**Drayton ArtsFest 2019 Friday 25th October – Sunday 27th October**

Now in its 6th Year we have another exciting programme of Events and Exhibitions planned for everyone. Highlighted this year is our new event, 'Creative Drayton' showcasing local creative talent, the work of hobbyists and a range of lovely handmade items for sale. Also, our new 'Classic Family Films' event, showing the original Disney Jungle Book and Toy Story this year. There are fantastic new arts workshops lead by well known local artists for adults to have a go, or to develop, skills in drawing portraits, working in pastels, sketching in charcoal and working with polymer clay. Our regular local groups are again offering another wonderful confection of live music, dance and theatre. There are also opportunities for families to try their hand at Archery, Bellringing, Martial Arts, Short Story Writing, Button Craft, Creative Photography. Country Dancing Line and Sequence Dancing, Halloween Quiz night and a Clairvoyant evening at Wetherspoons. Events especially for children include Jake telling his wonderful stories in the Library plus a Gingerbread Man hunt and decorating Gecko biscuits. There is a fun Craft Workshop at the Zone and a Fun Family Halloween Afternoon at the Lord Hill Pub. Entry to all Exhibitions and most of our family and children's events is Free or with a Voluntary Donation.

## Fringe Events

We are very lucky this year to have a collection of Fringe Events that are generously hosted by local groups to raise funds for the Drayton ArtsFest to ensure we can run the event again next year.
