

## **MARKET DRAYTON TOWN COUNCIL**

### **Honorary Townsman Award 2023**

### **Nomination Form**

#### **Introduction**

Market Drayton thrives on the contribution made to its community life by many of its citizens. They take several different forms, many voluntary and often in support of the town's organisations. Many benefit and the quality of life is improved by their hard work.

For some their work goes unrecognised and unrewarded. The Town Council has the right however to bestow the award of "Honorary Townsman" upon those whose accomplishments are considered to be outstanding and therefore worthy of this prestigious accolade.

*Awards are considered by-annually.*

#### **Objective**

To consider the need to reaffirm the means whereby those who are deemed to have made an outstanding and far reaching contribution to the well being of the town in general should be honoured by being made an "Honorary Townsman of Market Drayton".

#### **Criteria for the Award**

The person concerned should be judged to have made a contribution to the community which has:-

- Enhanced the general well being of the town and is beyond that of the normal expectations of the average person.
- Made an outstanding mark and had a long lasting beneficial effect across all aspects of community life.
- Not necessarily been confined solely to the work of one organisation, but if it is the case the above two points must apply.
- Been made over a period of years.
- Normally been in a voluntary and largely unpaid capacity.

<b>Name and Address of Person to be considered.</b>
