there are 3 buses a day into Drayton (at different times on alternate days) but the length of journey and times of return journeys make it very difficult to use the service.
- 44.119 We need a railway station in the future. Goods to be transported and commuters to connect with North/South. Re-jig the Talbot Yard and Chandlery and develop the whole yard. Showers/laundry/ shop/boat repairs and hire. Cafe. Fuel.
- 44.120 Whilst I encourage development in Market Drayton, I feel the town and population would benefit from much improved transport links to neighbouring towns. I would not be able to travel to work without a car. The young people in the town need to be able to travel freely on a daily basis - even a Sunday! Would like to see regular bus links to Crewe and Telford to access good train routes.
- 44.121 Why does it take so long for buildings to be erected for business purposes. On Tern Valley and other areas. No wonder people move out of the area.
- 44.122 Worried about policing levels
- 44.123 Yes I mentioned about McDonalds coming to Drayton, the amount of people I know with families who go out of town at the weekends just to treat their kids to a McDonalds. (If only there was an ideal building with parking space.)
- 44.124 Yes, allow for rail links to and from Shrewsbury/ Stoke and Crewe. Also reinstate plans for the proposed ring road that was abandoned. this in particular would free up great thinking fro the future of the town, allowing for a north south ring road..
