

Services and Facilities
Committee Meeting

23 March 2023

Appendix SF144

Good Afternoon,

Market Drayton Carnival would like to request to use the 'Town Park' on Saturday 15th July 2023 as a location for our dedicated children's zone. In addition we would like to request the use of the Premises Licence (Music element) on the Town Park (Between 9am and 5pm) and on Cheshire Street (9am to 10pm, as last year) for our live stage area.

The town park will be the base for an inflatable obstacle course, animal handling experiences, pony rides, dance demonstrations/workshops, sports demonstrations/workshops, storyteller and some children's related stalls such as Facepainter and sweet stall.

We are aiming for the children's area area to be as cheap as possible with much of what is on offer being free, as a committee we acknowledge that times are currently hard for people so as part of our planning are looking to keep the event as accessible to every member of the community as possible.

We are likely to have a public address/ sound system running throughout the day, but this will only be during the day and NOT into the evening.

There will be NO sale of alcohol on the Town Park. Any sale of alcohol on Cheshire Street will be covered by our own TEN application.

Kind Regards
