

April 2022

Dear Customer,

Road Improvements – Victoria Road, Market Drayton

I am writing to let you know that we are planning to carry out road improvements on Victoria Road. **Access to businesses and properties will be maintained.**

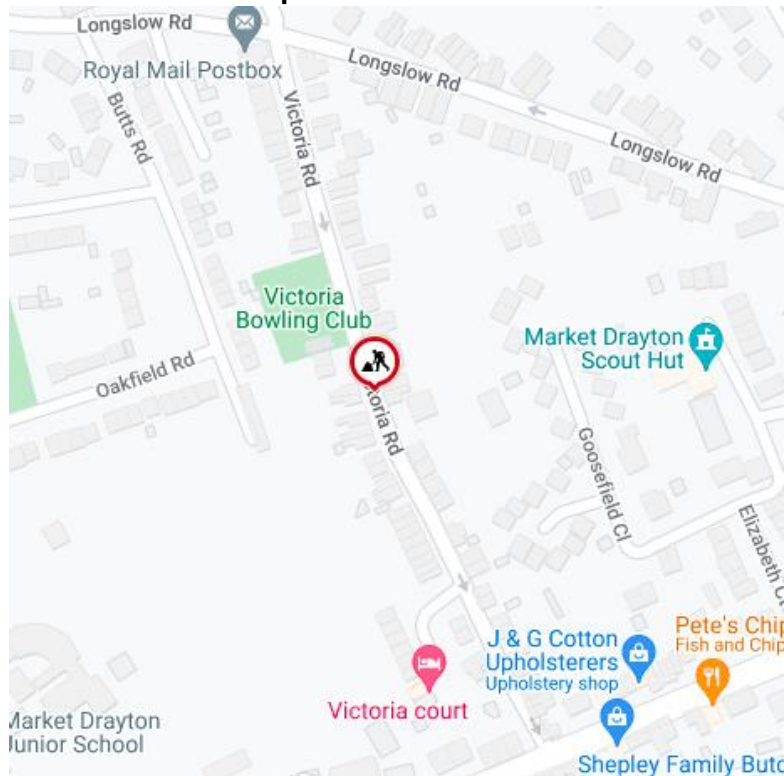

When and where will this work take place?

The works are split into two phases:

- 6-8 May where road lining means we need to have a diversion in place
- 18-19 May when stop/go boards will be used

Work will be taking place between 07.00am-5.00pm on these days

Clearly marked diversions will be in place between the hours of 9.30am-4.00pm each day.

For more information please visit the One Network:
<https://one.network/?tm=GB127993625>

To minimise disruption, we will be mindful to reduce noise and disruption for those nearby. Please note that all our planned roadworks are subject to change due to weather conditions or unforeseen circumstances. Any changes will be displayed on the yellow advanced warning signs. For more please visit: <https://one.network/>

How will this affect traffic?

Signs will be erected in the street/road prior before starting the works and the work will be completed as quickly as possible. A fully signed diversion route will be in place whilst work is carried out.

Will there be access to my property/business?

Yes. We will have staff on site who are able to assist with access. Our priority is to keep you and our staff safe, There may be a bit of a wait while we make the site safe for you to travel through to your property.

During the closure access to the works area will be restricted to:

- Essential Highway Personnel,
- Local residents who live and reside within the road closure,
- Businesses located within the closure (if applicable),
- Pedestrians, dismounted cyclists and equestrians,
- Emergency service vehicles

How can you help us?

It would be appreciated if you could ensure vehicles are not parked on the road whilst the work is in progress. Should this cause any problems or concerns then please do not hesitate to call the number below or alternatively speak to our team on site to allow arrangements to be put in place.

Find out more

Should you have any queries or wish to discuss any of the above please contact Shropshire Council's Highways Customer Services Centre on 0345 6789006.

Kind regards

Communications Manager
