

SHROPSHIRE COUNCIL

COMMUNITY GOVERNANCE REVIEW OF THE PARISHES OF MARKET DRAYTON

AND ADDERLEY

LOCAL GOVERNMENT AND PUBLIC INVOLVEMENT IN HEALTH ACT 2007

DRAFT PROPOSALS

1. **Introduction**

- 1.1 Shropshire Council has resolved to undertake a Community Governance Review of the Parishes of Market Drayton and Adderley. The area to be included in the review is the whole of the Parishes of Market Drayton and Adderley.
- 1.2 The Council gave public notice of a Community Governance Review and published the Terms of Reference for the review of the Parishes of Market Drayton and Adderley in December 2023. Copies of the Terms of Reference were sent by e-mail to the Town and Parish Councils and to other stakeholders in the area. Information on the effect of the review was also available for inspection at the Councils offices at Shirehall, Shrewsbury and on the Council's website.
- 1.3 The Terms of Reference were intended to prompt local consideration and initiate discussion in order that the Council could take account of local feeling when preparing its Draft Proposal Document. All concerned were invited to submit their comments in writing by 26 January 2024.
- 1.4 Adderley Parish Council expressed their preference to retain the current Parish boundaries seeing no justification to change the current arrangement.
- 1.5 Market Drayton Town Council has asked that the boundaries of the Parish of Market Drayton are extended into the Adderley Parish to bring the Western Way Ward of Adderley Parish into the Market Drayton East Ward of Market Drayton Parish. Given the small number of electors affected, the Town Council considered that the amendment to the boundaries would not require any further change to the number of Councillors for the Parish. It was argued that the change to the boundaries was

justified as the main business site of Market Drayton falls within the Western Way Ward and provides employment for the town.

2.0 **BACKGROUND**

2.1 The Parish of Market Drayton is currently represented by 12 Councillors, split over three wards. The wards are largely coterminous with the Shropshire Council Division Boundaries with the exception of the division of Market Drayton East and Rural, which takes in part of the Parish of Adderley and the Parishes of Norton in Hales and Woore. The boundaries of Parishes of Norton in Hales and Woore are not affected by this review.

2.2 The current and projected electorate figures for the wards in the Parishes of Market Drayton and Adderley are set out in the tables below:

Market Drayton

Parish	Number of Councillors	Number of Electors (October 2023)	No of Electors (April 2028)	Ratio of Electors per Councillor
Market Drayton Parish	12	9,233	9,864	1: 822

Parish Wards	Number of Councillors	Number of Electors (October 2023)	No of Electors (April 2028)	Ratio of Electors per Councillor
Market Drayton East	2	1,844	1,856	1: 464
Market Drayton South	5	3,728	3,891	1: 156
Market Drayton North	5	3,661	4,117	1: 165

Adderley

Parish	Number of Councillors	Number of Electors (October 2023)	No of Electors (April 2028)	Ratio of Electors per Councillor
Adderley Parish	7	352	474	1: 68

Parish Wards	Number of Councillors	Number of Electors (October 2023)	No of Electors (April 2028)	Ratio of Electors per Councillor
Western Way	2	12	118	1: 59
Adderley Rural	5	340	356	1: 71

2.3 The current Shropshire Council division boundaries were made by the Local Government Boundary Commission for England during its recent review and necessitated the boundaries crossing several Parishes. Unless they are amended by order following a Community Governance Review, the new boundaries may not provide for effective and convenient local governance or reflect the identities and interests of the community in that area.

2.4 To avoid this situation arising at the next ordinary elections due to be held in May 2025, Shropshire Council is undertaking a review of the electoral arrangements for the Parishes of Market Drayton and Adderley under the provisions of Section 82 of the Local Government and Public Involvement in Health Act 2007, as well as the Guidance on Community Governance Reviews issued in accordance with Section 100(4) of the Act by the Department of Communities and Local Government and the Electoral Commission (Revised March 2010).

2.6 The review also provides an opportunity to consider whether the historic electoral boundaries for Market Drayton and Adderley remain appropriate, after taking account of recent residential development in the town, as well as that proposed by 2029 and beyond. The provision of more obvious and appropriate external boundaries for the town and the adjacent parish, have been considered in the interests of community identity and community cohesion. In accordance with statutory guidance the review is seeking to establish boundaries which follow the line of permanent or established physical features, rather than the ancient field boundaries which mean little to today's residents, where possible

2.7 The Terms of Reference document published in December 2023 set out the objective of the review to consider whether there should be any changes to the boundaries between the parishes of Market Drayton and Adderley.

2.8 During the preparing of these draft recommendations, the Council has taken account of the comments received from Market Drayton Town Council and Adderley Parish Council.

2.9 Public comment at the end of the first stage of this process has been limited.

3.0 PROPOSED BOUNDARY CHANGES

3.1 It is proposed that the boundary between the Parishes of Market Drayton and Adderley be amended to move the Western Way ward (marked in yellow on the plan attached) of Adderley Parish into the Market Drayton East ward of the Market Drayton Parish.

3.2 The current and projected electorate figures for the proposed wards in the Parish of Market Drayton and the unwarded revised Parish of Adderley are set out in the tables below:

Market Drayton

Parish	Number of Councillors	Number of Electors (October 2023)	No of Electors (April 2028)	Ratio of Electors per Councillor
Market Drayton Parish	12	9,245	9,983	1: 832

Proposed Parish Wards	Number of Councillors	Number of Electors (October 2023)	No of Electors (April 2028)	Ratio of Electors per Councillor
Market Drayton East	2	1,856	1,975	1: 988
Market Drayton South	5	3,728	3,891	1: 778
Market Drayton North	5	3,661	4,117	1: 823

Adderley

Parish	Number of Councillors	Number of Electors	No of Electors (April 2028)	Ratio of Electors per Councillor
--------	-----------------------	--------------------	-----------------------------	----------------------------------

		(October 2023)		
Adderley Parish	7	340	356	1: 50

4.0 PARISH COUNCIL SIZE:

4.1 The law requires that when considering whether to establish a pattern of wards for the purposes for elections, the Council must first consider whether it is desirable for any part of the parish to be separately represented on the Parish/Town Council. Secondly, it is necessary to consider whether the number or distribution of electors within the parish/town would make a single election of councillors impracticable.

4.2 There is little guidance on the appropriate number of councillors required to represent a parish, other than there not being any less than five councillors. Where there is no maximum number and no rules on the allocation of councillors, in recent years the Council has used the National Association of Local Councils' formula as a guide

4.3 The Aston Business School has also published research on the appropriate levels of representation.

4.4 Market Drayton

In urban settlements such as Market Drayton, there is a very strong case for dividing the parish into electoral wards, as community identity and community interests tend to focus on a locality or neighbourhood. This can be an existing housing estate, a shopping centre or some community facility. Where there is evidence that different parts of a town have had their own sense of identity historically this supports the establishment or retention of electoral wards. There is no proposal to amend the boundaries of the internal wards or numbers of Councillors for each of the wards of the Parish of Market Drayton.

4.5 Adderley

It is proposed that the Parish of Adderley should be unwarded and represented by 7 Councillors, as at present.

5.0 WHAT HAPPENS NEXT?

5.1 An initial timetable for this review was outlined in the Terms of Reference document published in December 2023 but has been extended to allow for a longer period of consultation as follows:-

Stage	What happens?	Timescales
Stage one	Initial Submissions are invited	15 December 2023 to 26 January 2024
Stage two	Consideration of submissions received – Draft Recommendations are prepared	27 January 2024 to 20 March 2024
Stage three	Draft Recommendations are published – consultations on them	21 March 2024 to 10 May 2024
Stage four	Considerations of submissions received – final recommendations are prepared	11 May 2024 to 31 May 2024
	Final recommendations are published – concluding review	End June 2024
	Council resolves to make a Reorganisation Order	July 2024

5.2 These draft proposals set out Shropshire Councils initial recommendations for the future of Community Governance for Market Drayton and Adderley. The Council will now allow a further period, in accordance with the above timetable for public consultation.

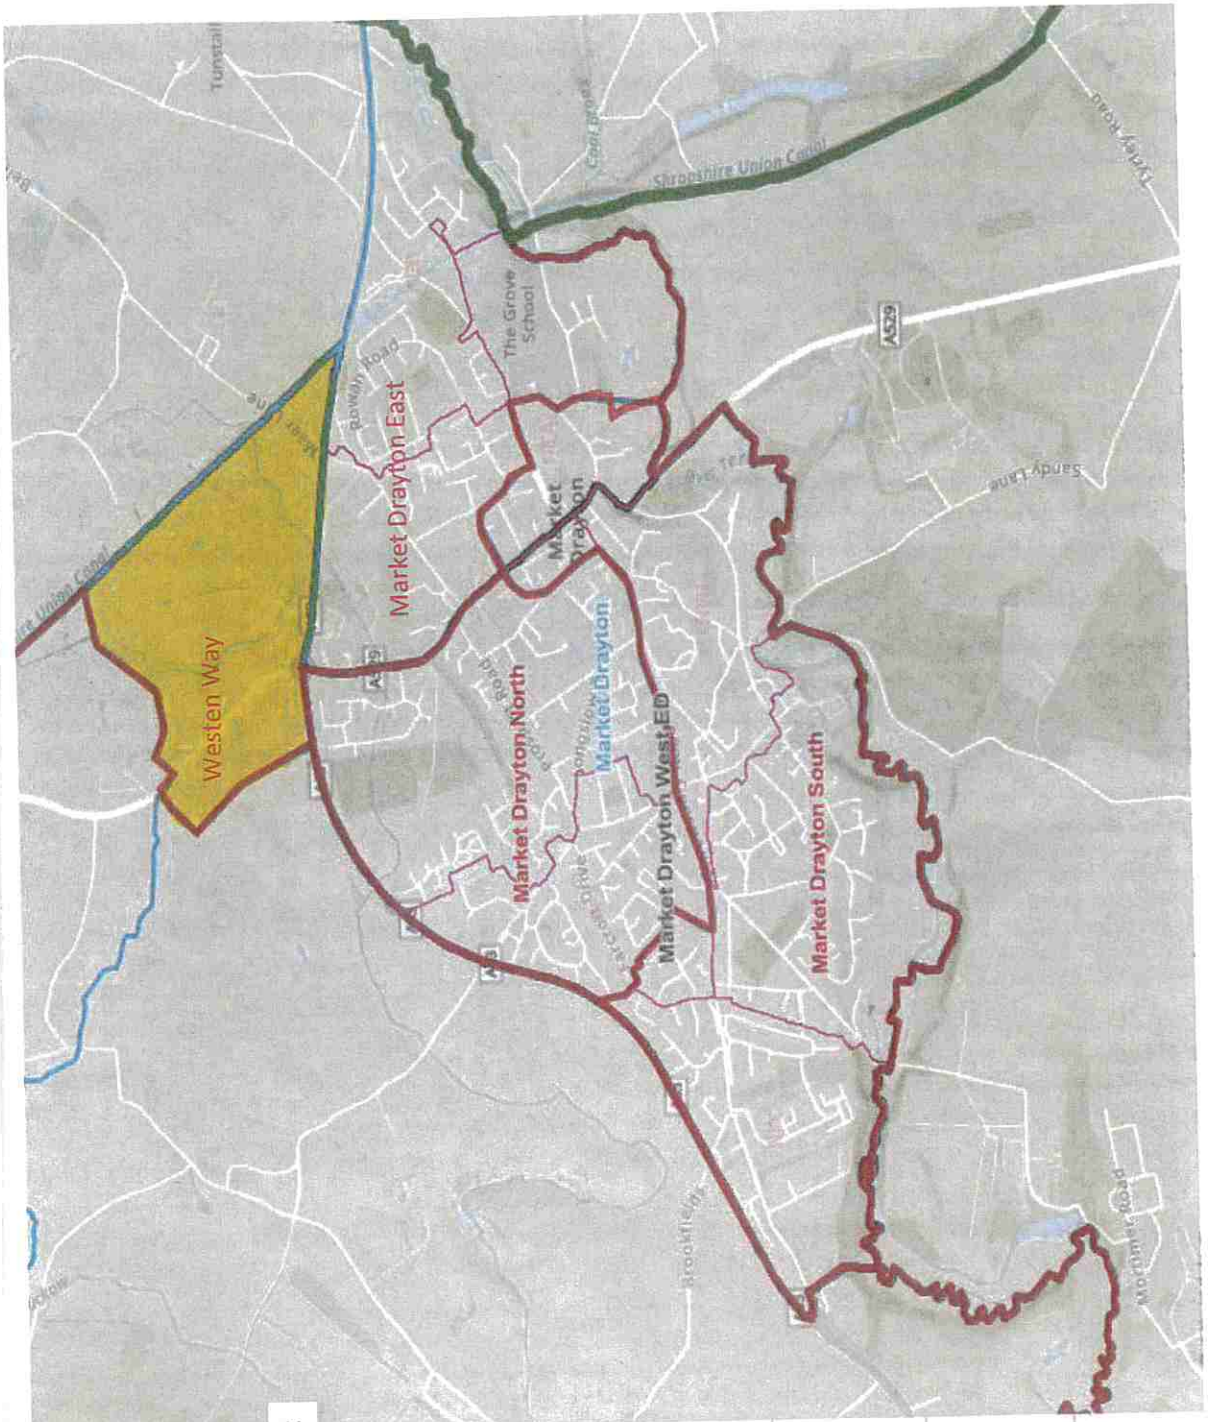

- 5.3 Final Proposals will be made in response to the outcome of these consultations and they may wholly change the Draft Proposals to encompass the broadly held views of the residents of the affected areas, insofar as they are compatible with the legal tests and principles referred to throughout this document.
- 5.4 There will then be a short period after the final proposals are published before the Shropshire Council approves the recommendations and then seeks the consent of the LGBCE to make the formal Order. This period will allow further time for any final submissions and arguments to be made covering matters which did not arise during earlier stages of the review.
- 5.5 A period for comments on the draft proposals has now opened and this lasts until 10 May 2024.
